Dear Ms. Trejo:

Your organization's request for award amendment to U.S. Fish and Wildlife Service (USFWS) Award F14AC00847 under the Coastal Program (CFDA 15.630) was approved based on the proposal submitted on 2014. This award is amended as follows:

The Cooperative Agreement F14AC00847 has been successfully implemented by your organization since 2014. The purpose of this amendment is to 1) change the Scope of Work to include additional tasks under the Recipient's responsibilities, 2) allow the Recipient to identify and hire a contractor to provide field and technical assistance to the Project Coordinator instead of identifying a contractor to conduct maintenance and enhancement of fire breaks along the boundaries of La Tinaja Tract at the Laguna Cartagena National Wildlife Refuge and 3) add additional funding.

The Service is adding the amount of \$30,000.00 to the original budget, which will increase from \$191,659 to \$221,659.00 to conduct the following tasks:

- a. Planting of *S. monosperma* and *E. woodburyana* to reach the goal of 1,000 and 300 individuals respectively.
- b. Planting of native trees for habitat enhancement and meet the goal of 2,500 trees.
- c. Provide maintenance to ensure the survival of planted material.
- d. Complete the evaluations of *E. woodburyana* at El Conuco and Finca Lozada.
- e. Complete the evaluation of *S. monosperma* populations at Punta Guaniquilla and Laguna Cartagena NWR.

All other terms and conditions of the agreement remain as originally incorporated in the original award letter dated **August 13, 2014**.

The performance period of this award begins on **September 1, 2014** through **August 31, 2019**. Only allowable costs resulting from obligations incurred during the performance period may be charged to this award. All obligations incurred under the award must be liquidated no later than 90 calendar days after the end of the performance period, unless the Service approves a final financial reporting period extension. If you need more time to complete project activities or liquidate all obligations you must submit a written request to the Service Project Officer identified in the Project Contacts section below before the end of the stated performance period.
