- Después de obtener un código NCAGE/CAGE, los negocios/organizaciones que no sean de EE.UU. que deseen hacer negocios (contratos/subvenciones) con el gobierno de Estados Unidos deben:
 1. Confirmar que el NCB o NSPA ha presentado su nombre legal y/o dirección física correcta al sistema CAGE de los Estados Unidos visitando el Sistema de referencia cruzada de número de identificación de negocios (BINCS) e introduciendo su código NCAGE/CAGE y haciendo clic en buscar.
 2. BINCS es un buscador orientado al público para vendedores, proveedores y contratistas potenciales nacionales y extranjeros que apoyan la cadena de suministro federal de los Estados Unidos y deben utilizarse para verificar la información de registro.
 3. BINCS se actualiza en 24 a 48 horas después de que el sistema CAGE de los Estados Unidos ha procesado las actualizaciones en el registro NCAGE/CAGE.
 4. Verificar la información en:
https://www.logisticsinformationservice.dla.mil/BINCS/begin_search.aspx

- ¿Cómo puedo resolver una diferencia entre el nombre comercial legal en DUNS y la base de datos NCAGE?
 - 1) El nombre debe coincidir exactamente, cualquier diferencia generará un error. Esto incluye espacios, guiones, etc. **Bassin-Bleu Inc.** y **Bassin Bleu Inc.** no son la misma empresa, el guion (-) debe ser incluido.
 - 2) El número DUNS se une al código NCAGE correspondiente.
 - 3) Si la discrepancia se encuentra en la base de datos NCAGE
 - Póngase en contacto con la siguiente dirección ncage@nspa.nato.int
 - Póngase en contacto con el Sr. Patrice Verlaine llamando al 352 3063 6145 o con su POC.

ATTENTION EXTRACT AND WEB SERVICE USERS

Support for the legacy-formatted extracts and web services in SAM ended on October 31st, 2014. Federal systems using SAM data must convert to the SAM-formatted extracts and web services. If you see "You do not have access to this extract" you need to submit a Data Access Request for the appropriate role by logging in with the account that needs the role. Go to "Data Access" then click on either "System Data Access Request" or "Individual Data Access Request" (depending on your user account type) and follow the prompts to submit the request.

What is SAM?

The System for Award Management (SAM) is combining federal procurement systems and the Catalog of Federal Domestic Assistance into one new system. This consolidation is being done in phases. The first phase of SAM includes the functionality from the following systems:

- * Central Contractor Registry (CCR)
- * Federal Agency Registration (Fedreg)
- * Online Representations and Certifications Application
- * Excluded Parties List System (EPLS)

How will SAM benefit me?

The overarching benefits of SAM include streamlined and integrated processes, elimination of data redundancies, and reduced costs while providing improved capability.
