FY24 WEATHER PROGRAM OFFICE NOTICE OF FUNDING OPPORTUNITY STANDARD FORM FOR UNDERSERVED GROUPS INFORMATION REQUEST

NOAA will not provide collected underserved groups information to reviewers for any purpose, including evaluation, and will not consider underserved groups information during selection. Information collected from applicants will be used to measure WPO's progress on nurturing a diverse scientific research community. Please provide the following information for all named investigators on your proposal.

Public Burden Statement

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0690-0030 and 0690-0035. Without this approval, we could not conduct this survey. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, and completing and reviewing the information collection. All applicants must include this form in their application package acknowledging that they have provided this information for all named investigators on the proposal. Send comments regarding this information collection, including suggestions for reducing this burden to WPO, OAR.WPO.NOFOCompetition@noaa.gov.

Do you or any named investigators on this proposal identify with any of the following groups that the federal government, in Executive Order 13985, has identified as underserved? Please list all applicable groups in the space provided below.

a) Black
b) Latino
c) Indigenous and/or Native American
d) Asian American
e) Pacific Islander
f) Other person of color
g) Members of religious minorities
h) Lesbian, gay, bisexual, transgender, and queer (LGBTQ+) persons
i) Persons with disabilities
j) Persons who live in rural areas
k) Persons otherwise adversely affected by persistent poverty or inequality
l) No, the team of investigators on this project does not identify with any of these groups

RESPONSE:

One or more of the investigators identify as: _____
