2. Executive Summary

The U.S. Embassy Abu Dhabi, Public Diplomacy Section, announces an open competition to develop and implement the programmatic elements of a three-day Freedom 250 Great American State Fair. The Fair will showcase authentic American heartland culture, creativity, entrepreneurship, entertainment, culinary traditions, and music through immersive public programming designed for UAE audiences.

Proposals should showcase American excellence, advance American commercial interests, enhance American brand visibility through public engagement, American vendor participation, strategic partnerships, and cultural programming, and strengthen the U.S.-UAE bilateral relationship.

If selected, the grantee would deliver a comprehensive American State Fair with multiple touchpoints, including but not limited to interactive gaming attractions, themed parades, entertainment showcases, curated exhibitions, family-centric experiences, and an expansive culinary and retail village concept featuring American food brands and artisan vendors, all of which will collectively create an immersive and authentic American state fair experience.

The selected grantee will be responsible for the design, curation, and implementation of the Freedom 250 Great American State Fair programming and participant experience. The grantee will be expected to coordinate closely with our UAE Local Partner Entity and their contractors, which will provide venue infrastructure and operational support. (Those services are subject to grantee negotiation with the UAE Local Entity and PDS involvement and may include but are not limited to the following: venue construction and dismantling, staging and physical infrastructure, ticketing operations, site setup and cleanup, utilities, waste management, security plans and coordination, public facilities, and other event logistics.) Accordingly, applicants for this Notice of Funding Opportunity should focus their proposals on programming, participant engagement, U.S. vendor recruitment and management, American cultural and commercial activations, and overall authentic event experience rather than venue operations and infrastructure. A detailed division of responsibilities will be provided to successful applicants and may be further refined in coordination with the Public Diplomacy Section and the UAE Local Entity.

This initiative directly supports U.S. foreign policy objectives and makes America stronger, safer, and more prosperous by advancing American commercial interests,

showcasing U.S. excellence and innovation, positioning American businesses and cultural exports at the center of the UAE's dynamic cultural and entertainment sector as it reemerges from the regional conflict, and strengthening strategic partnerships with the United Arab Emirates. As a Freedom 250 initiative, the Fair will celebrate 250 years of American independence and achievement and will showcase the unique culture and traditions of the American heartland.

As a condition of award, the selected grantee will be required to sign a Memorandum of Understanding (MOU) with the UAE Local Entity, the co-host of the Freedom 250 Great American State Fair in Abu Dhabi, immediately after the award is signed with the U.S. Government (PDS UAE).

The MOU will govern the operational, programmatic, and logistical responsibilities of the grantee in relation to the co-hosted event and will set forth the terms and conditions under which the grantee will collaborate with the UAE Local Entity. The grantee must conduct all activities in accordance with the terms and conditions established, as well as those set forth in the grant agreement with the U.S. Embassy Abu Dhabi's Public Diplomacy Section.

- The selected applicant's M&E PMP is subject to review and approval before any award will be issued under this NOFO. The selected applicant may be asked to work with U.S. Department of State Monitoring and Evaluation Specialists to ensure the applicant's M&E PMP achieves an expected level of expertise and meets PDS objectives.

3. Budget Justification Narrative

- **Detailed Budget** - Applicants must submit a detailed line-item budget. Applicants are encouraged to utilize the template provided with the funding opportunity but are not required to do so. Line-item expenditures should be listed in the greatest possible detail. The budget must identify the total amount of funding requested, with a breakdown of amounts to be spent in the following budget categories: personnel; fringe benefits; travel; equipment; supplies; consultants/contracts; other direct costs; and indirect costs. See Annex Section I for a description of the types of costs that should be included in each category. Personnel salaries should include the level of effort and the rate of pay, which should cover the percentage of time each staff member will dedicate to grant-based activities. If an organization is charging an indirect cost rate without a NICRA, it must apply it to the modified total budget costs (MTDC), refer to [2CFR§200.1](#). **Budgets shall**

be submitted in U.S. dollars and final grant agreements will be conducted in U.S. dollars.

- **Budget Justification Narrative** – Applicants must submit a budget justification narrative to accompany the detailed line-item budget. The purpose of the budget justification narrative is to supplement the information provided in the detailed budget spreadsheet by justifying how the budget cost elements are necessary to implement project objectives and accomplish the project goals. Together, the detailed budget spreadsheet, the budget justification narrative, and the SF-424A should provide a complete financial and qualitative description that supports the proposed project plan and should be directly relatable to the specific project components described in the applicant’s proposal.
- Audit Requirements: Please note the audit requirements for Department of State awards in the Standard Terms and Conditions <https://www.state.gov/m/a/ope/index.htm> and 2CFR200, Subpart F – Audit Requirements. The cost of the required audits may be charged either as an allowable direct cost to the award OR included in the organization’s established indirect costs in the award’s detailed budget.

4. *Attachments*

The proposal includes a reasonable implementation timeline. The project scope is appropriate and clearly defined.

- **Budget** – 10 points: The budget and narrative justification are sufficiently detailed. The budget demonstrates that the organization has devoted time to accurately determine expenses associated with the project instead of providing rough estimates. Costs are reasonable in relation to the proposed activities and anticipated results. The results and proposed outcomes justify the total cost of the project. Budget items are reasonable, allowable, and allocable.
- **Monitoring and Evaluation** - 10 points: The project proposal includes an M&E plan. The applicant demonstrates it is able to measure program success against key indicators and provides milestones to indicate progress toward goals and objectives outlined in the proposal. The proposal includes output and outcome indicators and shows how and when those will be measured. Funded projects will have their plans finalized during the negotiation phase, and monitoring plans may be subject to periodic updates throughout the life of the project.
- **Sustainability** – 5 points: The project proposal describes clearly the approach that will be used to ensure maximum sustainability or advancement of project goals after the end of project activity.

1. Indirect Costs

If two or more applications receive equivalent scores based on the evaluation criteria outlined in this NOFO, preference will be given to the applicant with the lower indirect cost rate, as consistent with Executive Order 14332, Section 4(b)(iii). This preference will only be applied as a tie-breaking mechanism and does not supersede the primary evaluation criteria.

2. Review and Selection Process

- a. Acknowledgement of receipt. Applicants will receive acknowledgment of receipt of their proposal.
- b. Review. All submissions are screened for technical eligibility. **If a submission is missing any required forms/documents listed above in**
- c. **Section D. Application Contents and Format, it will be considered ineligible and will not be reviewed by the grants review committee.** A technical review panel will review eligible proposals based upon the criteria noted in this NOFO.

- d. Follow up notification. Applicants will generally be notified within 120 days after the NOFO deadline regarding the results of the review panel.

1. Risk Review

- i. Under the merit review as required by 2 CFR 200.206, prior to making a Federal Award the Department will review and consider the following risk factors:
 - a. Financial stability
 - b. Management systems and standards
 - c. History of performance
 - d. Audit reports and findings
 - e. Ability to effectively implement project requirements

Responsibility/Qualification Information in SAM.gov

The Federal awarding agency, prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the U.S. government designated integrity and performance system accessible through SAM.gov (see 41 U.S.C. 2313).

An applicant can review and comment on any information in the responsibility/qualification records available in SAM.gov.

Before making decisions in the risk review required by 2 CFR 200.206, the Department will consider any comments by the applicant, along with information available in the responsibility/qualification records in SAM.gov.

ii. High Risk Designation

Awardees that are deemed to be high risk based on the above risk factors will be held to special award conditions. At a minimum, the recipient and/or project designated as High Risk will be required to submit monthly narrative reports and/or quarterly detailed financial reports. Recipients may also be required, upon request of the Grants Officer or Grants Officer Representative, to provide electronic copies of receipts or other supporting documentation (e.g., timesheets, travel documents) for costs incurred. The Grants Officer may withhold 10% of the award amount until final reports have been reviewed and approved by the GO. The recipient may be required to pay all salaries

supported by the grant via electronic funds transfer. Other special award conditions may also be included if deemed appropriate by the Grants Officer.

iv. Risk Analysis Management

To qualify for final consideration, certain applicants may be required to undertake the Risk Analysis Management (RAM) vetting process by providing Risk Analysis Information (RAI) about their “key individuals” (i.e., individuals with the ability to control applicant organizations’ funds), including “key individuals” from selected sub-recipients. **Please note: these individuals could be different from the key personnel listed in the section 4 of required documents.** The purpose of vetting potential contractors and grantees is to reduce the risk that federal assistance funding is provided to terrorists or their supporters. **Potential grantees will be notified separately if RAI is required.** Applicants submit key individuals’ RAI by completing the Risk Analysis Information Form, DS-4184, through the secure web portal at <https://ramportal.state.gov>. The DS-4184 requests the following RAI for each key individual: Full Name; Aliases; Gender; Birth Place; Birthdate; Home/Work Addresses; Phone Numbers; Employer; Professional Title; Email Addresses; Skype ID (if included, email address is also required); Numbers from All Official IDs (e.g., passports, ID cards, etc.); Nationalities; and Social Security Number (if U.S. person). Questions about the DS-4184 form may be emailed to RAM@state.gov. Failure to submit information when requested, or failure to pass vetting, may be grounds for rejecting your proposal.

G. AWARD NOTICES

The award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The award agreement is the authorizing document, and it will be provided to the recipient for review and counter-signature. The recipient may only start incurring project expenses beginning on the start date shown on the award document signed by the Grants Officer.

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred

in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Payment Method:

Recipients will be required to request payments by completing form SF-270—Request for Advance or Reimbursement and submitting the form to the Grants Officer and Grants Officer Representative.

Recipients may not draw down funds without the affirmative authorization of the Department of State. In addition, recipients must submit, with each SF-270 payment request, a detailed explanation justifying the request.

I. OTHER INFORMATION

Guidelines for Budget Justification

Personnel and Fringe Benefits: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program, for program staff, consultants or speakers, and participants/beneficiaries. If the program involves international travel, include a brief statement of justification for that travel.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs at least \$10,000 per unit.

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$10,000 per unit, then put it in the budget under Equipment.

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be itemized and explained.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 15% of Modified Total Direct Costs (MTDC) as defined in [2 CFR 200.1](#).

“Cost Sharing” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.

Alcoholic Beverages: Please note that award funds cannot be used for alcoholic beverages.
