Section III. Eligibility Criteria

1. On page 22 of the RFA, a Headquarters Technical Backstop is identified as a Key Personnel. The Headquarters Technical Backstop section references, “Assign at least one public health professional at the applicant organization’s U.S. headquarters...” Note that for local/national NGO applicants, who meet the eligibility criteria as specified in Section III (Eligibility Criteria) and who do not have a headquarters in the U.S., the Headquarters Technical Backstop may be based at the headquarters location of the organization or at a U.S.-based location. This distinction in key personnel location applies only to local/national NGOs.
