AGENCY: Bureau of International Labor Affairs, Department of Labor

ACTION: Amendment to FOA-ILAB-23-38

SUMMARY: The Bureau of International Labor Affairs announced on July 27, 2023, the availability of funds and the Funding Opportunity Announcement (FOA) for a Strengthening Civil Society to Protect and Advocate for Migrant Workers Project to strengthen civil society capacity to protect migrant workers, particularly Mexican nationals participating in U.S. temporary foreign worker (TFW) programs, by supporting fair recruitment initiatives, improving civil society organizations' and TFWs' awareness of labor rights, and increasing the use of formal mechanisms to exercise those rights. The project will be funded through a cooperative agreement to be awarded through a competitive process. This amendment to the FOA corrects a typographical error on page 24 of the FOA.

The number of points available for scoring "5) MANAGEMENT PLAN" found on page 24 of the FOA is incorrect. The number of available points for scoring this item is five (5) and not nine (9).

"5) MANAGEMENT PLAN (UP TO 9 POINTS)" is replaced with "5) MANAGEMENT PLAN (UP TO 5 POINTS).
