

Responses to FY2020 FFPr Merit-Based NOFO Questions

Questions received through Aug 11, 2020

1. *Q: Please confirm applicants should submit the technical (concept note) and the cost (budget, budget note) proposals separately to FFPrAmendments@usda.gov .*

A: All documents can be submitted in the same email however there may be file limit restrictions so splitting the attachments among multiple emails may be necessary. If multiple emails are needed please note in the subject heading that there are multiple emails and provide a list of all attachments within the body of the email so we can ensure that everything is received.

2. *Q: Please confirm Revised Plan of Operations, Commodity Specifications and Performance Indicators as applicable should be submitted as a part of the technical proposal submission, as attachments. Please further confirm that there are no page limitations to these sections.*

A: Yes - Revised Plan of Operations, Commodity Specifications and Performance Indicators as applicable should be included as part of the technical proposal submission as attachments. There are no page limits on these sections. See Answer #1 regarding submission via email.
