

C-NOFO-21-104 - Space Technology: The Next Business Frontier

Frequently Asked Questions (FAQs)

1. Does the USD 80,000 award maximum include indirect costs, or can we add indirect costs on top of this maximum amount?

A: The estimated award ceiling (maximum) amount is the estimated total USG share of cost. Kindly refer to the budget format document.
If your organization is charging an indirect cost rate, please refer to Section 3— A of the NOFO for further information on budget and budget detail.

2. Does the maximum USD 80,000 include all costs of all activities including paying to rent conference rooms in a hotel in India and paying for lunch for participants at the 3-day meeting, possibility paying for an invited speaker to travel to India, etc...?

A: [Please refer to answer in Q1.](#)

3. Our team will include a human-design expert in facilitating innovative collaborations within groups. She has worked with many big companies such as Facebook, Google and international organizations. Can we budget above the USD 80,000 to accommodate for this person's time or will our application be rejected immediately if we budget above the USD 80,000?

A: Applicants are requested to submit the Budget Narrative describing the budget request in detail. Please refer to Section G of the NOFO for information on application evaluation criteria.
