Funding Opportunity Number SFOP0008025

1. On Page 5, Section C.1 it says that "for profit and commercial firms are not eligible to apply in response to this NOFO". Does this mean that for profit and commercial firms cannot be included as partners/members in a consortium led by a non-profit organization, even if they would - for instance - commit to in-kind contributions?

A. Per section C.1, for profit and commercial firms are not eligible to apply in response to this NOFO.
