Unless otherwise specified herein, the terms and conditions as stated in the Cooperative Agreement will apply to this Task Agreement.

FY'15 Challenge Cost Share Program: The objective of this Agreement is to establish a collaborative effort by The Outdoor Foundation and NPS to support the Challenge Cost Share Program by reaching out to a broad audience of qualified organizations, supporting and contributing to projects around the country which serve the mutual goals of The Outdoor Foundation and support NPS visitors and programs.

RECIPIENT INVOLVEMENT

The Outdoor Foundation agrees to:

- Track and support Challenge Cost Share projects generated by local partner organizations and approved by NPS, offering support to recipient organizations and helping them to complete projects which address priorities for NPS sites and programs;
- Execute project agreements with all the selected partners to assure that funding will be used for approved challenge cost share projects, and each project has documented cost share contributions;
- Provide written and graphic documentation of the results of all Challenge Cost Share projects to NPS; and
