B. FEDERAL AWARD INFORMATION

Length of performance period: Up to 12 months

Award amounts: \$1,000 to \$75,000

Total available funding: *Variable*

Type of Funding: Fiscal Year 2020 Public Diplomacy Funding

Funding Instrument Type: Grant, Fixed Amount Award or Cooperative Agreement

Program Performance Period: Proposed programs should be completed in 12 months or less.

This notice is subject to availability of funding. The U.S. Department of State is under no obligation to fund any of the proposals submitted under this funding opportunity.

Although each grant proposal will be considered on its individual merit, the grant review process will also seek to exercise responsible stewardship of government resources by maximizing the impact of available funds and balancing the nature and number of policy priorities addressed through the selected grants. In practical terms, two separate grant proposals for \$10,000 may be selected for funding instead of a single, stronger proposal for \$20,000. Grant funding requests should be reasonable and proportional to the scope of the project. Submitting a funding request for a larger amount may disadvantage the application, however the grant review panel may communicate with applicants after receipt of a proposal to adjust the budget or scope of scalable projects prior to making a final decision.

The Public Affairs Section will review applications for continuation of grants funded under these awards beyond the initial budget period on a non-competitive basis subject to availability of funds, satisfactory progress of the program, and a determination that continued funding would be in the best interest of the U.S. Department of State.

2. Review and Selection Process

A Grants Review Committee will evaluate all eligible applications.

3. FAPIIS

For any Federal award under a notice of funding opportunity, if the Federal awarding agency anticipates that the total Federal share will be greater than the simplified acquisition threshold on any Federal award under a notice of funding opportunity may include, over the period of performance (see §200.88 Simplified Acquisition Threshold), this section must also inform applicants:

i. That the Federal awarding agency, prior to making a Federal award with a total amount of Federal share greater than the simplified acquisition threshold, is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (see 41 U.S.C. 2313);

ii. That an applicant, at its option, may review information in the designated integrity and performance systems accessible through SAM and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through SAM;

iii. That the Federal awarding agency will consider any comments by the applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing the review of risk posed by applicants as described in §200.205 Federal awarding agency review of risk posed by applicants.

4. Anticipated Announcement and Federal Award Dates

Applications will be reviewed and processed on a rolling basis. The Public Affairs Section usually takes three to four months to review, select and process awards. Applicants will be notified via e-mail whether or not the application was selected.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

1. Federal Award Notices

The grant award or cooperative agreement will be written, signed, awarded, and administered by the Grants Officer. The assistance award agreement is the authorizing document and it will be provided to the recipient for review and signature by email. **The recipient may only start incurring program expenses beginning on the start date shown on the grant award document signed by the Grants Officer.**

If a proposal is selected for funding, the Department of State has no obligation to provide any additional future funding. Renewal of an award to increase funding or extend the period of performance is at the discretion of the Department of State.

Issuance of this NOFO does not constitute an award commitment on the part of the U.S. government, nor does it commit the U.S. government to pay for costs incurred in the preparation and submission of proposals. Further, the U.S. government reserves the right to reject any or all proposals received.

Payment Method: Payments will be made in at least two installments, as needed to carry out the program activities. Recipients can request advance payments, but approval is not guaranteed. In many cases, the final payment is made after receipt of the final reports.

2. Administrative and National Policy Requirements

Terms and Conditions: Before submitting an application, applicants should review all the terms and conditions and required certifications which will apply to this award, to ensure that they will be able to comply. These include:

2 CFR 200, 2 CFR 600, Certifications and Assurances, and the Department of State Standard Terms and Conditions, all of which are available at: <https://www.state.gov/about-us-office-of-the-procurement-executive/> Note the **U.S Flag branding and marking requirements** in the Standard Terms and Conditions.

3. Reporting

Reporting Requirements: Recipients will be required to submit **financial reports and performance progress reports**. The award document will specify how often these reports must be submitted. The Performance Progress Report will compare actual to planned performance and indicates the progress made in accomplishing each assistance award task/goals noted in the grant agreement and will contain analysis and summary of findings, both quantitative and qualitative, for key indicators. The Financial Reports provide a means of monitoring expenditures and comparing costs incurred with progress.

The recipient must report immediately when a program faces unplanned delays in implementation, fails to meet program targets or milestones, or costs increase. Any changes or revisions to the approved budget or extensions to the approved period of performance require prior written approval from the Grants Officer.

G. FEDERAL AWARDING AGENCY CONTACTS

If you have any questions about the grant application process, please contact PAS at: pancultural@state.gov

Note: We do not provide any pre-consultation for application related questions that are addressed in the NOFO. Once an application has been submitted, State Department officials and staff — both in the Department and at embassies overseas — may not discuss this competition with applicants until the entire proposal review process is completed.

H. OTHER INFORMATION

Guidelines for Budget Justification

Personnel: Describe the wages, salaries, and benefits of temporary or permanent staff who will be working directly for the applicant on the program, and the percentage of their time that will be spent on the program.

Travel: Estimate the costs of travel and per diem for this program. If the program involves international travel, include a brief statement of justification for that travel. Please note that the

Fly America Act requires that anyone whose air travel is financed by U.S. Government funds to utilize the economy class services of a U.S. flag carrier.

Equipment: Describe any machinery, furniture, or other personal property that is required for the program, which has a useful life of more than one year (or a life longer than the duration of the program), and costs **at least \$5,000 per unit**.

Supplies: List and describe all the items and materials, including any computer devices, that are needed for the program. If an item costs more than \$5,000 per unit, then put it in the budget under Equipment.

Contractual: Describe goods and services that the applicant plans to acquire through a contract with a vendor. Also describe any sub-awards to non-profit partners that will help carry out the program activities.

Other Direct Costs: Describe other costs directly associated with the program, which do not fit in the other categories. For example, shipping costs for materials and equipment or applicable taxes. All “Other” or “Miscellaneous” expenses must be **itemized and explained**.

Indirect Costs: These are costs that cannot be linked directly to the program activities, such as overhead costs needed to help keep the organization operating. If your organization has a Negotiated Indirect Cost Rate (NICRA) and includes NICRA charges in the budget, attach a copy of your latest NICRA. Organizations that have never had a NICRA may request indirect costs of 10% of the modified total direct costs as defined in 2 CFR 200.68.

“*Cost Sharing*” refers to contributions from the organization or other entities other than the U.S. Embassy. It also includes in-kind contributions such as volunteers’ time and donated venues.
