if no existing NCAGE found,
Request New NCAGE

Application will open wizard in the
new window

The screenshot displays the 'NCAGE Code Request Tool' interface. The main form contains fields for 'NCAGE Code', 'Organization Name' (with 'NSPA' entered), 'Country' (with 'ALGERIA' entered), 'City', 'Data Universal Numbering System', 'Identification Number', 'Postal code', and 'Street'. A 'Search' button is located below the form. To the right, there is a section for 'National NCAGE Contacts' with a link 'Contacts are listed [here](#)'. Below that, a message states: 'You didn't find the NCAGE code you were looking for? In case you didn't find the NCAGE code you were looking for, you can request a new one. Click on the button below and simply follow the wizard. NCAGE Code create/update request submission is free of charge.' A blue 'Request New' button is present. At the bottom right, there is a video player titled 'Video on how to register for the U.S. System for Award Management (SAM)' with a play button and a description: 'This document explains the NCAGE code procedures. It also includes the process as they...'. A red arrow points from the 'Request New' button to the video player. Below the main form, a 'Results' section shows 'Total NCAGE codes found: 0' and a table with columns 'NCAGE code', 'Status', and 'Organization'. A smaller inset window titled 'Request New NCAGE Code' is shown, displaying a wizard with steps: 'Start Country Check', 'Organization Data: General Information', 'Organization Data: Geographical Location', 'Organization Data: Postal Location', 'Organization Data: Contact Information', 'Organization Data: Additional Information', 'Qualifications', and 'Website Information'. The first step, 'Start Country Check', is active and shows a message: 'This application allows requesting NCAGE codes for the entities located at any country across the world except of USA, Italy and Great Britain. National Codification Bureau of USA, Italy and Great Britain require submitting the NCAGE Code request via national web sites.' Below this message are fields for 'Type of Entity', 'Other (description)', and 'Country', followed by a 'Next' button.

Follow wizard order 9 steps:

Step 1:

- Enter all mandatory data marked with (*)

- 1. Select **type of entity** from dropdown menu

- 2. Select: **type of request: routine or emergency**

- 3. Select from drop down list: **Country of entity registration**

- Click **Next** to the following step.

The screenshot shows the 'Request New NCAGE Code' wizard. The interface includes a sidebar with steps 1 through 8, a main content area with input fields, and a 'Next' button. Red boxes and arrows highlight specific elements: 1. A dropdown menu for 'Type of Entity*' with options: Private Company, Governmental Entity, Individual, and Other. 2. A dropdown menu for 'Other (Description)*' with options: Routine: 10 (calendar days) and Emergency: 3 (business days). 3. A dropdown menu for 'Country*' with options: LIBERIA, LIBYA, LIECHTENSTEIN, LITHUANIA, and LUXEMBOURG. The 'Next' button is also highlighted with a red arrow.

NCAGE Code Request Tool

Request New NCAGE Code

Please follow the wizard below in order to request a new NCAGE code.

1 Start: Country Check

This application allows requesting NCAGE codes for the entities located at any country across the world except of USA, Italy and Great Britain. National Codification Bureaux of USA, Italy and Great Britain require submitting the NCAGE Code request to their national web sites.

Step 2:

- Enter all mandatory data marked with (*)
- Enter organization data "organization name"
- Enter if available state, identification number and DUNS
- Click **Next** to the following step.
- Or **Back** return to the previous step

The screenshot displays the 'NCAGE Code Request Tool' interface. At the top, there is a blue header with the tool's name and a navigation bar with icons for home, help, and language (EN, FR). The main content area is titled 'Request New NCAGE Code' and includes a sub-header 'Please follow the wizard below in order to request a new NCAGE code.' A vertical progress bar on the left indicates the current step is '2 Organization Data: General Information'. The main form area contains the instruction 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' and several input fields: 'Organization Name*' (containing 'lickeyMouse LTD'), 'Country' (a dropdown menu showing 'LIECHTENSTEIN'), 'State/Province/Canton (only if applicable)' (an empty text box), 'Identification Number (IDN)' (an empty text box), and 'Data Universal Numbering System (DUNS)' (an empty text box). At the bottom of the form, there are 'Back' and 'Next' buttons. A red arrow points from the 'Next' button in the instructions to the 'Next' button in the form.

Step 3:

- Enter all mandatory data marked with (*)
 - Enter organization data: "geographical location"
 - Enter street address, city, postal code
-
- Click **Next** to the following step.
 - Or **Back** return to the previous step

The screenshot displays the 'NCAGE Code Request Tool' interface. At the top, there is a blue header with the tool's name and a navigation bar with icons for home, help, and language (EN, FR). Below the header, the title 'Request New NCAGE Code' is followed by the instruction: 'Please follow the wizard below in order to request a new NCAGE code.' A vertical progress bar on the left indicates the current step is 3, 'Organization Data: Geographical Location'. The main content area contains the instruction: 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' Below this, there are three input fields: 'Street (Line 1)*' with the value '123 Pluto avenue', 'Street (Line 2)' which is empty, and 'City*' with the value 'Disneyland'. A 'Postal Code*' field contains the value '9669'. At the bottom of the form are 'Back' and 'Next' buttons. A red arrow points from the 'Next' button to the 'Next' button in the progress bar. The progress bar also shows steps 4 through 7: 'Organization Data: Postal Location', 'Organization Data: Contact Information', 'Organization Data: Additional Information', and 'Questionnaire'.

Step 4:

- Enter all mandatory data marked with (*)
- Enter organization data: "postal location"
- Enter street address, city, postal code
- Click **Next** to the following step.
- Or **Back** return to the previous step

The screenshot displays the 'NCAGE Code Request Tool' interface. At the top, there is a blue header with the tool's name and a navigation bar with icons for home, help, and language (EN, FR). Below the header, the title 'Request New NCAGE Code' is followed by the instruction: 'Please follow the wizard below in order to request a new NCAGE code.' A vertical progress bar on the left indicates the current step is 4, 'Organization Data: Postal Location', which is highlighted with a blue circle. The main content area contains the instruction 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' and three input fields: 'Post Office Box' (containing '69'), 'City' (containing 'Miracleland'), and 'Postal Code' (containing '6996'). Below these fields are 'Back' and 'Next' buttons. The progress bar also shows steps 5 through 8: 'Organization Data: Contact Information', 'Organization Data: Additional Information', 'Questionnaire', and 'Initiator Information'. At the bottom, the URL 'est.nspa.nato.int/AC135Public/CageTool/request-new-cage' is visible.

Step 5:

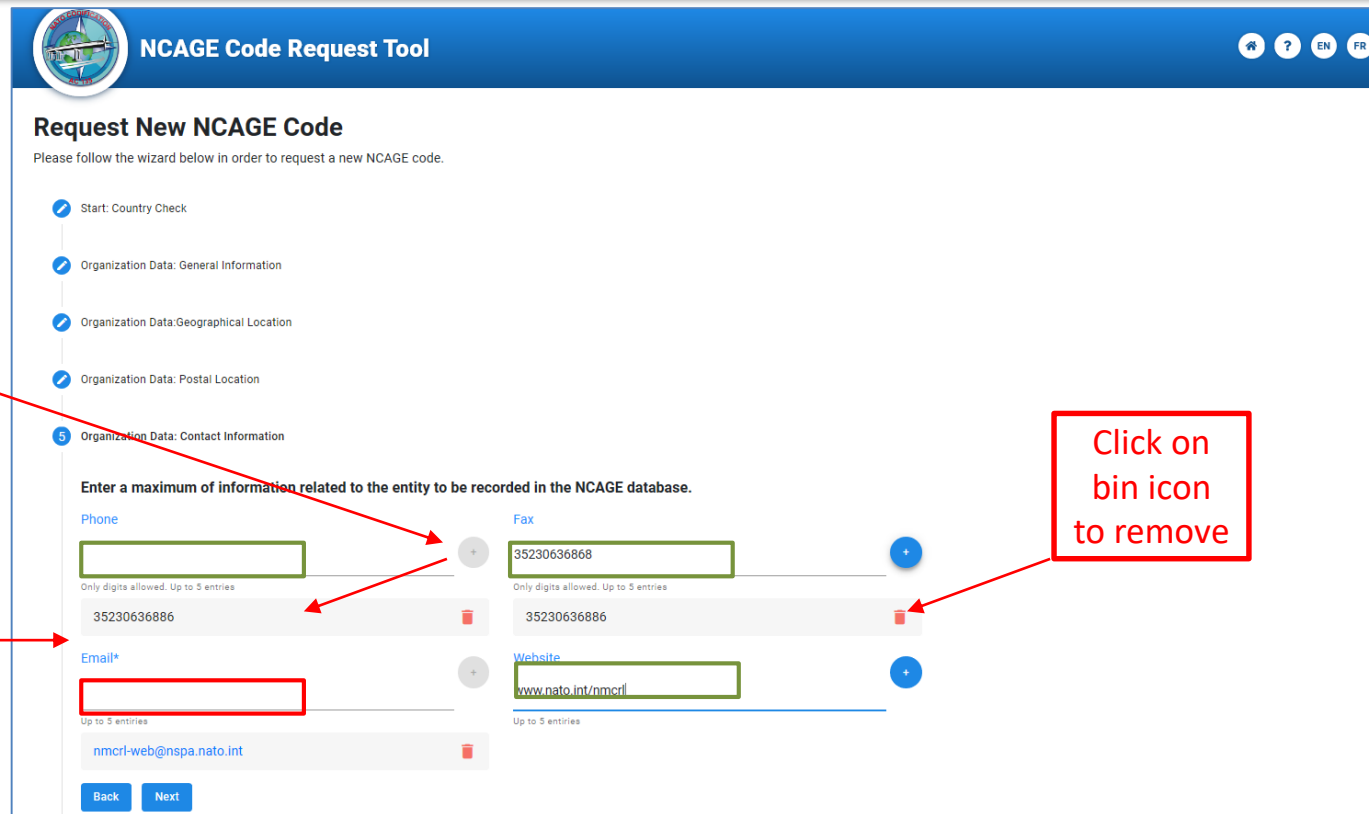

Enter all mandatory data marked with (*)

- Enter **organization data:** "contact information"

- click sign  to add email/website/phone/fax
- Phone & fax only digital e.g 0035230636886

- Red arrow from "Click Next to the following step." points to the Next button.

Step 6:

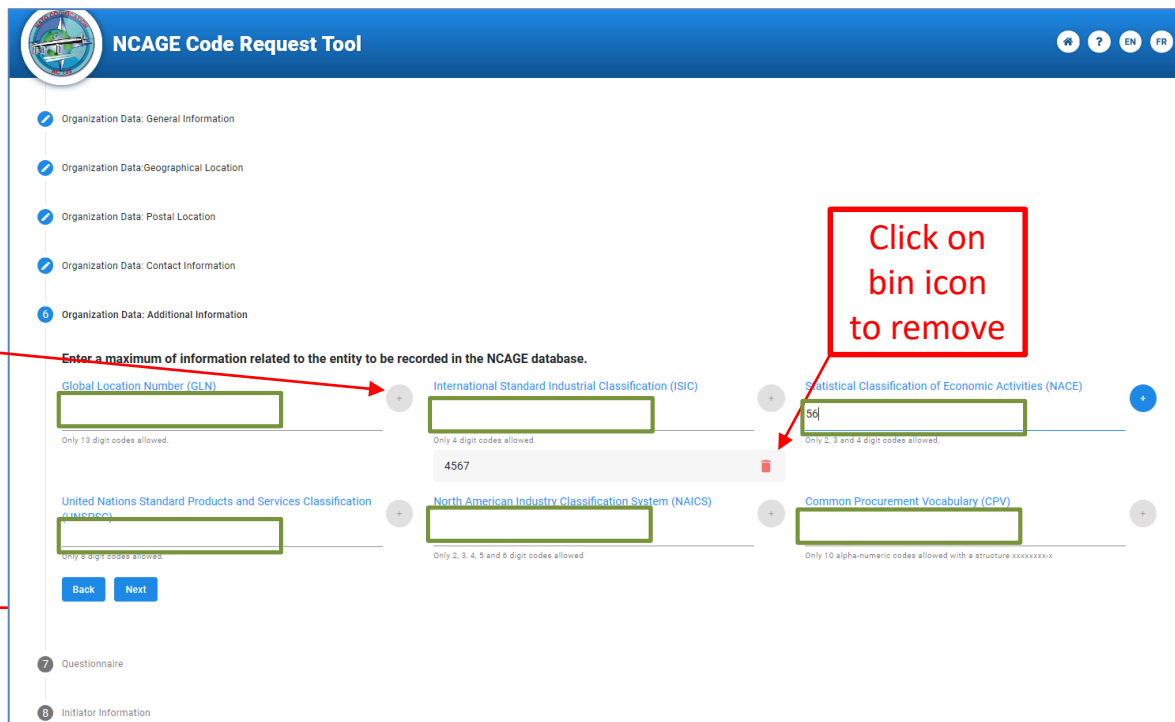

Enter all mandatory data marked with (*)

➤ Enter organization data: "additional data"

➤ click sign  to add classification identifiers of your entity

➤ Click **Next** to the following step.

➤ Or **Back** return to the previous step

The screenshot displays the 'NCAGE Code Request Tool' interface. The top navigation bar includes the tool's logo and the title 'NCAGE Code Request Tool'. On the right, there are icons for home, help, and language selection (EN, FR). A vertical sidebar on the left lists the steps of the process, with 'Organization Data: Additional Information' currently selected and highlighted with a blue circle and number 6.

The main content area is titled 'Enter a maximum of information related to the entity to be recorded in the NCAGE database.' It contains several input fields for classification codes, each with a plus icon to its right for adding more entries:

- Global Location Number (GLN):** A text box with a plus icon. Below it, a note states 'Only 13 digit codes allowed.'
- International Standard Industrial Classification (ISIC):** A text box with a plus icon. Below it, a note states 'Only 4 digit codes allowed.' A sample entry '4567' is shown with a red bin icon to its right for removal.
- Statistical Classification of Economic Activities (NACE):** A text box with a plus icon. Below it, a note states 'Only 2, 3 and 4 digit codes allowed.' A sample entry '56' is shown with a red bin icon to its right for removal.
- United Nations Standard Products and Services Classification (UNSPSC):** A text box with a plus icon. Below it, a note states 'Only 8 digit codes allowed.'
- North American Industry Classification System (NAICS):** A text box with a plus icon. Below it, a note states 'Only 2, 3, 4, 5 and 6 digit codes allowed.'
- Common Procurement Vocabulary (CPV):** A text box with a plus icon. Below it, a note states 'Only 10 alpha-numeric codes allowed with a structure xxxxxxxx'.

At the bottom of the form, there are 'Back' and 'Next' buttons. Below these, a sidebar lists the remaining steps: '7 Questionnaire' and '8 Initiator Information'.

Red annotations are present on the screenshot:

- A red box with the text 'Click on bin icon to remove' points to the red bin icons next to the sample entries '4567' and '56'.
- A red arrow points from the text 'click sign  to add classification identifiers of your entity' to the plus icon next to the ISIC input field.
- A red arrow points from the text 'Click Next to the following step.' to the 'Next' button.

Step 7:
Select YES/NO response to
questionnaire

➤ Select response from
