Notice of Funding Opportunity (NFO) No. 72044020RFA00001 - Amendment 02

Q1. Is it Ok to include experience/capacity of the sub-awardee who share management role with prime in this application summary, for example their success in capacity building?

A1. In the Summary application, only the "organizational commitment and prior success" and "organizational capability" of the Prime Applicant will be evaluated. In the later phases (i.e. co-creation and full application) the sub-awardees' information including their capacity will be considered.

Q2. Is it possible to include name/expertise of key potential personnel in the part: The Applicant's management and staff expertise?

A2. Yes, it is possible to include the names/expertise of key personnel of the Prime Applicant.

Q3. If the prime will partner with one organization to share management roles: does the expenses for the sub-awardee will belong to sub-award (80%) of the total funding?

A3. If there is a sub-awardee(s) to share the management role with the Prime, the budget for sub-awardees will be considered as part of the estimated 20% of the total proposed budget.

Q4. I would like to clarify that the prime can participate in implementing disability services (as the role of sub-awardees in the NFO?)

A4. This will be considered later in the co-creation phase and during implementation and will depend of the particular circumstances involved.
