

Questions and Answers for APS Addendum: 72062024RFA00001
Rapid Action Against Impunity in Nigeria (RAIN) Activity

1. GENERAL

We would like more info on the grant RAIN. Related doc will not open.

USAID Response: The addendum and related Annual Program Statement are available to download via zip file on the Related Documents Tab on the grant opportunity page on www.grants.gov.

2. SECTION V. ELIGIBILITY INFORMATION

Is it permissible for Accountability Lab Nigeria to apply for this opportunity to operate in both Plateau and Kaduna States, or is the scope limited to working in only one state?

USAID Response: Yes, applicants can work in one or both states under one application.

3. SECTION VII. APPLICATION INSTRUCTIONS:

In my exploration of grant opportunities, I came across your organization's grant notice for Rapid Action Against Impunity in Nigeria (RAIN). Unfortunately, I encountered challenges in obtaining detailed information to guide our potential application. I would greatly appreciate it if you could provide guidance on the application process or share any available documentation, such as a deck, that could offer further insights.

USAID Response: Application instructions are listed on Pg 7-8 of the JRS addendum. The addendum and related Annual Program Statement are available to download via zip file on the Related Documents Tab on the grant opportunity page on www.grants.gov.
