BANGLADESH

AMENDMENT 3

APS Number: 72038820APS00001

Program Title: USAID/Bangladesh and the Private Sector: Partnering to Fight COVID-19.

APS Issuance Date: April 30, 2020

Amendment 3 Issuance Date: June 28, 2020

Application Process/Rounds: See Section IV. B.

APS Closing Date: April 29, 2021

Dear Prospective Applicants:

The purpose of this amendment is to clarify that the Mission specific GDA APS is separate and distinct from the Agency's GDA APS. Accordingly, please see the notification below:

“While this USAID/Bangladesh APS seeks to build GDAs, this USAID/Bangladesh APS is NOT the Agency's GDA APS. Any GDA developed and supported under this USAID/Bangladesh APS would need to demonstrate the same qualities as a GDA developed under the Agency's GDA APS, since the GDA is an Agency-wide private sector engagement model and approach that is fully detailed in the Agency's GDA APS. However, the Agency's GDA APS and this USAID/Bangladesh APS are distinct and separate. Organizations interested in developing a GDA with USAID/Bangladesh (focused on responses to COVID-19 as detailed in this APS) should submit concepts under the USAID/Bangladesh APS entitled "USAID/Bangladesh and the Private Sector: Partnering to Fight COVID-19" and not under the Agency's GDA APS.”
