Industry Question(s) and Government Response(s) as of 2 July 2024

Industry Question 1.) Concerning Tasks 2 and 3, where is the location of the gravel pit(s) from which the material is to be hauled from? If there are separate pits for each task, could you please give the location of each pit?

Government Response 1.) Pit run gravel required to satisfy the requirements associated with Tasks 2 and 3 will be retrieved from the Neibhur Gravel Pit located at grid coordinate 06VUP5935801438 which is located in Training Area 409. The haul distance from the gravel pit to TA 408 Mortar Alley Trail Reconfiguration task is approximately 1.24 miles, and the haul distance from the gravel pit to the Firing Point 24 Reconfiguration project is 7.15 miles.
