Subject: Notice of Funding Opportunity
Request for Application (RFA) No. 278-16-000013
Amendment No. 02

Title: USAID/Jordan Water Innovations Technologies (WIT)

Dear Prospective Applicants:

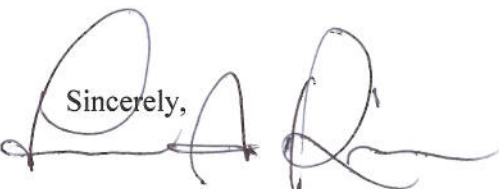

The purpose of Amendment No. 02 to the subject Notice of Funding Opportunity (NOFO) is to provide further clarification to Section D - Application and Submission Information, 3. Content and Form of Application Submission, Key Personnel.

“The Applicant must include one native English speaker who will lead reporting and outreach activities; this function may be included in any key personnel proposed by the offeror”.

Prospective applicant must comply with the requirements for a native English speaker, as stated in the subject Notice of Funding opportunity. Applicant must include one native English speaker to lead the reporting and outreach activities. This function may be included under the responsibilities of any key personnel proposed by the offeror, or under a non-key personnel position. Proposed non-key personnel not yet identified may be proposed as “TBD”.

This amendment will be posted on www.Grants.gov.

Sincerely,

Luis A. Rivera
