### 3. Unique entity identifier and System for Award Management (SAM.gov)

#### Required Registrations

All organizations, whether based in the United States or in another country, must have a Unique Entity Identifier (UEI) and an active registration with the SAM.gov. A UEI is one of the data elements mandated by Public Law 109-282, the Federal Funding Accountability and Transparency Act (FFATA), for all Federal awards. An applicant must maintain an active registration while it has a proposal under review by the Department and must continue to keep the registration active for the entire duration of the period of performance of any Federal award that results from the NOFO.

The 2 CFR 200 requires that subrecipients obtain a UEI. Please note the UEI for subrecipients is not required at the time of application but will be required before an award is processed and/or directed to a subrecipient.

***Note: The process of obtaining or renewing a SAM.gov registration may take anywhere from 4-8 weeks. Please begin your registration as early as possible.***

- Organizations **based in the United States** or that pay employees within the United States will need an Employer Identification Number (EIN) from the Internal Revenue Service (IRS) and a UEI prior to registering in SAM.gov.
- Organizations **based outside of the United States** and that do not pay employees within the United States do not need an EIN from the IRS but do need a UEI prior to registering in SAM.gov.

- **Organizations based outside of the United States that do not intend to apply for U.S. Department of Defense (DoD) awards are no longer required to have a NATO Commercial and Government Entity (NCAGE) code to apply for non-DoD foreign assistance funding opportunities.** If an applicant organization is mid-registration and wishes to remove an NCAGE code from their SAM.gov registration, the applicant should submit a help desk ticket (“incident”) with the Federal Service Desk (FSD) online at [www.fsd.gov](http://www.fsd.gov) using the following language: “I do not intend to seek financial assistance from the Department of Defense. I do not wish to obtain an NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated.”

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:

Step 1: Proceed to SAM.gov to obtain a UEI and complete the SAM.gov registration process. SAM.gov registration must be renewed annually.

Organizations based outside of the United States and that DO plan to do business with the DoD in addition to Department of State should follow the below instructions:

Step 1: Apply for an NCAGE code by following the instructions on the NSPA NATO website linked below:

Organizations requesting exemption from UEI or SAM.gov requirements must email the point of contact listed in the NOFO at least two weeks prior to the deadline in the NOFO providing a justification of their request.
