

Page 9 second paragraph – Will the NAC be billing for actual time spent on tasks in order to receive up to \$25,000? This \$25,000 funding appears to be separate from the support provided for “optional “ sub-tasks awarded, is this correct?

The NAC has a set rate of \$100/hr and will not exceed 250 hours (\$25K) on the task.
The \$25K is separate from the optional sub-tasks.

Page 11, 4.2.1 OPTIONAL, second paragraph – “The NFE shall compensate the presenter/speaker for his/her preparation and presentation time.” Is this a fixed amount or do we decide how much to pay for their time?
