Issue Date: 2 April 2026	Application Due Date: 2 May 2026

Overview:

The US Army Corps of Engineers (USACE), Portland District (NWP) intends to enter into a cooperative agreement with a non-Federal public entity, non-profit entities, youth service or conservation cops organization for land stewardship and restoration services on USACE land in the Willamette Valley, Oregon. This cooperative agreement will assist NWP in fulfilling environmental stewardship responsibilities consisting of restoration and management of native prairie landscapes and wildlife habitat at Willamette Valley Projects in Lane County, Oregon. The recipient's participants will gain experience with project planning, development, and implementation. Projects will mainly focus on land stewardship, habitat restoration, campground maintenance, and vegetation management for dam safety at Fern Ridge, Lookout Point, Dexter, or Fall creek Lakes with occasional work at Dorena and Cottage Grove Lakes.

The cooperative agreement will be awarded pursuant to 33 U.S.C. § 2339 Conservation and Recreation Management.

The recipient for this cooperative agreement must be a non-Federal public, non-profit entity, youth service or conservation corps organization that serves youth with an active case with the Lane County Department of Juvenile Justice where students may earn restitution, work required community service hours, high school credit, work towards a GED, receive vocational training, and learn job readiness skills. The recipient will employ experienced crew leaders so that ecological concepts can be accurately conveyed to crew and leaders.

Section A: Program Description

USACE NWP develops and operates water resources and public lands within the Willamette Valley Project's jurisdiction. NWP's goal is to implement creative stewardship techniques and effect accomplishments within its recreation, environmental, and dam safety missions, and provide a specific opportunity to further the USACE's national organization interest for developing knowledge and skills related to natural resource management at water resource development projects.

The purpose of this agreement is to provide natural resource training and education opportunities for participants who are adjudicated youth within the Lane County, OR correctional system to perform duties at natural resource activities on lands under USACE jurisdiction of the Willamette Valley Project.

Work projects may consist of the following: education and task assignments in land stewardship and restoration, wildlife habitat improvement, riparian enhancement, wetlands restoration and enhancement, native grassland restoration and management, plant propagation, fisheries habitat management, park and recreation site improvement, and development of visitor features for public education and interpretive services.

1. GOALS AND OBJECTIVES – Natural Resource Management Education and Environmental Stewardship:

This cooperative agreement will assist NWP in fulfilling environmental stewardship responsibilities consisting of restoration and management of native landscapes and wildlife habitat at NWP Projects while providing education and training to adjudicated youth within the Lane County, OR correctional system. The recipient's participants will gain experience with project planning, development, and implementation at water resources projects under USACE jurisdiction at the Willamette Valley Project. The program will mainly focus on land stewardship, habitat, and maintenance at Fern Ridge, Fall Creek, Dexter, Lookout Point, and Hills Creek Lakes.

The goal is to place selected participants in appropriate work situations to perform tasks for public benefit while providing opportunities to learn job skills and develop appropriate work habits. It also represents an opportunity to further the USACE's national objectives for interpretive service, community outreach, and partnerships.

USACE is engaged in diverse opportunities enabling work in a resource-oriented environment and acquisition of strong ethics regarding proper management and use of public land resources. By utilizing these opportunities, participants will receive technical, applied, and practical job training/skills and education on USACE projects.

Each specific project proposed under this Agreement will be individually evaluated by both parties to make certain it meets the education and stewardship objectives set forth herein, and it will not displace any government workers nor impair contracts for service.

2. BENEFITS:

This cooperative agreement will mutually benefit USACE and the recipient in providing opportunities to benefit environmental stewardship and recreation efforts while developing a working relationship and assisting job training and education opportunities for adjudicated youth within the Lane County, OR correctional system.

By supporting a continuous job training and natural resource education program, USACE will expand its recruitment base and elevate the public consciousness of stewardship issues.

The recipient will contribute to the well-being of publicly owned natural resources, and provide

tangible improvements for the public to enjoy.
or aid in improving public recreation areas.

Participants will benefit by learning outdoor work skills, ethics, and by gaining exposure to tasks that benefit the environment or aid in bettering public recreation areas. These training activities will aid participants in becoming successful members of society with practical skills and improved work ethic.

3. DESCRIPTION OF SERVICES:

The work will include the following:

- a. Prairie and Wildlife Habitat Restoration
 - 1) Perform selective removal of invasive vegetation from wetland, upland prairie, and other habitat types by pulling and/or cutting;
 - 2) Plant native seed and nursery stock in habitat restoration sites;
 - 3) Perform irrigation, weeding, and mulching to insure the establishment of restoration plantings;
 - 4) Perform other services in support of prairie and wildlife habitat restoration as determined by the NWP point of contact at the Willamette Valley Project.
- b. Perform native plant seed collection, native plant propagation and other duties in support of environmental restoration and native plant nursery operations.
- c. Natural Resources Education. Participate in discussion of proper tool use, USACE land management practices and philosophy, biology, native plant communities and ecological relations among local species, and natural history of native ecosystems.

4. SCHEDULE

The term of this cooperative agreement is a one year base period with four one year option periods. The base period will be in effect for one year from date signed followed by two one-year option periods. At any time prior to the completion of a performance period, the parties may agree to bilaterally exercise a one-year option period, extending the cooperative agreement performance period by one year, so long as funds remain available for continued performance.

The base period and four optional periods consist of the following tentative schedule. The final schedule will be coordinated after award of the cooperative agreement.

The specific dates the work crew will be on site will be determined through coordination between the recipient and the Government representatives. It is expected the dates will fall within the 20 May 2026 – 30 April 2027 time frame.

- a. Work will occur on 36 mutually agreeable days over the course of the agreement's first year.
- b. The number of crew days for optional periods will be determined by funding availability and mutual agreement.
- c. Work may occur at Fern Ridge, Fall Creek, Dexter, Lookout Point, or Hills Creek Lakes with no more than five (5) days at Dorena or Cottage Grove Lakes.

5. OBLIGATION OF THE PARTIES:

The Recipient will:

- a. Recruit, select, and enroll eligible participants in accordance with available funds, Federal

regulations, Equal Employment Opportunity Laws, needs of participants, and the terms developed under this cooperative agreement. Participants shall be juveniles with active cases with the Department of Juvenile Justice.

- b. Provide one (1) work crew consisting of four (4) to ten (10) participants plus one or more supervisors, to perform during the days and times mutually agreed, and to be further defined in the cooperative agreement.
- c. Provide a supervisor to direct the work of the crew and be responsible for ensuring the work performance of participants assigned under this cooperative agreement meets applicable laws and policies.
- d. Provide workers' compensation insurance (State Accident Insurance Fund (SAIF) or comparable coverage) for participants and those responsible for Tort Claims resulting from their actions within the scope of this cooperative agreement. Participants must be covered by their home school district's insurance should the school participants commence prior to the expiration of this cooperative agreement.
- e. Reserve the right to terminate or reassign participants to other activities in accordance with the participant's program objectives. Reasonable notice of reassignments will be provided to USACE.
- f. Provide program orientation including safety training sessions to all participants.
- g. Ensure all training accomplished is documented for each participant under this agreement. These records shall be available at any time for USACE to review.
- h. Ensure each participant is properly equipped and dressed for the work to be accomplished. This will include a work jacket, work shirt, work trousers, hard hat, gloves, and a pair of 8- inch laced safety work boots, if required.
- i. Arrange for transportation of participants to and from work sites.
- j. Ensure participants bring food and water as required for rest breaks.
- k. Provide first aid and other customary supervisory care of the participants at the work sites.
- l. Ensure all tools and equipment provided by USACE are returned to USACE in a like- condition as when loaned, except for normal wear and tear. Unused materials provided by USACE shall be returned to USACE upon completion of the scope under this cooperative agreement. All tools and equipment provided by USACE remain the property of USACE.
- m. Act in conformance with State and Federal laws and regulations pertaining to Wage and Hours, Equal Employment Opportunity, Civil Rights, and Child Labor.

USACE will:

- a. Submit project information in support of the scope of this cooperative agreement, including objectives and locations, diagrams, specifications, location maps, schedules and other required details.
- b. Supply sufficient materials, tools and equipment as applicable.
- c. Ensure there is sufficient work to productively occupy the participants during scheduled work hours.

- d. Provide thorough orientation and education to participants covering:
 - 1) general overview of USACE and its missions,
 - 2) how the scope of work furthers those missions,
 - 3) how the scope of work is specifically related to the Willamette Valley Project and the surrounding community.
- e. Assign a USACE staff member to serve as a point of contact (POC) and resource advisor for the duration of the cooperative agreement, provide technical assistance to the crew supervisor, provide specific task instruction, provide instructions on the proper use of tools and materials, demonstrate task completion, and engage and encourage the participants.
- f. Coordinate work schedules to accommodate participant's involvement in education, vocational training, counseling, or related activities.

Representatives from both parties will meet on a regular basis to ensure progress of scope of work, troubleshoot problems, discuss how training or education expectations are being met and otherwise effect the provisions of this agreement.

6. OPTIONS

This cooperative agreement contains options. At any time prior to the completion of a performance period, the parties may agree to bilaterally exercise a one-year option period, extending the cooperative agreement performance period by one year, so long as funds remain available for continued performance. The parties have no obligation to continue and may elect to cease performance. Options will be exercised through a modification to the agreement.

7. MODIFICATIONS

- a. Modifications to the awarded cooperative agreement may be proposed by either party, but neither party shall implement a change until the change has been negotiated and approved by the USACE Grants Officer. Change proposals shall be submitted in writing and shall detail the technical, schedule, and financial impacts of the proposed modification. Only the Grants Officer has the authority to act on behalf of the USACE to change this agreement.
- b. Revision of budget/program plans: Recipients shall request prior approval for plan changes in accordance with 2 CFR 200.308.
- c. The Grants Officer may unilaterally issue modifications for minor or administrative matters, such as changes in paying office, etc.

8. SUBAWARD

- a. The Recipient shall apply to each subaward the administrative requirements of 2 CFR 200 applicable to the particular type of subrecipient.
- b. Recipients awarding contracts under this agreement shall assure that contracts awarded contain, at a minimum, the provisions in Appendix B to DoDGARS Part 22.
- c. The Recipient's acquisition of goods and services needed to carry out the program is not considered a subaward and shall comply with 2 CFR 200 as applicable.

9. STATUTORY AUTHORITY

The use of a cooperative agreement for services relating to the management of undesirable plants on federal lands is authorized pursuant to 33 U.S.C. § 2339 Conservation and Recreation Management.

Through this cooperative agreement, USACE NWP will coordinate with a qualified non-Federal public entity or non-profit entity that serves the local community on federal lands of the Willamette Valley Project in Lane County, Oregon.
