AMENDED NOTICE OF FUNDING OPPORTUNITY FOR
FY2024 CHIPS Manufacturing USA Institute Competition
AMENDMENT 1
7/31/24

The National Institute of Standards and Technology (NIST) is announcing an amendment to its Date original NOFO posted Announcement of Notice of Funding Opportunity (NOFO) Number 2024-NIST-CHIPS-MFGUSA-01, posted on Grants.gov, that solicits proposals for the FY2024 CHIPS Manufacturing USA Institute Competition.

NIST is issuing this amendment (Amendment 1) to make updates to the Number 2024-NIST- CHIPS-MFGUSA-01 as described below. This Amendment Package will be in effect for the NOFO Title until either a new NOFO or subsequent amendments are published on Grants.gov.

Update	Section	What does the revision do?	References to the full text of revisions are noted and brief text changes are quoted.
1	4.6.1.14 – Attachment of Required Documents	Corrects an error in which a required document, the "Membership Model and Draft Agreement", was erroneously included in both the Page Limit and Page Limit Exclusions sections of the required document Table 3. The revision removes the document from the Page Limit section.	***Current text*** A portion of the Institute Narrative, as described in Section 4.6.1.6, is limited to 90 pages. A summary of those components and subcomponents is given below: Institute Description; Institute Impact Statement; Broader Impacts Statement; Project Team and Shared Capabilities; Institute Management and Governance Strategy; Membership Model and Draft Agreement; Intellectual Proper Rights Management Plan; Research Security Plan; Enterprise Risk Management Plan; Institute Transition and Sustainability Plan; Institute Investment Strategy; Education Workforce Development Plan; Market Transformation Plan; Shared Capabilities Infrastructure Plan; Phase-Specific Project Plan; and
