The Samplesville Garden Club commits to providing \$4,500 of in-kind matching funds from non-federal sources for our project, "Growing Samplesville Together" under the Implementation track.

The \$4,500 in matching funds will be provided during the project's period of performance, specifically between September 2023 and July 2024. This amount will be distributed as in-kind volunteer time (5 volunteers x 60 hours each volunteer during the project period x \$15 per hour) towards the completion of the project.
