

**FUNDING OPPORTUNITY ANNOUNCEMENT
FOA-AFRL-AFOSR-2023-0001
AMENDMENT No. 1
QUESTIONS & ANSWERS**

The following are the questions and answers received. Duplicated questions were only answered once.

Q. Can DoD laboratory agencies be part of the proposal?

A. DoD Service Laboratories are NOT eligible to apply as the lead institution but can serve as an unpaid collaborator.

Q. Can an FFRDC or National Laboratory be part of the university team for this proposal?

A. Yes, at the subaward level. To further clarify:

Ineligible Entities

None of the following entity types are eligible to submit proposals as primary award recipients under this announcement. These entities may participate at the subaward level.

- (1) Federally Funded Research and Development Centers (FFRDCs)
- (2) Individual persons or people
- (3) Federal agencies (to include Military Educational Institutions)
- (4) For-profit institutions
