

June 7, 2022

The Bureau for Humanitarian Assistance (BHA) received questions submitted under Request for Applications (RFA) 720BHA22RFA00002 for the global transportation, delivery, and distribution of shelf-stable food commodities through the Title II funded International Food Relief Partnership (IFRP) program. BHA reviewed all questions submitted and has determined to revise the Final RFA to amend Section III – Eligibility Information in order to remove an outdated reference to 22 CFR and Section IV – Application and Submission Information to update the required Monitoring and Evaluation Plan aspects.

All potential applicants are encouraged to review the Final RFA including for information pertaining to transportation/logistics, available producers and commodities, applicant eligibility, application submission requirements and instructions, and general information on the program.

The closing date of June 21, 2022 at 11:59 am EDT remains unchanged and all potential applicants must submit a full and final application per the instructions in Section IV of the RFA by this date.
