¹ Indirect costs must be tied to an established rate. Waived indirect costs are an acceptable source of match.

² Funds qualifying as “match” must meet the same program requirements as grant funds (e.g., program authorities, non-Federal sources). Other “non-match” leveraged funds do not need to meet the same standards (e.g., may include funds for construction, funds from other Federal partners). Partnership with other U.S. Forest Service programs outside of State and Private Forestry, as well as other Federal and State programs, is encouraged.
