

Recipients will recruit and in some cases supervise youth with the conditions below:

- Students will be 15 - 18 years old
- There will be all day activities for students
- The programs typically run about 2 months, but it may vary depending on the site.

You can get specifics at the stations below. I've provided locations and contact numbers below, so you can develop a more informed application package.

Estimated Need (Actual numbers may vary)
