Section 1. Project Summary

PROJECT GOALS AND OBJECTIVES

The Recipient will select and oversee qualified and motivated undergraduate and graduate students to work alongside NPS staff in the cultural resources and interpretation fields in different park units and offices throughout the nation. Interns will be assigned sites according to their areas of expertise and the requirements of the site. Interns will have substantive assignments in their areas of study and work closely with NPS staff day-to-day. These internships will be compensated with a stipend.

STATEMENT OF PUBLIC PURPOSE

The public purpose and objective of this Task Agreement is to create short term training opportunities for qualified students focusing on cultural resource management. This agreement serves a public purpose by promoting and stimulating education, job training, development of responsible citizenship, productive community involvement, and furthering the understanding, appreciation, and conservation of natural and cultural resources.

STATEMENT OF WORK SUMMARY

Minute Man National Historical Park, Landscape Architecture Intern: This project supports the completion of an in depth study of an American Revolution battle area within Minute Man National Historical Park spanning working farms and fields. In completing a Cultural Landscape Treatment Plan, the candidate will work with an interdisciplinary project team to document landscape treatment issues and tasks; articulate maintenance and agricultural practices that will preserve historical character and visitor use and enjoyment; develop a series of graphically consistent "Treatment Plans" documenting the recommended tasks; and assist with interactive workshops on best management practices for agricultural use areas.

Qualifications: Graduate level work in landscape architecture, planning, historic preservation, geographic information systems, history, or a related field. Skills and enthusiasm for field work, research, writing, and preparing graphics using Adobe, CAD, and GIS, as well as skills in communicating and working both independently and as part of a team. The applicant must be a U.S. Citizen or U.S. permanent legal resident. Prior to starting this position, a government security background check will be required. Located in Concord-Lincoln-Lexington, MA (1200 hours)

Minute Man National Historical Park, Archeological Research intern: This project supports the completion of an in depth interdisciplinary study of an American Revolution battle site within Minute Man National Historical Park commonly known as Bloody Angle. In completing the Bloody Angle Assessment and Analysis, the candidate will work with an interdisciplinary project team to: Document site conditions, assess data sources, and analyze characteristics of the battle scene; Develop a series of graphically consistent "Period Plans"

RESPONSIBILITIES OF THE PARTIES

A. The recipient shall be responsible for the following items under this agreement:

1. The Recipient shall carry out the Statement of Work in accordance with the terms and conditions stated herein. The Recipient shall adhere to Federal, state, and local laws, regulations, and codes, as applicable.
2. The Recipient shall carry out the Statement of Work in accordance with the terms and conditions stated herein. The Recipient shall adhere to Federal, state, and local laws, regulations, and codes, as applicable.
3. Use the existing format to recruit and select additional trainees, or, in limited circumstances, extend existing training projects, for the program currently being offered. Every effort will be made to match the candidates' qualifications with NPS needs.

B. The NPS Responsibilities:

A task agreement is proposed;

A cooperative agreement is proposed;

therefore substantial involvement by NPS is anticipated during the period of performance of this agreement. In support of this agreement NPS will:

To provide financial assistance in accordance with Article VI.

- b. To provide general orientation to the NPS, park/site operations and its mission to participants.
- c. To work with the Recipient to develop viable and relevant employment and learning opportunities at NPS sites.
- d. To provide NPS representatives on site to assist with specifics of the project as needed. Work with interns in conduct of the internship, assigning tasks, based upon each trainee's interest, knowledge and skills, providing guidance and direction as needed for completion of duties, and reviewing work products to ensure they meet the goals of the internship.

A grant agreement is proposed, therefore no substantial involvement on the part of the NPS is anticipated for the successful completion of the statement of work. It is anticipated that involvement will be limited to actions related to monitoring project performance and technical assistance at the request of the recipient.

Section 2. Grants.gov Posting Determination

- ☒ The National Park Service intends to award a task agreement under a previously competed or single source justified award.
- ☐ The National Park Service intends to award a single source justified cooperative agreement. *Refer to Section 3 Single Source Justification.*
- ☐ The National Park Service intends to award a single source justified grant agreement. *Refer to Section 3 Single Source Justification.*

Section 3. Single Source Justification

NATIONAL PARK SERVICE SINGLE SOURCE POLICY REQUIREMENTS

National Park Service Policy FAP&P 1443-2015-06 requires a written justification which explains why competition is not practicable. The justification must address one of the following criteria.

In order for an assistance award to be made without competition, the award must satisfy one or more of the following criteria:

- (1) Unsolicited Proposal – The proposed award is the result of an unsolicited assistance application which represents a unique or innovative idea, method, or approach which is not the subject of a current or planned contract or assistance award, but which is deemed advantageous to the program objectives. The unsolicited proposal must demonstrate an innovative capability or concept not currently available to the government, and prepared without Government involvement. ;
- (2) Continuation – The activity to be funded is necessary to the satisfactory completion of, or is a continuation of, an activity presently being funded, for which competition would have a significant adverse effect on the continuity or completion of the activity;
- (3) Legislative intent – The language in the applicable authorizing legislation or legislative history clearly indicates Congress' intent to restrict the award to a particular recipient of purpose;
- (4) Unique Qualifications – The applicant is uniquely qualified to perform the activity based upon a variety of demonstrable factors such as location, property ownership, voluntary support capacity, technical expertise, or other such unique qualifications. Successful past performance, familiarity with existing requirements, capabilities that can be obtained or matched by a competitor, or a positive reputation, are not considered to be unique qualifications.
- (5) Emergencies – Program/award where there is insufficient time available (due to a compelling and unusual urgency, or substantial danger to health or safety) for adequate competitive procedures to be followed.

NPS did not solicit full and open competition for this award based the following criteria:

- ☒ Task Agreement issued under previously competed or single source master cooperative agreement per Section 2 above. Single Source Justification not applicable.
- ☐ Unsolicited Proposal ☐ Continuation
- ☐ Legislative Intent ☐ Unique Qualifications ☐ Emergency

Explanation of the proposed recipient's qualifications or the criteria of the proposed project which requires use of the single source criteria cited.

Section 4. Department of the Interior Secretary's Priorities

This award will support the following DOI Secretary priority(ies):

Other Key Initiatives:

- ☐ Employment of veterans.
- ☐ Supporting DOI Infrastructure needs.
- ☒ Creating jobs in the American economy.
- ☐ Access to outdoor recreation opportunities.

Priority 1: Creating a conservation stewardship legacy second only to Teddy Roosevelt

- ☐ Utilize science to identify best practices to manage land and water resources and adapt to changes in the environment.
- ☐ Examine land use planning process and land use designations that govern public use and access.
- ☐ Revise and streamline the environmental and regulatory review process while maintaining environmental standards.
- ☐ Review DOI water storage, transportation, and distribution systems to identify opportunities to resolve conflicts and expand capacity.
- ☐ Foster relationships with conservation organizations advocating for balanced stewardship and use of public lands.
- ☐ Identify and implement initiatives to expand access to DOI lands for hunting and fishing.
- ☐ Shift the balance towards providing greater public access to public lands over restrictions to access.

Priority 2: Utilizing our natural resources

- ☐ Ensure American energy is available to meet our security and economic needs.
- ☐ Ensure access to mineral resources, especially the critical and rare earth minerals.
- ☐ Refocus timber programs to embrace the entire 'healthy forests' lifecycle.
- ☐ Manage competition for grazing resources.

Priority 3: Restoring trust with local communities

- ☐ Be a better neighbor with those closest to our resources by improving dialogue and relationships with persons and entities bordering our lands.
- ☐ Expand the lines of communication with Governors, state natural resource offices, Fish and Wildlife offices, water authorities, county commissioners, Tribes, and local communities.

Priority 4: Ensuring sovereignty means something

- ☐ Support tribal self-determination, self-governance, and sovereignty.
- ☐ Solidify mutual interests between the U.S. and the freely associated states and territories.

Priority 5: Generating additional revenues to support DOI & National interests

- ☐ Ensure that the public receives the full market value for the natural resources produced on Federal lands.
- ☐ Ensure that fees or costs levied for DOI services are reasonable and targeted to achieve cost recovery.
- ☐ Consider the impact of DOI decisions on economic development and job creation.

Priority 6: Protecting our people and the border

- ☐ Actively support efforts to secure our southern border.
- ☐ Ensure DOI law enforcement staffing addresses public safety risks anticipated on DOI land.
- ☐ Promote a "public service" demeanor within our law enforcement community.

Priority 7: Striking a regulatory balance

- ☐ Reduce the administrative and regulatory burden imposed on U.S. industry and the public.
- ☐ Ensure that Endangered Species Act decisions are based on strong science and thorough analysis.

Priority 8: Modernizing our infrastructure

- ☐ Support the White House Public/Private Partnership Initiative to modernize U.S. infrastructure.
- ☐ Remove impediments to infrastructure development and facilitate private sector efforts to construct infrastructure projects serving American needs.
- ☐ Prioritize DOI infrastructure needs to highlight:
 1. Construction of infrastructure;
 2. Cyclical maintenance;
 3. Deferred maintenance.

Priority 9: Reorganizing for the next 100 years

- ☐ Improve alignment and integration of the DOI organizational structure. Redistribute organizational resources (people and funding) to enhance mission achievement and improved public service.
- ☐ Improve organizational alignment with Executive Branch counterparts with major land management assets or influence.

Priority 10: Achieving our goals and leading our team forward

- ☐ Senior executives are expected to provide leadership in achieving goals of the President and the Secretary.
- ☐ The Management Team is expected to:
 1. Ensure cost-effective operations and quality service to the public;
 2. Facilitate organizational cooperation and conflict resolution;
 3. Ensure the workplace environment is conducive to employee productivity and safety;
 4. Hold individuals accountable for actions that violate DOI policies and requirements.

The proposed project does not support any of the DOI Secretary priorities, but the project is being funded for the following reasons:
