

Funding Opportunity W911KB-25-2-0009

Industry Question #1 - #2 and Government Response

1. On (Funding Opportunity W911KB-25-2-0009) Page one it says the application date is Due on July 7, 2025 but on Section IV, Item 3, it says that the application is due no later than July 9, 2025 at 2:00 PM. Which date should we plan on.

Government response: An amendment will be issued and we will go with the later date.

2. Will the Government provide a quarry for mining gravel on site?

Government response: Yes, up to 9 potential material sites are available
