Section A: Program Description

Federal Agency Name: Department of the Interior, National Park Service

Funding Opportunity Title: Route 66 Corridor Preservation

Funding Opportunity Number: NPSNOFOP18AS00134

Catalog Of Federal Domestic Assistance (CFDA) Number: 15.958

Legislative Authority: Route 66 Corridor Preservation Act of 1999 (Public Laws 106-45; 111-11, Section 7304)

Federal Regulations: 2 C.F.R. § 200, 2 C.F.R. § 1402

Program Background Information and Objectives:

In recognition of the significance of Route 66 to America's heritage, Congress passed an act in 1999 to create the Route 66 Corridor Preservation Program. Administered by the National Park Service, the program is dedicated to preserving the special places and stories of the historic highway.

First funded in 2001, the program collaborates with private, nonprofit, and government partners to identify, prioritize, and address priority preservation needs of Route 66. The program provides cost-share grants and cooperative agreements for the preservation of the most significant and representative buildings, structures, road segments, and cultural landscapes along the length of the Route 66 corridor, covering Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona, and California. Cost-share grants are also available for planning, research, and educational initiatives related to the preservation of Route 66. The funding and technical assistance provided by the program empowers and leverages the public to preserve and commemorate the special places and stories of this important era of American history.

Specific project examples can be found at: <https://www.nps.gov/rt66/grant-projects/>

Secretary of the Interior Priorities:

This program supports Secretary of the Interior priority(ies) as follows:

3. Creating jobs in the American economy.
4. Access to outdoor recreation opportunities.
- 3b. Expand the lines of communication with Governors, state natural resource offices, Fish and Wildlife offices, water authorities, county commissioners, Tribes, and local communities.
- 4.a. Support tribal self-determination, self-governance, and sovereignty
- 4.b. Solidify mutual interests between the U.S. and the freely associated states and territories.
- 8.b. Remove impediments to infrastructure development and facilitate private sector efforts to construct infrastructure projects serving American needs.

9.b. Redistribute organizational resources (people and funding) to enhance mission achievement and improved public service.

The program supports these priorities in the following way:

Through a program of grants and cooperative agreements authorized by congress, the Route 66 Corridor Preservation Program empowers and leverages both private and public efforts to revitalize the physical and economic infrastructure along the historic Route 66 corridor through eight states including Illinois, Missouri, Kansas, Oklahoma, Texas, New Mexico, Arizona, and California. Since the highway's decommissioning in 1985, the majority of rural communities through which the route passes have suffered from severe economic decline. Through revitalization of the historic corridor, communities (including tribal communities) are reinvesting in their small businesses and historic sites to attract heritage and recreational tourism, while commemorating this icon of American identity. This fosters collaboration and communication between public and private sectors including local, state, federal and tribal governments and the people and communities they serve. Jobs are being created through the restoration work itself, and in ongoing ways as new business is put back into previously vacant buildings, and/or existing businesses expand to accommodate renewed interest and patronage in their business.

Section B: Federal Award Information

Anticipated Federal Funding: (\$90,000 - \$100,000)

The amount of funding available per award for this NOFO will be determined once final FY 2018 appropriations have been made. This NOFO will be cancelled if FY 2018 appropriations are insufficient to support new awards.

Non-Federal Entity Cost Share:

The non-Federal entity must provide a cost match of minimum of 50% of the total project cost. Contributions for cost match must be made from non-Federal sources which may include cash, in-kind contributions or services, or materials.

Estimated Number of Agreements to be Awarded: 10

Each activity or project under this agreement will be treated individually, with more detail through project statements, project plans and budgets developed cooperatively between the NPS and the non-Federal entity.

Estimated Amount of Funding Available Per Award:

An estimated range of \$5,000 to \$30,000 of funding is anticipated for each award. The amount of funding available per award for this NOFO will be determined as part of the application review process based on applications received and funding made available through appropriations.

Anticipated Start Date:

Projects receiving funding through this NOFO will start once funding has been secured and awards have been made.

Anticipated Term of the Agreement: 09/30/2018 – 09/30/2019

Agreement terms for funded projects are estimated to range between one and five years, depending on the negotiated project statement of work. Agreements are not effective until fully executed with signature from the NPS Financial Assistance Awarding Officer.

Type of Agreements:

Grant Agreement - A legal instrument of financial assistance between The National Park Service and a non-Federal entity that, consistent with 31 U.S.C. § 6302, 6304:

- (1) Is used to enter into a relationship the principal purpose of which is to transfer anything of value from the Federal awarding agency to the non-Federal entity to carry out a public purpose authorized by a law of the United States (see 31 U.S.C. § 6101(3)); and not to acquire property or services for the Federal awarding agency's direct benefit or use;
- (2) Is distinguished from a cooperative agreement in that it does not provide for substantial involvement between the Federal awarding agency or pass-through entity and the non-Federal entity in carrying out the activity contemplated by the Federal award.

Substantial Involvement:

For grant agreements, no substantial involvement on the part of the National Park Service is anticipated.

Other Information:

Applications for renewal or supplementation of existing projects are eligible to compete with applications for new Federal awards.

Section C: Eligibility Information

Application Due Date: May 10, 2018, 5:00 PM Mountain Time

An applicant's failure to meet an eligibility criterion by the time of the application deadline will result in the application being excluded from consideration. This includes but is not limited to late and incomplete application packages.

- Other Documents Required by the Program -

All applicants must provide a statement to identify whether or not any overlap exists between the proposed project and any other active or anticipated projects in terms of activities, costs, or time commitment of key personnel, including any application that was submitted for funding consideration to any other potential funding source (Federal or non-Federal). If no overlap or duplication exists, a sample statement to satisfy this requirement might be: “[Insert Applicant Name] affirms that no overlap or duplication exists between the proposed project in this application and any other active or anticipated project in terms of activities, costs, or time commitment of key personnel, including any application that was submitted for funding consideration to any other potential funding source (Federal or non-Federal).” If any overlap or duplication does exist, applicants must provide a description of the overlap including when the overlapping or duplicative proposal(s) were submitted, to whom (entity and program), and when funding decisions are expected to be announced. The statement and the description of overlap or duplication, when applicable, may be provided within the proposal or as a separate attachment to the application. If at any time a proposal is awarded funds that would be overlapping or duplicative of the funding requested from NPS, the applicant must immediately notify the NPS point of contact. Any overlap or duplication of funding between the proposed project and other active or anticipated projects may impact selection and/or funding amount.

If selected for award, NPS reserves the right to request additional or clarifying information for any reason deemed necessary, including, but not limited to:

- (a) Other budget information
- (b) Financial capability
- (c) Evaluation of risk
- (d) Name and phone number of the Designated Responsible Employee for complying with national policies prohibiting discrimination (See 43 C.F.R. § 17)

3. Unique entity identifier and System for Award Management (SAM)

Each applicant (unless exempt under 2 CFR §25.110) is required to:

- (a) Be registered in SAM;

- (b) Provide a valid unique entity identifier in its application (currently a DUNS number);
- (c) Continue to maintain an active SAM registration with current information at all times during which it has an active Federal award or an application or plan under consideration by a Federal awarding agency.

Registration processes for SAM can be found at <https://www.sam.gov>

A financial assistance agreement will not be made with a non-Federal entity until the non-Federal entity has complied with all applicable unique entity identifier and SAM requirements. If a non-Federal entity has not fully complied with the requirements by the time that an agreement is ready for award, a determination may be made that the applicant is not qualified to receive a Federal award. That determination may be used as a basis for making a Federal award to another applicant.

In addition, in order to submit an application through Grants.gov an applicant must have an active SAM registration and register for submission permissions through the [Grants.gov](https://www.grants.gov) website. Utilize the following link to guide you through this process:

<http://www.grants.gov/web/grants/applicants/organization-registration.html>

Applications postmarked but not received by the due date will not be accepted.

Application preparation time may take several weeks, so please start the application process as soon as possible. Applications received after the deadline will not be reviewed or considered for award. If it is determined that a proposal was not considered due to lateness, the applicant will be notified during the selection process.

5. Intergovernmental Review

2. Review and Selection Process

NPS personnel will review all proposals. All proposals for funding will be considered using the criteria outlined above. A summary of the review panel comments may be provided to the applicant if requested.

a. Initial Review

Prior to conducting the comprehensive merit review, an initial review will be performed to determine whether: (1) the applicant is eligible for an award; (2) the information required by the NOFO has been submitted; (3) all mandatory requirements of the NOFO are satisfied; and (4) the proposed project is responsive to the program objectives of the NOFO (program determination). If an applicant fails to meet the requirements or objectives of the NOFO, or does not provide sufficient information for review, the applicant will be considered non-responsive and eliminated from further review.

b. Comprehensive Merit Review

All applications that satisfactorily pass the initial review will be eligible for the Comprehensive Merit Review. Each criteria element will be scored on a 0-10 point scale:

10	Superior	(100 % of weighted average)
8	Good	(80 % of weighted average)
6	Satisfactory	(60 % of weighted average)
4	Marginal	(40 % of weighted average)
2	Poor	(20 % of weighted average)
0	Not Acceptable	(No score)

The following numerical rating values may be assigned: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1, and 0. The scoring of each criterion must be based on the strengths and weaknesses of the application narrative. To assist in assigning an appropriate score, the following will be used as a guideline:

Rating	Descriptive Statement
10	Superior: Applicant fully addresses all aspects of the criterion, convincingly demonstrates that it will meet the Government's performance requirements, and demonstrates no weaknesses.
8	Good: Applicant fully addresses all aspects of the criterion, convincingly demonstrates a likelihood of meeting the Government's requirements, and demonstrates only a few minor weaknesses.
6	Satisfactory: Applicant addresses all aspects of the criterion and demonstrates the ability to meet the Government's performance requirements. The Application contains weaknesses and/or a number of minor weaknesses.
4	Marginal: Applicant addresses all aspects of the criterion and demonstrates the ability to meet the Government's performance requirements. The Application contains significant weaknesses and/or a significant number of minor weaknesses.
2	Poor: Applicant addresses some aspects of the criterion and demonstrates some doubt in the likelihood of successfully meeting the Government's requirements. Significant weaknesses are demonstrated and clearly outweigh any strength presented.
0	Not Acceptable: Applicant does not address all aspects of the criterion and the information presented indicates a strong likelihood of failure to meet the Government's requirements.

c. Selection

The Selection Official will consider the merit review scores and recommendations, program policy factors, and the amount of funds available to select applications for funding. Program policy factors include: Historic properties must have been in service and have had a strong and direct association with Route 66 during its 1926-1985 period of national significance; be on, or within view of a Route 66 road alignment; be in their original location; and retain historical and architectural integrity. Consideration will be given to the location and type of project to ensure broad representation and diversity of the route's stories and places.

d. Discussions and Award

The Government may enter into discussions with a selected applicant for any reason deemed necessary, including, but not limited to: (1) only a portion of the application is selected for award; (2) the Government needs additional information to determine that the applicant is capable of complying with the requirements of DOI Financial Assistance Regulations, and/or (3) additional specific terms and conditions are required. Failure to satisfactorily resolve the issues identified by the Government may preclude award to the applicant.

3. Evaluation of Applicant Risk

In accordance with 2 C.F.R. § 200.205, applications selected for funding will be subject to a pre-award risk assessment which may include a review of information contained within the applicant's proposal, past audits, Federal Awardee Performance and Integrity Information System (FAPIIS), and/or past performance on previous Federal financial assistance awards. Negative information that leads to an applicant being designated as "Medium Risk" or "High Risk" may result in specific conditions, as identified in 2 C.F.R. § 200.207, being incorporated into the final award.

4. Anticipated Announcement and Federal Award Dates

Estimated date of Federal Award: On or before 09/30/2018

Estimated date notifying successful and unsuccessful applicants: 07/06/2018

Section F: Federal Award Administration Information

1. Federal Award Notices

Upon being selected for the award, successful applicants will receive a notification of the selection of their application for funding. NPS will notify the applicant selected for award by July 6, 2018. A notice of selection is not an authorization to begin performance on an agreement. This notice will detail the next steps in the awarding process. Once all clearances and reviews have been conducted, a cooperative agreement or grant will be sent for signature.

Work cannot begin before the non-Federal entity receives a fully executed copy of the grant/cooperative agreement which contains the signature of the Financial Assistance Awarding Officer. Any pre-award costs incurred prior to the receipt of a signed agreement or written notice signed by a Financial Assistance Awarding Officer authorizing pre-award costs, is at the applicant's own risk. A signed grant/cooperative agreement signed by a Financial Assistance Awarding Officer is the only authorizing document to begin performance.

Organizations whose applications have not been selected will be advised as promptly as possible.

2. Administrative and National Policy Requirements

a. Code of Federal Regulations (CFR)

By accepting Federal financial assistance, the non-Federal entity agrees to abide by the applicable Federal regulations in the expenditure of Federal funds and performance under this program: [2 C.F.R. Part 200](#) - Uniform Administrative Requirements, Cost Principles, and Audit Requirements For Federal Awards

b. Standard Award Terms and Conditions

Acceptance of a Federal financial assistance award from the Department of the Interior carries with it the responsibility to be aware of and comply with the terms and conditions of the award. Acceptance is defined as the start of work, drawing down funds, or accepting the award via electronic means. Awards are based on the application submitted to, and as approved by the Financial Assistance Awarding Officer. All financial assistance awards are subject to the terms and conditions incorporated either directly or by reference in the award document. Code of Federal Regulations/Regulatory Requirements, as applicable, are listed within Appendix B of this announcement (Contact the Financial Assistance Awarding Officer with any questions regarding the applicability of any terms and conditions).

- 2 C.F.R. Part 175 - Trafficking Victims Protection Act of 2000
- 2 C.F.R. Parts 182 & 1401 - Government-wide Requirements for a Drug-Free Workplace
- 2 C.F.R. Parts 180 & 1400 - Government-wide Debarment and Suspension (Non-procurement)
- 43 CFR. 18 - Restrictions on Lobbying

c. Order of Precedence

Any inconsistency in the agreement shall be resolved by giving precedence in the following order: (a) Any national policy requirements and administrative management standards; (b) 2 C.F.R. Part 200, in its entirety; (c) requirements of the applicable OMB Circulars and Treasury regulations; (d) special terms and conditions; (e) all agreement sections, documents, exhibits, and attachments; (f) and the non-Federal Entity's project proposal.

d. Modifications

The agreement may be modified by written agreement signed by both the non-Federal entity's Authorized Representative and the Financial Assistance Awarding Officer. Administrative changes (i.e. Financial Assistance Awarding Officer name change, etc.) which do not change the statement of work, agreement amount, etc., or otherwise affect the non-Federal entity may be signed unilaterally by the Financial Assistance Awarding Officer. Additionally, a unilateral modification may be utilized if it should become necessary to impose remedies for non-compliance, suspension or termination of the agreement in accordance with 2 CFR 200, Section 200.338 – 200.342.

All other changes shall be made by means of a bilateral modification to the agreement. No oral statement made by any person, or written statement by any person other than the NPS Financial Assistance Awarding Officer shall be allowed in any manner or degree to modify or otherwise effect the terms of the agreement.

e. Payments

All applicants must be registered in the System for Awards Management (SAM) prior to award under this NOFO. Instructions for registering for SAM are located at <http://www.sam.gov/portal/public/SAM>. All applicants must maintain an active SAM registration with current information at all times while they have an active Federal award or an application under consideration.

All applicants must also be registered with, and willing to process all payments through, the Department of the Treasury Automated Standard Application for Payments (ASAP) system. All non-Federal entities with active NPS financial assistance agreements must be enrolled in ASAP under the appropriate Agency Location Code(s) (ALC) and the Data Universal Number System (DUNS) Number prior to the award of funds. If a non-Federal has multiple DUNS numbers they must separately enroll within ASAP for each unique DUNS Number and/or Agency. Note that if your entity is currently enrolled in the ASAP system with an agency other than NPS, you must enroll specifically with NPS in order to process payments.

f. Funding Restrictions

All funding is contingent upon the availability and appropriation of funds by the United States Congress.

g. Cost Principles:

Costs must be allowable in accordance with the applicable Federal cost principles referenced in 2 CFR Part 200, Subpart E – Cost Principles.

h. Pre-award Costs:

Must comply with 2 CFR Part 200.458 and requires written approval from the Financial Assistance Awarding Officer.

3. Reporting

a. Financial Status Reports:

A report of expenditures is required as documentation of the financial status of awards according to the official accounting records of the non-Federal entity. The financial information will be reported by completing and submitting the Federal Financial Report (FFR), SF425. At a minimum, financial reports will be required annually and shall be submitted within 90 calendar days after the end of the annual reporting period. The Financial Assistance Awarding Officer may designate a reporting schedule requiring more frequent reporting based on the assessment of risk. The reporting requirements will be defined within the grant/cooperative agreement. A final FFR shall be submitted no more than 90 calendar days after the end date of the agreement.

The FFR can be downloaded at:

http://www.whitehouse.gov/omb/grants/standard_forms/ffr.pdf

The NPS Financial Assistance Awarding Officer will review the report for patterns of cash expenditures and assess whether performance or financial management problems exist. Before submitting the FFR to the NPS Financial Assistance Awarding Officer, the non-Federal entity must ensure that the information submitted is accurate, complete, and consistent with the non-Federal entity's accounting system. The non-Federal entity's Authorized Certifying Official's signature on the FFR certifies that the information in the FFR is correct and complete and that all outlays and obligations are for the purposes set forth in the agreement documents, and represents a claim to the Federal Government. b. Performance Reports:

A report of performance is required as documentation of performance towards the accomplishments of the Federal award and detailing project activity and participant profile information. Where the accomplishments of the Federal award can be quantified, a computation of the cost (for example, related to units of accomplishment) may be required if that information will be useful. Where performance trend data and analysis would be informative to the Federal awarding agency program, the Federal awarding agency should include this as a performance reporting requirement;
- (2) The reasons why established goals were not met, if appropriate; and
- (3) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

Filing false information may result in the imposition of civil or criminal penalties.

Non-compliance may result in withholding of future payments, suspension or termination of the agreement, recovery of funds paid under the agreement, and the withholding of future awards. Appendix B - NPS Standard and Special Award Terms and Conditions

This appendix provides the standard and special terms and conditions for financial assistance agreements awarded by the National Park Service to assist applicants in developing proposals in response to this Notice of Funding Opportunity. It is the responsibility of the non-Federal entity to review the final terms and conditions incorporated into any resulting financial assistance agreement at the time of award as the terms and conditions in this appendix are subject to change based on executive orders, changes to regulations, or changes to policy. Additional award specific terms and conditions may also be included in any resulting financial assistance agreement based on program requirements or evaluation of applicant risk.

1. PAYMENT

- A. Projects will be funded, subject to the availability of funds, by issuance of a grant agreement, cooperative agreement, or master cooperative agreement with subsequent task agreements. An agreement issued and signed by the NPS Financial Assistance Awarding Officer obligates NPS funds. Notification of a successful proposal does not constitute authority to incur costs. Once the grant agreement, cooperative agreement, and subsequent task agreements (*if applicable*) for a successful proposal has been signed by the NPS Financial Assistance Awarding Officer, the recipient may incur costs as specified in the approved budget submittal.
- B. **Method of Payment.** Payment will be made by advance and/or reimbursement through the Department of Treasury's Automated Standard Application for Payments (ASAP) system.
 - 1. **Requesting Advances.** Requests for advances must be submitted via the ASAP system. Requests may be submitted as frequently as required to meet the needs of the Financial Assistance (FA) Recipient to disburse funds for the Federal share of project costs. If feasible, each request should be timed so that payment is received on the same day that the funds are dispersed for direct project costs and/or the proportionate share of any allowable indirect costs. If same-day transfers are not feasible, advance payments must be as close to actual disbursements as administratively feasible.
 - 2. **Requesting Reimbursement.** Requests for reimbursements must be submitted via the ASAP system. Requests for reimbursement should coincide with normal billing patterns. Each request must be limited to the amount of disbursements made for the Federal share of direct project costs and the proportionate share of allowable indirect costs incurred during that billing period.
 - 3. **Adjusting Payment Requests for Available Cash.** Funds that are available from repayments to, and interest earned on, a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries, credits, discounts, and interest earned on any of those funds must be disbursed before requesting additional cash payments.

4. **Bank Accounts.** All payments are made through electronic funds transfer to the bank account identified in the ASAP system by the FA Recipient.
 5. **Supporting Documents and Agency Approval of Payments.** Additional supporting documentation and prior NPS approval of payments may be required when/if a FA Recipient is determined to be “high risk” or has performance issues. If prior Agency payment approval is in effect for an award, the ASAP system will notify the FA Recipient when they submit a request for payment. The Recipient must then notify the NPS Financial Assistance Awarding Officer that a payment request has been submitted. The NPS Financial Assistance Awarding Officer may request additional information from the Recipient to support the payment request prior to approving the release of funds, as deemed necessary. The FA Recipient is required to comply with these requests. Supporting documents may include invoices, copies of contracts, vendor quotes, and other expenditure explanations that justify the reimbursement requests.
- B. In order to receive a financial assistance award and to ensure proper payment, it is required that Recipient maintain their registration with the System for Award Management (SAM), accessed at <http://www.sam.gov>. Failure to maintain registration can impact obligations and payments under this Agreement and/or any other financial assistance or procurements documents the Recipient may have with the Federal government.
 - C. Any award beyond the current fiscal year is subject to availability of funds; funds may be provided in subsequent fiscal years if project work is satisfactory and funding is available.
 - D. **Allowable and Eligible Costs.** Expenses charged against awards under the Agreement may not be incurred prior to the beginning of the Agreement, and may be incurred only as necessary to carry out the approved objectives, scope of work and budget with prior approval from the NPS Financial Assistance Awarding. The Recipient shall not incur costs or obligate funds for any purpose pertaining to the operation of the project, program, or activities beyond the expiration date stipulated in the award.
 - E. **Travel Costs.** For travel costs charged against awards under the Agreement, costs incurred must be considered reasonable and otherwise allowable only to the extent such costs do not exceed charges normally allowed by the Recipient in its regular operations as the result of the Recipient’s written travel policy. If the Recipient does not have written travel policies established, the Recipient and its contractors shall follow the travel policies in the Federal Travel Regulation, and may not be reimbursed for travel costs that exceed the standard rates. All charges for travel must conform to the applicable cost principles.
 - F. **Indirect Costs.** Indirect costs will not be allowable charges against the award unless specifically included as a line item in the approved budget incorporated into the award.

- G. **Recipient Cost Share or Match.** Any non–Federal share, whether in cash or in–kind, is expected to be paid out at the same general rate as the Federal share. Exceptions to this requirement may be granted by the Financial Assistance Awarding Officer based on sufficient documentation demonstrating previously determined plans for or later commitment of cash or in–kind contributions. In any case, the Recipient must meet their cost share commitment over the life of the award.

2. PRIOR APPROVAL

Prior to beginning the work authorized herein, [Recipient Name] shall provide the NPS with confirmation of such insurance coverage.

If NPS determines in writing, after consultation with the Recipient that damage to the buildings or portions thereof renders such buildings unsuitable for continued use by the Recipient, NPS shall assume sole control over such buildings or portions thereof. If the buildings or facilities rendered unsuitable for use are essential for conducting operations authorized under this Agreement, then failure to substitute and assign other facilities acceptable to the Recipient will constitute termination of this Agreement by NPS.

Conflicts of interest include any relationship or matter which might place the Recipient or its employees in a position of conflict, real or apparent, between their responsibilities under the agreement and any other outside interests. Conflicts of interest may also include, but are not limited to, direct or indirect financial interests, close personal relationships, positions of trust in outside organizations, consideration of future employment arrangements with a different organization, or decision–making affecting the award that would cause a reasonable person with knowledge of the relevant facts to question the impartiality of the Recipient and/or Recipient's employees and Sub–recipients in the matter.

b) The Financial Assistance Awarding Officer and the servicing Ethics Counselor will determine if a conflict of interest exists. If a conflict of interest exists, the Financial Assistance Awarding Officer will determine whether a mitigation plan is feasible. (a) *Definitions.* As used in this clause—

“United States” means the 50 states and the District of Columbia.

“Worker”—

(1) Means any person engaged in performing work on, or in connection with, an agreement covered by [Executive Order 13658](#), and

(i) Whose wages under such agreements are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the Service Contract Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (Construction) statute (40 U.S.C. chapter 31, subchapter IV),

(ii) Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in [29 C.F.R. § 541](#),

(iii) Regardless of the contractual relationship alleged to exist between the individual and the employer.

(2) Includes workers performing on, or in connection with, the agreement whose wages are calculated pursuant to special certificates issued under [29 U.S.C. § 214\(c\)](#).

(3) Also includes any person working on, or in connection with, the agreement and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.

(b) *Executive Order Minimum Wage rate.*

(1) The non-Federal entity shall pay to workers, while performing in the United States, and performing on, or in connection with, this agreement, a minimum hourly wage rate determined by the Secretary of the Department of Labor on an annual basis (currently \$10.20 per hour as of January 1, 2017).

(2) The non-Federal entity shall adjust the minimum wage paid, if necessary, annually thereafter, to meet the Secretary of Labor's annual E.O. minimum wage. The Administrator of the Department of Labor's Wage and Hour

Division (the Administrator) will publish annual determinations in the Federal Register no later than 90 days before the effective date of the new E.O. minimum wage rate. The Administrator will also publish the applicable E.O. minimum wage on www.wdol.gov (or any successor Web site) and on all wage determinations issued under the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute. The applicable published E.O. minimum wage is incorporated by reference into this agreement.

(3) (i) The non-Federal entity may request a price adjustment only after the effective date of the new annual E.O. minimum wage determination. Prices will be adjusted only if labor costs increase as a result of an increase in the annual E.O. minimum wage, and for associated labor costs and relevant subaward costs. Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.

(ii) Subrecipients may be entitled to adjustments due to the new minimum wage, pursuant to paragraph (b)(2). Non-Federal entities shall consider any Subrecipient requests for such price adjustment.

(iii) The Financial Assistance Awarding Officer will not adjust the agreement price under this clause for any costs other than those identified in paragraph (b)(3)(i) of this clause, and will not provide duplicate price adjustments with any price adjustment under clauses implementing the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute.

(4) The non-Federal entity warrants that the prices in this agreement do not include allowance for any contingency to cover increased costs for which adjustment is provided under this clause.

(5) The non-Federal entity shall pay, unconditionally to each worker, all wages due free and clear without subsequent rebate or kickback. The non-Federal entity may make deductions that reduce a worker's wages below the E.O. minimum wage rate only if done in accordance with [29 C.F.R. § 10.23](#), Deductions.

(6) The non-Federal entity shall not discharge any part of its minimum wage obligation under this clause by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards statute, the cash equivalent thereof.

(7) Nothing in this clause shall excuse the non-Federal entity from compliance with any applicable Federal or State prevailing wage law or any applicable

law or municipal ordinance establishing a minimum wage higher than the E.O. minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.

(8) The non-Federal entity shall pay the E.O. minimum wage rate whenever it is higher than any applicable collective bargaining agreement(s) wage rate.

(9) The non-Federal entity shall follow the policies and procedures in [29 C.F.R. § 10.24](#)(b) and 10.28 for treatment of workers engaged in an occupation in which they customarily and regularly receive more than \$30 a month in tips.

(c) (1) This clause applies to workers as defined in paragraph (a). As provided in that definition—

(i) Workers are covered regardless of the contractual relationship alleged to exist between the non-Federal entity or subrecipient and the worker;

(ii) Workers with disabilities whose wages are calculated pursuant to special certificates issued under [29 U.S.C. § 214](#)(c) are covered; and

(iii) Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.

(2) This clause does not apply to—

(i) Fair Labor Standards Act (FLSA) – covered individuals performing in connection with contracts covered by the E.O., *i.e.* those individuals who perform duties necessary to the performance of the agreement, but who are not directly engaged in performing the specific work called for by the agreement, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such agreements;

(ii) Individuals exempted from the minimum wage requirements of the FLSA under [29 U.S.C. § 213](#)(a) and 214(a) and (b), unless otherwise covered by the Service Contract Labor Standards statute, or the Wage Rate Requirements (Construction) statute. These individuals include but are not limited to—

(A) Learners, apprentices, or messengers whose wages are calculated pursuant to special certificates issued under [29 U.S.C. § 214](#)(a).

(B) Students whose wages are calculated pursuant to special certificates issued under [29 U.S.C. § 214](#)(b).

(C) Those employed in a bona fide executive, administrative, or professional capacity ([29 U.S.C. § 213](#)(a)(1) and [29 C.F.R. § part 541](#)).

(d) *Notice.* The non-Federal entity shall notify all workers performing work on, or in connection with, this agreement of the applicable E.O. minimum wage rate under this clause. With respect to workers covered by the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, the Contractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers whose wages are governed by the FLSA, the non-Federal entity shall post notice, utilizing the poster provided by the Administrator, which can be obtained at www.dol.gov/whd/govcontracts, in a prominent and accessible place at the worksite. Non-Federal entities that customarily post notices to workers electronically may post the notice electronically provided the electronic posting is displayed prominently on any Web site that is maintained by the non-Federal entity, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

(e) *Payroll Records.*

(1) The non-Federal entity shall make and maintain records, for three years after completion of the work, containing the following information for each worker:

(i) Name, address, and social security number;

(ii) The worker's occupation(s) or classification(s);

(iii) The rate or rates of wages paid;

(iv) The number of daily and weekly hours worked by each worker;

(v) Any deductions made; and

(vi) Total wages paid.

(2) The non-Federal entity shall make records pursuant to paragraph (e) (1) of this clause available for inspection and transcription by authorized representatives of the Administrator. The non-Federal entity shall also make such records available upon request of the Contracting Officer.

(3) The non-Federal entity shall make a copy of the agreement available, as applicable, for inspection or transcription by authorized representatives of the Administrator.

(4) Failure to comply with this paragraph (e) shall be a violation of [29 C.F.R. § 10.26](#) and this agreement. Upon direction of the Administrator or upon the Financial Assistance Awarding Officer's own action, payment shall be withheld until such time as the noncompliance is corrected.

(5) Nothing in this clause limits or otherwise modifies the non-Federal entity's payroll and recordkeeping obligations, if any, under the Service Contract Labor Standards statute, the Wage Rate Requirements (Construction) statute, the Fair Labor Standards Act, or any other applicable law.

(f) *Access.* The non-Federal entity shall permit authorized representatives of the Administrator to conduct investigations, including interviewing workers at the worksite during normal working hours.

(g) *Withholding.* The Financial Assistance Awarding Officer, upon his or her own action or upon written request of the Administrator, will withhold funds or cause funds to be withheld, from the non-Federal entity under this or any other Federal agreement with the same non-Federal entity, sufficient to pay workers the full amount of wages required by this clause.

(h) *Disputes.* Department of Labor has set forth in [29 C.F.R. § 10.51](#), Disputes concerning non-Federal entity compliance, the procedures for resolving disputes concerning a non-Federal entity's compliance with Department of Labor regulations at [29 C.F.R. § 10](#). Such disputes shall be resolved in accordance with those. This includes disputes between the non-Federal entity (or any of its Subrecipients) and the contracting agency, the Department of Labor, or the workers or their representatives.

(i) *Antiretaliation.* The non-Federal entity shall not discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to compliance with the E.O. or this clause, or has testified or is about to testify in any such proceeding.

(j) *Subcontractor compliance.* The non-Federal entity is responsible for Subrecipient compliance with the requirements of this clause and may be held liable for unpaid wages due Subrecipient workers.

(k) *Subawards.* The non-Federal entity shall include the substance of this clause, including this paragraph (k) in all subawards, regardless of dollar value, that are subject to the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, and are to be performed in whole or in part in the United States.

(End of clause)
