Question 1:

The lead applicant has submitted their bid/proposal for the listed Notice of Funded Opportunity, and they have met the requirements of having a DUNS number, NCAGE Code and is registered on www.SAM.gov.

A sub-recipient they wish to work with and bring in their additional expertise; is the sub-recipient required to have a DUNS number, NCAGE Code and be registered on www.SAM.gov?

INL Response:

Although the sub-recipient is not required to have a DUNS number or be registered via [SAM.gov](http://www.SAM.gov), it is advised that the primary does request this information in order to minimize possible risks in working with a sub-recipients.
