

Attachment F- Activities/Indicators Tracker

Team Nutrition Training Grant for Innovative State Training Programs

Activities/Indicators Tracker

Proposed Activities and indicators measuring success must be mapped to Program Objectives (as described in Section II – Federal Award Information) in the below format. Additional Activities/Indicators can be added as needed.

Note: Indicators are defined as any metric you anticipate will be able to be tracked during the period of performance of the grant.

Objective #1:	Expand State-developed training programs to increase school nutrition professionals' knowledge, skills, and self-efficacy related to school meal quality.
