5.0 APPLICATION REVIEW INFORMATION

5.1 Criteria

All eligible and complete applications will be evaluated and scored competitively based on the scoring criteria and weights contained in [7 CFR 1783.9](https://www.ecfr.gov/current/title-7/chapter-I/subchapter-B/part-1783/subpart-9/section-1783.9), this Notice, and the FY26 RFP Application Guide. Failure to address any of the application criteria by the application deadline will result in the application being determined ineligible, and the application will not be considered for funding.

To be considered for administrative discretionary points, the applicant's work plan must include a separate section titled, "Administrative Points" and provide information outlined in [7 CFR 1783.9\(b\)\(7\)](https://www.ecfr.gov/current/title-7/chapter-I/subchapter-B/part-1783/subpart-9/section-1783.9(b)(7)), and the FY26 RFP Application Guide, as applicable. Applications may be awarded up to a total of 10 points for administrative discretionary information.

5.2 Review and Selection Process

RUS will provide the applicant written acknowledgement of receipt of application. The following actions will be taken:

- (a) Incomplete or ineligible applications as of the deadline for submission will not be considered. If an application is determined to be incomplete or ineligible, the applicant will be notified in writing.
- (b) Complete, eligible applications will be evaluated competitively by a review team, composed of at least three Agency employees. They will make overall recommendations based on the criteria provided in [7 CFR 1783.9](https://www.ecfr.gov/current/title-7/chapter-I/subchapter-B/part-1783/subpart-9/section-1783.9), this Notice, and the FY26 RFP Application Guide. Each application will receive a score

based on the averages of the reviewers' scores and discretionary points awarded by the RUS Administrator. RUS reserves the right to request additional information once an application is determined to be complete to minimize the risk of duplication of other federal efforts. The Agency reserves the right to offer the applicant less than the grant funding requested. At the discretion of RUS, low-scoring projects may not be awarded funding even if funding remains available.

(c) Applications will be ranked and grants awarded based upon the scoring results and funding availability. Regardless of the score an application receives, if RUS determines that the project is technically infeasible or ineligible, RUS will notify the applicant in writing and the application will receive no further action.

6.0 FEDERAL AWARD ADMINISTRATION INFORMATION

6.1 Federal Award Notices

(a) *Award Outcomes.* There are four possible outcomes following the submission of an application under the RFP Program. RUS reserves the right to make no grant awards if all applications are ineligible, incomplete, or do not meet the established program objectives and priorities. RUS may determine that the application is:

- (1) Eligible and selected for funding,
- (2) Eligible but offered less funds than requested,
- (3) Eligible but not selected for funding due to ranking of all applications by score, or
- (4) Ineligible for the grant.

(b) *Award Notices.* RUS will notify applicants selected for funding by an award letter accompanied by a grant agreement, which outlines the terms and conditions for the grant. Successful applicants will be required to execute documents appropriate to the project before funding will be advanced. Award documents specify the term of each award.

(c) *Payments and Reimbursements.* Pursuant to the grant agreement, grant funds will be released over the course of the grant period in reimbursement for the performance of eligible, approved activities, which do not duplicate similar federal efforts or tasks. Funding requests may be submitted for allowable costs up to monthly and must include the appropriate supporting documentation. The grant agreement will also include reporting and outline actions containing pre-approval requirements consistent with [7](#)

[CFR part 1783](#) and [2 CFR part 200](#) which if not met, may result in a delay in reimbursement, disallowance of expense, or a suspension of the grant.

(d) *Scope of Work*. The approved scope of work will be attached to the executed grant agreement. The grantee is responsible for ensuring that all contractual, legal, and program requirements are met prior to starting work. Any change in the scope of the project, budget adjustments of more than ten (10) percent of the total budget, or any other significant change in the project must be reported to and approved prior to the change by the Agency approval official by written amendment to the grant agreement. Any change not approved may be cause for termination of the grant.

6.2 Administrative and National Policy Requirements

(a) *Departmental requirements*. Applications should be prepared in conformance with Departmental and other applicable regulations including 2 CFR parts [25](#), [170](#), [180](#), [200](#), [400](#), 415 subparts [A](#) and [B](#), [417](#), [418](#), [421](#), and any successor regulations.

(b) *Geospatial Data*. Awardee, and any and all contracts entered into by the awardee with respect to the award, shall ensure that geospatial data required to be collected and provided to the agency, conforms with the requirements of USDA Department Regulation DR-3465-001 and the Geospatial Metadata Standards set forth in DM 3465-001, which can be obtained online at usda.gov/directives/dr-3465-001 and usda.gov/sites/default/files/documents/dm-3465-001.

Performance reporting, including applicable forms, narratives, and other documentation, are to be completed and submitted in accordance with the provisions of [7 CFR part 1783](#), [2 CFR part 170](#), and [2 CFR part 200](#), as well as the grant agreement. It will be the grantee's responsibility to demonstrate how the costs are associated to the goals and objectives of the award. Further, all grantees must submit an audit or financial information covering the defined period of performance as outlined in [2 CFR part 200](#).

An organization receiving Federal financial assistance also may not, in providing services funded by USDA, or in their outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
