

NOTICE of INTENT
to Award Discretionary Financial Assistance to a Single Source Without Competition

Award Data	Description
1. Single Source Justification Criteria	Oregon Department of Fish and Wildlife is uniquely qualified to carry out this agreement because they own and operate Bonneville hatchery which is integral to the exchange of production to be more sustainable. This is a continuation of an existing agreement that can only be accomplished with ODFW due to their downstream location and the available production capacity at ODFW and FWS facilities.
2. Recipient or Type(s) of Eligible Recipients	Oregon Department of Fish and Wildlife
3. Award Amount	\$130,000.00
4. Overview - Specific or Generic	This Cooperative Agreement supports Spring Creek fish production reprogramming objectives by ending early releases of tule fall Chinook from Spring Creek National Fish Hatchery and moving production of the tule fall Chinook to Oregon Department of Fish and Wildlife's Bonneville Hatchery. These changes will provide environmental and economic benefits.
5. FWS Point of Contact	Rich Johnson, U.S. Fish and Wildlife Service, Pacific Region, Fishery Resources, (503) 231-6835; rich_r_johnson@fws.gov
