Section 1. Project Summary

PROJECT GOALS AND OBJECTIVES

A. Project Goals – Enhance the experience of the Oregon and California National Historic Trails (NHTs) within Ash Hollow State Historical Park through collaborative interpretive and facility development.

B. Project Objectives –

a. Create a cooperative working relationship between NPS, Ash Hollow State Historical Park staff, and Ash Hollow volunteers to share resources and together accomplish the following project objectives
b. Evaluate park facilities and resources for NHT interpretive development, new trails, and signage

STATEMENT OF PUBLIC PURPOSE

The primary public purpose of this agreement and its associated cooperative project is to assist in the creation, promotion, facilitation, and/or improvement of the public's understanding of the cultural and historic significance of Ash Hollow State Historical Park, the national historic trail places and resources managed by the recipient, and other NHT places in central Nebraska. In addition, this project will add new recreational trails in a region with relatively little access to trails and outdoor recreation on public lands.

STATEMENT OF WORK SUMMARY

Enhance the experience of the Oregon and California National Historic Trails (NHTs) within Ash Hollow State Historical Park through collaborative interpretive and facility development.

RESPONSIBILITIES OF THE PARTIES

A. The recipient shall be responsible for the following items under this agreement:

1. The Recipient shall carry out the Statement of Work in accordance with the terms and conditions stated herein. The Recipient shall adhere to Federal, state, and local laws, regulations, and codes, as applicable.
2. Assign a representative who shall act as a technical liaison and primary point of contact with the NPS for the duration of the project.
3. Identify and assign Ash Hollow SHP staff and volunteers with capacity to work closely with NPS on specific tasks within the scope of work of this project.
4. Host NPS staff for up to 2 site visits, including guiding NPS staff to key locations within the park associated with this project, and collaborating with NPS to identify places, resources, and stories pertinent to the project.
5. Collaborate with NPS on use of the NPS Interpretive Process Model to identify key stories and universal concepts associated with the NHTs in the area, and write interpretive themes.
6. With NPS assistance, write text and locate images that support themes for use on wayside exhibits, lay out proposed

B. The NPS Responsibilities:

☑ A task agreement is proposed;

☐ A cooperative agreement is proposed;

therefore substantial involvement by NPS is anticipated during the period of performance of this agreement. In support of this agreement NPS will:

1. Monitor and provide Federal oversight of activities performed under this agreement. Monitoring and oversight includes review and approval of financial status and performance reports, payment request, and tasks identified below. Additional monitoring activities may include site visits, conference calls, and other on-site and off-site monitoring activities. At the Recipient's request, NPS may also provide additional technical assistance to the Recipient in support of the objectives of this agreement.

2. Substantial involvement by NPS is anticipated during the period of performance of this agreement. In support of this agreement NPS will be responsible for the following:

a. Assign a representative who shall act as a technical liaison and primary point of contact with Ash Hollow State Historical Park for the duration of the project.
b. Assign NPS interpretive and landscape architecture staff to provide technical assistance to NGPC staff and volunteers on specific tasks within the scope of work of this project

☐ A grant agreement is proposed, therefore no substantial involvement on the part of the NPS is anticipated for the successful completion of the statement of work. It is anticipated that involvement will be limited to actions related to monitoring project performance and technical assistance at the request of the recipient.

Section 2. Grants.gov Posting Determination

☑ The National Park Service intends to award a task agreement under a previously competed or single source justified award.

☐ The National Park Service intends to award a single source justified cooperative agreement. *Refer to Section 3 Single Source Justification.*

☐ The National Park Service intends to award a single source justified grant agreement. *Refer to Section 3 Single Source Justification.*

Section 3. Single Source Justification

NATIONAL PARK SERVICE
SINGLE SOURCE POLICY REQUIREMENTS

National Park Service Policy FAP&P 1443-2015-06 requires a written justification which explains why competition is not practicable. The justification must address one of the following criteria.

In order for an assistance award to be made without competition, the award must satisfy one or more of the following criteria:

(1) Unsolicited Proposal – The proposed award is the result of an unsolicited assistance application which represents a unique or innovative idea, method, or approach which is not the subject of a current or planned contract or assistance award, but which is deemed advantageous to the program objectives. The unsolicited proposal must demonstrate an innovative capability or concept not currently available to the government, and prepared without Government involvement. ;

(2) Continuation – The activity to be funded is necessary to the satisfactory completion of, or is a continuation of, an activity presently being funded, for which competition would have a significant adverse effect on the continuity or completion of the activity;

(3) Legislative intent – The language in the applicable authorizing legislation or legislative history clearly indicates Congress' intent to restrict the award to a particular recipient of purpose;

(4) Unique Qualifications – The applicant is uniquely qualified to perform the activity based upon a variety of demonstrable factors such as location, property ownership, voluntary support capacity, technical expertise, or other such unique qualifications. Successful past performance, familiarity with existing requirements, capabilities that can be obtained or matched by a competitor, or a positive reputation, are not considered to be unique qualifications.

(5) Emergencies – Program/award where there is insufficient time available (due to a compelling and unusual urgency, or substantial danger to health or safety) for adequate competitive procedures to be followed.

NPS did not solicit full and open competition for this award based the following criteria:

☑ Task Agreement issued under previously competed or single source master cooperative agreement per Section 2 above. Single Source Justification not applicable.

☐ Unsolicited Proposal ☐ Continuation ☐ Emergency

☐ Legislative Intent ☐ Unique Qualifications

Explanation of the proposed recipient's qualifications or the criteria of the proposed project which requires use of the single source criteria cited.

Section 4. Department of the Interior Secretary's Priorities

This award will support the following DOI Secretary priority(ies):

Other Key Initiatives:

- [ ] Employment of veterans.
- [ ] Supporting DOI Infrastructure needs.
- [ ] Creating jobs in the American economy.
- [x] Access to outdoor recreation opportunities.

Priority 1: Creating a conservation stewardship legacy second only to Teddy Roosevelt

- [ ] Utilize science to identify best practices to manage land and water resources and adapt to changes in the environment.
- [ ] Examine land use planning process and land use designations that govern public use and access.
- [ ] Revise and streamline the environmental and regulatory review process while maintaining environmental standards.
- [ ] Review DOI water storage, transportation, and distribution systems to identify opportunities to resolve conflicts and expand capacity.
- [ ] Foster relationships with conservation organizations advocating for balanced stewardship and use of public lands.
- [ ] Identify and implement initiatives to expand access to DOI lands for hunting and fishing.
- [ ] Shift the balance towards providing greater public access to public lands over restrictions to access.

Priority 2: Utilizing our natural resources

- [ ] Ensure American energy is available to meet our security and economic needs.
- [ ] Ensure access to mineral resources, especially the critical and rare earth minerals.
- [ ] Refocus timber programs to embrace the entire 'healthy forests' lifecycle.
- [ ] Manage competition for grazing resources.

Priority 3: Restoring trust with local communities

- [ ] Be a better neighbor with those closest to our resources by improving dialogue and relationships with persons and entities bordering our lands.
- [ ] Expand the lines of communication with Governors, state natural resource offices, Fish and Wildlife offices, water authorities, county commissioners, Tribes, and local communities.

Priority 4: Ensuring sovereignty means something

- [ ] Support tribal self-determination, self-governance, and sovereignty.
- [ ] Solidify mutual interests between the U.S. and the freely associated states and territories.

Priority 5: Generating additional revenues to support DOI & National interests

- [ ] Ensure that the public receives the full market value for the natural resources produced on Federal lands.
- [ ] Ensure that fees or costs levied for DOI services are reasonable and targeted to achieve cost recovery.
- [ ] Consider the impact of DOI decisions on economic development and job creation.

Priority 6: Protecting our people and the border

- [ ] Actively support efforts to secure our southern border.
- [ ] Ensure DOI law enforcement staffing addresses public safety risks anticipated on DOI land.
- [ ] Promote a "public service" demeanor within our law enforcement community.

Priority 7: Striking a regulatory balance

- [ ] Reduce the administrative and regulatory burden imposed on U.S. industry and the public.
- [ ] Ensure that Endangered Species Act decisions are based on strong science and thorough analysis.

Priority 8: Modernizing our infrastructure

- [ ] Support the White House Public/Private Partnership Initiative to modernize U.S. infrastructure.
- [ ] Remove impediments to infrastructure development and facilitate private sector efforts to construct infrastructure projects serving American needs.
- [ ] Prioritize DOI infrastructure needs to highlight:
    1. Construction of infrastructure;
    2. Cyclical maintenance;
    3. Deferred maintenance.

Priority 9: Reorganizing for the next 100 years

☐ Improve alignment and integration of the DOI organizational structure. Redistribute organizational resources (people and funding) to enhance mission achievement and improved public service.

☐ Improve organizational alignment with Executive Branch counterparts with major land management assets or influence.

Priority 10: Achieving our goals and leading our team forward

☐ Senior executives are expected to provide leadership in achieving goals of the President and the Secretary.

☐ The Management Team is expected to:

1. Ensure cost-effective operations and quality service to the public;
2. Facilitate organizational cooperation and conflict resolution;
3. Ensure the workplace environment is conducive to employee productivity and safety;
4. Hold individuals accountable for actions that violate DOI policies and requirements.

The proposed project does not support any of the DOI Secretary priorities, but the project is being funded for the following reasons:
