PURPOSE/OBJECTIVE:

The objectives of this agreement are to provide education outreach opportunities to the Northwest Arkansas Metro Area in cooperation with the USFWS, thus establishing a Service outreach presence in the NWA Metro Area. The Ozark Tracker Society will provide 8 Tier Level 1 programs, 2 Tier Level 2 programs, and 1 Tier Level 3 program with Service participation in at least 75% of the programs offered. This project will benefit the public by providing Deep Nature Connection experiences to the public in the NWA Metro Area.
