Description:

2025 Notice of Funding Opportunity No. SB-OEDSB-2026-003

U.S. Small Business Administration / Office of Entrepreneurial Development Small Business Development Centers (OSBDC)

OPENING DATE: August 10, 2026

CLOSING DATE: September 9, 2026

The U.S. Small Business Administration (SBA) issues Notice of Funding Opportunity No. OEDSB-26-003 to invite an application from the states of Delaware, Michigan, or Ohio that have experience providing cyber security training.

The U.S. Small Business Administration (SBA) is offering up to \$500,000 in a single grant award for an impactful and inclusive approach to support a collaborative national innovative Cyber Certification Program to advance cyber resources for SBA Resource Partners from idea to implementation.

The 2026 Cyber Certification Program will promote strategic cyber ecosystem partnerships to build and/or expand community and organizational capacity for the successful development, launch, and management and/or continuation of a sustainable Cyber Certification Program for SBA Resource Partners.

SBA is particularly interested in collaborative efforts (community, regional, statewide, industry sector, etc.) that may serve as best practices and models of cyber small business assistance. The Applicant is encouraged to design and develop innovative programs and services to address the purpose of this Project.

Questions about this Notice of Funding Opportunity should be directed to Traci.Giddens@sba.gov or Teresa.Clouser@sba.gov at the Office of Small Business Development Centers.
