28. Is there a particular program element (PE) is assigned for the RDTE funding on MHSR grant?

The FY23 MHSR fund targets 6.3 (BA3)

29. Can a PI submit one LOI and be a consultant on a second LOI? Can a consultant be listed on more than two LOIs? Would that have any impact on the invitation for full application submission?

A PI can submit one LOI and also be a consultant on a second LOI. We don't see any impact on the invitation of full proposal submission as long as the LOI application meets all requirements stated in the FY23 NOFO.

Yes, a consultant can be listed on more than two LOIs as long as the LOI application meets all requirements stated in the FY23 NOFO.

30. Can we include an individual from a for-profit company as a subcontract to our proposal from our academic institution or university?

An individual from a for-profit company or industry could be included as a consultant or as a sub to the proposal(s) that will be submitted by your academic institution or university as long as the LOI application meets all requirements stated in the FY23 NOFO.
