Additional Questions and Answers

23. **Question: Would you please confirm if multiple submissions from our university are allowed or if the program limits only one applicant to submit from the same institution?**

As stated on page 7 of the FY23 NOFO, an eligible PI may submit up to two (2) LOIs for consideration, but only one (1) LOI may be selected for submission of full proposal under this announcement. There are no institutional limitations.

24. **Question: Can you clarify if PI transition plan and command letters of support are required for LOI application and the full proposal submission?**

The PI transition plan and command letters of support are required for invited full proposal submission, which are not mandatory for the LOI submission. You can submit 1-2 LOIs without the PI transition plan and command letters of support for this time.

25. **Can you clarify the closing date for the LOI and the closing date for the full proposal submission?**

The closing date or deadline for the LOI submission is: Tuesday May 3, 2022 (11:59 p.m. EST). The LOI application should be emailed to: dha.ncr.j-9.mbx.hsr@mail.mil. The closing date or deadline for the invited full proposal submission is: Tuesday July 12, 2022 (11:59 p.m. EST)
