26. Relating to the 23-DHA-MHRS, is there a budget limit for submission?

There is no budget limit for each submission. However, a total $10 million of FY23 Research and Development funding (2-year funding) is anticipated for approximately 10-20 proposals.

27. Can you please clarify if Co-PIs are allowed for these projects? The LOI template seems to suggest it is allowed.

Yes, co-PIs are allowed, but as stated 'an eligible PI may submit up to two (2) LOIs for consideration, but only one (1) LOI may be selected for submission of full proposal under this announcement. If more than one PI is listed, no other LOIs would be selected under their names.
