**AMENDMENT NO. 02 to
The Notice of Funding Opportunity (NFO) No. RFA-674-16-000004
Botswana Comprehensive Care and Support for Orphans and Vulnerable Children**

March 17, 2016

Ladies and Gentlemen:

The subject amendment is being issued to remove the requirement for the use of highly skilled U.S. volunteers in the subject project. Therefore, the following revisions are being made to the NFO:

- Page 38, delete the last section on US Volunteers; and
- Page 48, delete the evaluation sub-criterion #3 and revise the maximum points assigned to criterion #2, sub-criterion #1, from 10 to 15 points.

All other terms and conditions of the NFO remain unchanged.

Sincerely,

A handwritten signature in blue ink that reads "JR Faber".
