CCFP Cooperative Agreement NOFO

The Federal Motor Carrier Safety Administration (FMCSA) pre-recorded a funding conference webinar for the following Notice of Funding Opportunity (NOFO) posted on Grants.gov:

- **Crash Causal Factors Program (CCFP) Cooperative Agreement**

To access this pre-recording, please visit:

<https://www.fmcsa.dot.gov/fy26grantfundingopportunities>

FMCSA will also host a **live Office Hours session** on **Thursday, November 12, 11am–12pm EST**. Registration is required. Please register for this session here:

https://usdot.zoomgov.com/meeting/register/Xqh_yEXmRcS307zXDBNuZQ

Important Guidelines for the Office Hours Session

To ensure fairness and consistency for all applicants, FMCSA staff will adhere to the following boundaries:

- Staff can clarify information included in the NOFO.
 - Staff cannot assist with application development, including reviewing or editing proposal language.
 - Questions related specifically to eligibility should be submitted via email to the appropriate grant program managers; these will be addressed outside of the live sessions.
-

If you have not viewed the FMCSA Discretionary Grant Program Technical Assistance webinars, please view at: <https://www.fmcsa.dot.gov/grantswebinars> to assist with preparing an application. These webinars were developed for other FMCSA discretionary grants, but the process is very similar for the CCFP Cooperative Agreement Program.

Please note that participants should **fully read** the NOFO **before** the live Office Hours session to familiarize themselves with the current and relevant information.

FMCSA looks forward to addressing your questions.
