Program Objectives:

The proposed program, a collaboration between the U.S. Embassy in Algiers, the Ministry of Youth and Sports, and the Algerian Fencing Federation, aims to empower Algerian fencers by providing them with opportunities to advance both academically and athletically. This initiative includes a weeklong camp featuring U.S. university coaches and scouts, offering "train-the-trainer" programs for local coaches, and identifying talented athletes for scholarship opportunities in the United States. The program also seeks to inspire young athletes by including renowned U.S. fencers, fostering cultural exchange and inclusivity. Through formalized partnerships and ongoing development efforts, the program aspires to create a sustainable model for nurturing fencing talent in Algeria. The proposal must outline and meet the following objectives:

4. **Strengthen Community Engagement and Awareness:** Increase local engagement and awareness of fencing in Algeria by organizing tournaments and exhibitions, featuring both local and international athletes, to showcase the sport's potential and the program's benefits.
5. **Ensure Long-term Sustainability and Impact:** Secure the program's long-term sustainability through formalized partnerships, continuous professional development for coaches, and the creation of an alumni network to mentor future athletes, while regularly monitoring and evaluating the program's impact.

Participants and Audiences:

The **targeted audience** for the program includes young Algerian fencers, particularly those seeking opportunities to further their academic and athletic careers in the United States. I do not wish to obtain a CAGE or NCAGE code. I understand that I will need to submit my registration after this incident is resolved in order to have my registration activated."

Organizations based outside of the United States and that DO NOT plan to do business with the DoD should follow the below instructions:
