## D. U.S. DEPARTMENT OF STATE RESPONSIBILITIES

The U.S. Department of State (hereinafter referred to as the Department) has overall responsibility for Department-funded awards, including providing oversight for technical, programmatic, financial and administrative performance.

### Grants Officer (GO):

Authorized by a warrant issued by the Department’s Senior Procurement Executive, the GO is responsible for all actions on behalf of the Department, including entering into, amending, or terminating the award. In addition, the GO is responsible for the administrative coordination and liaison with the recipient. The GO is the only person authorized to approve changes to any of the requirements in the award.

### Grants Officer Representative (GOR):

In accordance with Department policy, the GO is responsible for all aspects of the award but may designate technically qualified personnel to assist in the administration of grants. The GOR is delegated by the GO and responsible for the programmatic, technical, and/or scientific aspects of the award. The recipient should direct all correspondence related to programmatic and budgetary issues to both the GO and GOR.

## E. RECIPIENT RESPONSIBILITIES AND COMPLIANCE WITH FEDERAL REQUIREMENTS

The recipient is responsible for notifying the Department of any significant developments relating to the administrative, programmatic or financial aspects of the award. Significant developments includes both adverse and beneficial events that impact the award. The recipient has full responsibility for the management of the project or activity supported under the award and for adherence to Federal regulations, the award provisions, and these terms and conditions. Although the recipient is encouraged to seek the advice and opinion of the GO and/or the GOR on special problems that may arise, such advice does not diminish the recipient’s responsibility for making prudent and sound administrative judgments under the circumstances prevailing at the time the decision was made and should not imply that the responsibility for operating decisions has shifted to the Department.

In addition to the requirements specified in [2 CFR 200.332](#), these terms and conditions flow down to all subrecipients and must be included in the recipient’s subaward instrument. Depending on the type of entity, all subrecipients and subcontractors are subject to the Federal regulations specified in provision C–*Applicability* of these terms and conditions.

Nothing in this provision alters the recipient’s responsibility for conduct of the project and compliance with all applicable laws and regulations.

## **F. UNIVERSAL IDENTIFIER AND SYSTEM OF AWARD MANAGEMENT**

In compliance with [2 CFR 25.220](#), the Department has adopted the Award term—System for Award Management and Universal Identifier Requirements which is applicable to both recipients and subrecipients. The full text of this award term is included as [Appendix 1](#) to these terms and conditions.

## **G. REPORTING SUBAWARD AND EXECUTIVE COMPENSATION INFORMATION**

In compliance with [2 CFR 170.220](#), the Department has adopted the Award term—Reporting Subawards and Executive Compensation. The full text of this award term is included as [Appendix 2](#) to these terms and conditions.

Awards that are deemed “sensitive”, and therefore do not require Federal Funding Accountability and Transparency Act (FFATA) reporting, will be designated in the award provisions stating that the award is not subject to the FFATA subaward reporting requirements as outlined in the Office of Management and Budgets (OMB) guidance issued August 27, 2010.

## **H. AWARD TERM FOR TRAFFICKING IN PERSONS**

2. Terminate or void in whole or in part any subaward or contract with a person or entity listed in the System for Award Management ([SAM.gov](#)) as a prohibited or restricted source pursuant to subtitle E of Title VIII of the NDAA for FY 2015, unless the Department of State provides written approval to continue the subaward or contract.

## II. Additional Access to Recipient Records

The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under the award.

For purposes of this section:

One exception to this requirement is transportation provided under a bilateral or multilateral air transport agreement, known as an "Open Skies Agreement," to which the U.S. Government and the government of a foreign country are parties, and which the Department of Transportation has determined meets the requirements of the Fly America Act.

Current "Open Skies Agreements" that are in effect can be found here:

It is the recipient's responsibility for making determinations and documenting the decision as to whether an exemption to this requirement applies.

## **P. MANDATORY DISCLOSURE**

Consistent with [2 CFR 200.113](#), an applicant, recipient, or subrecipient of a Federal award must promptly disclose whenever, in connection with the Federal award (including any activities or subawards thereunder), it has credible evidence of the commission of a violation of Federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in Title 18 of the United States Code or a violation of the civil False Claims Act (31 U.S.C. 3729–3733). Recipients and subrecipients are also required to report matters related to recipient integrity and performance in accordance with Appendix XII of this part. Failure to make required disclosures can result in any of the remedies described in § 200.339. Disclosures must be made, in writing to the

The recipient must disclose any conflict of interest, including organizational conflicts of interest, and the recipient's approach for resolving the conflict of interest to the GO for the award within ten (10) calendar days of the discovery of the conflict of interest. Upon notice from the recipient of a potential conflict of interest and the approach for resolving it, the GO will make a determination regarding the effectiveness of the recipient's actions to resolve the conflict of interest within thirty (30) calendar days of receipt of the recipient's notice, unless the GO advises the recipient that a longer period is necessary. The recipient must not request payment from the Department for costs associated with the conflict of interest in question pending notification of the GO's determination. The recipient's failure to disclose a conflict of interest may result in cost disallowances.

## **R. RESTRICTIONS ON LOBBYING**

In accordance with [31 USC 1352](#), the recipient is required to abide by the policy and procedures codified at [22 CFR 138 et seq.](#) By accepting the award, the recipient agrees that:
