AGENCY: Environmental Protection Agency (EPA)

TITLE: Development and Management of the National Small Business Ombudsman/Small Business Environmental Assistance Provider 507 Program Website (RFP)

ACTION: Request for Proposal (RFP) Amendment No. 1

RFP NO: EPA-OA-OSBP-15-01

CFDA: 66.034

DATE: December 10, 2014

SUMMARY: This notice makes two corrections, as follows:

Correction #1 – This amendment corrects and clarifies language that was mistakenly included in this RFP. Section 4, part B-2, under "Narrative Proposal", the Project Title for the Cover Letter has been fixed with proper language that pertains to the work for the development and management of the National 507 website.

The Cover Letter Project Title now reads: Indicate that the proposal package is for the Development and Management of the National Small Business Ombudsman/Small Business Environmental Assistance Provider 507 Program Website.

Correction #2 – This amendment corrects and clarifies the project period for awards resulting from this announcement (found in section 2, part E of the RFP) is estimated to begin in spring 2015. Proposed project periods may be up to five years.

The RFP originally stated the award was to be made in January 2015 but January 21, 2015 is the closing date when all proposals must be into EPA.
