Question 1:

The NOFO states that "Applicants should budget for office space in Peru." Does this mean projects are required to have an office in Peru? Can in-country activities by local partners substitute for/reflect this?

INL Response:

Either the applicant or their partner(s)/sub-grantee(s) should have an office in Peru.

Question 2:

In the NOFO objectives, are independent media/media outlets included under "CSOs"? Can we adjust the language of the objectives to explicitly include media?

INL Response:

Yes, media will be considered under CSOs and the objectives in the proposal can be revised accordingly.

Question 3:

Are attachments included in the proposal narrative's 20 page maximum? (Specifically, the Performance Monitoring Plan; Project Risk Analysis; Timeline; and/or Organization, Staff, and Partners)

INL Response:

The Performance Monitoring Plan; Project Risk Analysis; Timeline; and/or Organization, Staff, and Partners sections are not included in the 20-page proposal narrative max. Please refer to the page max for each section in Section D.2. of the NOFO.

Question 4:

Should the PIRS be submitted as a separate Excel document? The INL Performance Indicator Reference Sheet template is provided in Appendix A.

INL Response:

The PIRS can be submitted as a separate Excel document or combined into one document with the rest of the project proposal per the instructions in Section D.2. of the NOFO.

Question 5:

Can text boxes, tables, footnotes, footers be smaller than 12-point font (e.g., 10-point)?

INL Response:

Yes
