

Attachment B - Activities/Indicators Tracker

Proposed Activities and indicators measuring success must be mapped to Program Objectives (as described in Section I – PROGRAM DESCRIPTION) in the below format. Additional Activities/Indicators can be added as needed. Indicators are defined as any metric anticipated to be tracked during the period of performance of the grant. This could include: Number of school nutrition professionals trained (at ICN and locally), number of recipes standardized per the USDA guidance, and student acceptance of new menu items.

Objective #1:	Increase State agency capacity to develop and evaluate standardized recipes, per the USDA guidance.
