Eligible Applicants:

The purpose of this Program Announcement is to invite proposals for funding from eligible non-profit organizations, local and state agencies and institutions of higher learning to further build their capacity to market and deliver their existing entrepreneurship training program(s) to women service members and veterans as well as women military spouses who aspire to be small business owners or currently own a small business.

Description:

The eligible applicants with established training programs provide entrepreneurship training to female veteran small business owners and entrepreneurs, to female transitioning service members and to spouses of veterans with outcomes that reflect new business starts, job creation/retention, and income generation that results in the establishment of and expansion of existing small firms owned by female veterans and spouses of veterans.

WVETP-2020-01

U.S. Small Business Administration/Office of Veterans Business Development (OVBD)
