

USAID/Pakistan issued a Request for Information RFI-AID-OAA-16-HSS-SD on August 31, 2016 on www.grants.gov asking for feedback on the two proposed activities 1) Integrated Service Delivery Initiative (ISDI) and Health Systems Strengthening II (HSSII). During the design process in October 2016, the Mission decided to combine these two activities into a single procurement entitled “Integrated Health Systems Strengthening and Service Delivery Activity (IHSS/SD Activity)” after extensive consultations with technical experts from USAID/Washington's Global Health Bureau, discussions among the USAID/Pakistan health team, and feedback from the RFI process. No response is required on this update.
