Subject: Request for Information No. 7200AA25RFI00003: NextGen Medical Product Quality Assurance and Production Systems

To: All Interested Respondents/Parties:

The United States Agency for International Development (USAID) through the Bureau for Global Health (GH) is publishing this Request for Information (RFI) to obtain information and input from all interested parties for the NextGen Medical Product Quality Assurance and Production Systems activity. The information may be used to help make planning decisions and influence activity design to improve future development outcomes. The elements described in this RFI are associated with the previously released RFI No. 7200AA23RFI00015, released on September 29, 2023.

This RFI is issued solely for information-gathering and planning purposes. This RFI does **not** constitute a Request for Applications (RFA) or a Request for Proposals (RFP). Responses to this RFI are **not** applications or official proposals and will in no way form any binding agreement with the RFI-issuing authority. Please do **not** submit applications, proposals, or resumes, as they will be discarded. USAID may use any information provided without incurring any obligation and proprietary information should not be submitted. USAID reserves the right to, or not to incorporate any, some, or none of the comments received from this RFI into any subsequent solicitations or design documents.

Anticipated Term: 5 Years

Anticipated Mechanism: Cooperative Agreement

THIS IS NOT A FUNDING OPPORTUNITY. This RFI must not be construed as a commitment by the U.S. Government to issue any solicitation, award any grant, or pay for any information submitted as a result of this request for information. Responders are solely responsible for bearing all expenses associated with preparation and submission of the response to this RFI.

It is the potential responder's responsibility to monitor this site for the release of any further information. Responding to this RFI will not provide any advantage to any organization in any subsequent procurement. USAID appreciates and encourages responses from all types of organizations. Any information submitted in response to this notice is voluntary.

General Instructions (Please see ATTACHMENT 2 for specific response submission instructions)

Through this RFI, USAID seeks brief responses to a set of specific questions from the public regarding the attached draft program description for a potential medical product quality assurance and production systems strengthening activity.

- Please review ATTACHMENT 1: DRAFT PROGRAM DESCRIPTION
- Please review ATTACHMENT 2: REQUEST FOR INFORMATION (RFI) RESPONSE INSTRUCTIONS AND QUESTIONS for specific submission instructions. **Please review carefully and follow all instructions.** Please note that the original RFI ATTACHMENT 2 listed an incorrect email address and has been updated – please ensure that all submissions and re-submissions are made to ohs_marketresearch@usaid.gov.
- Please review ATTACHMENT 3: RESPONSE TEMPLATE/STRUCTURE as a template for your response.

Thank you for your interest and taking the time to respond to this RFI. Please visit www.workwithusaid.org to learn more about partnering with USAID.
