**Department of Health & Human Services
Administration for Children and Families**

Funding Opportunity Title:	Family Self-Sufficiency Demonstration Development Grants
Announcement Type:	Initial
Funding Opportunity Number:	HHS-2021-ACF-OPRE-PE-1944
Primary CFDA Number:	93.595
Due Date for Letter of Intent:	06/02/2021
Due Date for Applications:	07/02/2021

Executive Summary

Notice:

- **Applicants are strongly encouraged to read the entire funding opportunity announcement (FOA) carefully and observe the application formatting requirements listed in *Section IV.2. Content and Form of Application Submission*. For more information on applying for grants, please visit "How to Apply for a Grant" on the ACF Grants & Funding Page at <https://www.acf.hhs.gov/grants/howto>.**

The Office of Planning, Research, and Evaluation (OPRE) within the Administration for Children and Families (ACF) announces the availability of funds for the Family Self-Sufficiency Demonstration Development Projects to support planning for and execution of evaluation-related activities by eligible entities that serve low-income families with children. These cooperative agreements are intended for entities looking to strengthen and evaluate coordinated, client-centered approaches to improving family self-sufficiency. Participating organizations will not only contribute to the evidence base on interventions serving low-income families with children but also increase their capacity to conduct research and evaluation, use data to improve program outcomes, and demonstrate the value of their program to stakeholders. OPRE seeks grantees who aim to develop and assess multi-faceted approaches to improve family self-sufficiency and well-being and who are part of the network of services available to families eligible for or at risk of becoming eligible for Temporary Assistance for Needy Families (TANF). Interventions should target outcomes related to employment (e.g., removing barriers to employment, increased earnings, career advancement) and at least one other outcome related to family well-being, such as education, health, food security, financial security, or social capital. The goal of this funding is to help grantees advance toward developing comprehensive, evidence-informed interventions that improve client outcomes. Funds may not be used for program services (i.e., cash assistance, support services, etc.). Grantees should, at minimum, have conceptualized an intervention to improve self-sufficiency among low-income families, including TANF eligible families, and have an interest in ultimately evaluating that intervention. Grantees will work with a federally funded, third-party evaluation technical assistance (TA) provider who will provide tailored support to recipients to further develop and move toward evaluating their interventions. For example, grantees who are in the early stages of

designing an intervention may receive support to create a program logic model, while grantees who have already implemented an intervention may receive support to design and execute a pilot evaluation. These 24-month cooperative agreements, with two 12-month budget periods, can fund program design, evaluation planning, and small-scale studies to assess demonstrations' implementation or effectiveness.

I. Program Description

Statutory Authority

Title IV, part A, Section 413 of the Social Security Act, 42 U.S.C. §613

Description

A. Background

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) established the TANF program to replace the Aid to Families with Dependent Children (AFDC) program. The four statutory purposes of TANF are to:

1. Provide assistance to needy families so that children can be cared for in their own homes;
2. End the dependence of needy parents on government benefits by promoting job preparation, work, and marriage;
3. Prevent and reduce the incidence of out-of-wedlock pregnancies; and
4. Encourage the formation and maintenance of two-parent families.

States, tribes, and U.S. territories receive federal TANF funding in the form of a block grant, which provides broad flexibility in the design and implementation of TANF programs. Federal TANF funds and the required state match (known at the “maintenance of effort” funds) can be spent on any activity reasonably calculated to achieve one or more of the above-referenced purposes of TANF. TANF eligibility varies by state/tribe/territory and is determined based on income and other household characteristics. More information about the TANF program can be found at <https://www.acf.hhs.gov/ofa/programs/temporary-assistance-needy-families-tanf>.

The Administration for Children and Families (ACF) within the U.S. Department of Health and Human Services (HHS) administers the TANF program and supports efforts by eligible entities to create client-centered, coordinated approaches to more efficiently and effectively serve low-income individuals and families, including TANF-eligible families. ACF aims to identify service providers building responsive service delivery approaches that are tailored to participants' varied needs as part of the network of services available to families eligible for or at risk of becoming eligible for TANF. ACF is interested in coordinated approaches designed to improve outcomes related to employment and one or more additional outcome related to family well-being such as education, health, food security, financial security, or social capital. Through research and evaluation, ACF and its partners can learn how to make TANF and related services as effective as possible. It is ACF's policy to integrate both use of existing evidence and opportunities for further learning into activities. ACF supports an approach to ensure that resources are directed toward practices with the strongest evidence while still fostering innovation. In this FOA, ACF aims to invest in programs offering promising models and

approaches. This FOA targets program initiatives in the early stages of development (e.g., organizations with an idea for an intervention that has not been implemented) and those that are closer to being ready for full-scale evaluation (e.g., organizations with a program that has been implemented but the program or program components have not yet been part of a rigorous evaluation).

Where an evidence base is lacking, ACF is committed to building evidence through strong evaluations. OPRE studies ACF programs and the populations they serve through rigorous research and evaluation projects. OPRE also has a long history of supporting efforts to build research and evaluation capacity among state and local human services agencies through the provision of evaluation TA. For example, ACF and its contractor developed the Learn, Innovate, Improve (LI2) framework (<https://www.acf.hhs.gov/opre/report/learn-innovate-improve-li2-enhancing-programs-and-improving-lives>). LI2 is a research-informed approach to program improvement that embeds analytic methods in the design and implementation of an initiative and incorporates iterative testing of program changes. These and other related efforts aim to support TANF and other human services agencies in becoming better users and producers of high-quality research in order to improve programs for low-income individuals and families.

The Family Self-Sufficiency Demonstration Development Grants will complement prior evaluation TA efforts to support continued improvement of services to low-income families through evidence generation. Under this FOA, ACF seeks to identify eligible entities implementing multi-faceted approaches to support family economic self-sufficiency and well-being that are interested in enhancing their organization's research and evaluation capacity. This FOA seeks potential applicants that collaborate with one or more state or local social services agencies that administer or coordinate with TANF-funded services.

B. Purpose and Scope

The purpose of this FOA is to support grantees in planning and conducting research and evaluation activities related to interventions that support low-income families with children, including TANF-eligible families, on the path to self-sufficiency. Thoughtful planning and preparation is a critical first step for engaging in any meaningful evaluation activities. ACF recognizes that interested applicants to this FOA may be in various phases of readiness for participation in rigorous evaluation; however, interested applicants at any phase are encouraged to apply. For example, an interested applicant may be in the early stages of designing an intervention, while another interested applicant may have implemented an intervention but not evaluated all or part of it. ACF is particularly interested in organizations whose programs or program components have not undergone a large-scale, rigorous evaluation and would benefit from assistance in taking preliminary steps toward being able to engage in evaluation-related activities.

Through this FOA, ACF seeks to work with organizations implementing approaches to better serve low-income families with children, especially those implementing coordinated, client-centered approaches to improve family economic self-sufficiency as part of the network of services available to families eligible for or at risk of becoming eligible for TANF. Consistent with the statutory purposes of TANF, interventions should primarily target outcomes related to employment (or removing barriers to employment) and at least one other outcome related to family well-being such as education, health, food security, financial security, social capital, or

other relevant domains. Interventions that rely on coordination across multiple programs, agencies, or funding sources are of particular interest.

Examples of the types of interventions that are of interest to ACF include, but are not limited to, the following:

- Career pathways programs;
- Employment coaching programs with a focus on social capital development;
- Programs that use a two-generation approach to support employment and child development;
- Integrated case management programs;
- Programs that incorporate behavioral nudges to increase client engagement;
- Programs that address barriers to employment, such as mental health or homelessness; and
- Centralization of multiple service programs or agencies in one location.

Grantees funded under this FOA will be required to work closely with ACF and its third-party evaluation TA provider to use evidence-informed approaches to strengthen their intervention and conduct initial activities necessary to prepare for testing the effectiveness of the intervention and/or conducting an implementation evaluation. Examples of such activities include, but are not limited to, the following:

- Creating a program logic model or theory of change;
- Writing program objectives in measurable terms;
- Identifying potential data sources, understanding and interpreting data, and assessing and improving data quality;
- Developing an evaluation plan; and/or
- Conducting pilot or other small-scale studies.

ACF and the evaluation TA provider will meet the grantee where they are in terms of experience with these activities and the program's readiness for participation in evaluation activities. No prior knowledge or expertise in research and evaluation is required. The intent is that grantee staff participating in this work will gain new skills to become better users and producers of high-quality research.

Grantees do not need to conduct full-scale, independent evaluations separate from the work with the evaluation TA provider, and these grant funds are not intended for this purpose. Consistent with the purpose of this FOA, grant funds must be used to support planning for and execution of evaluation-related activities and may not be used for program services (e.g., cash assistance, support services, etc.). Grant funds may be used to support staff salaries for the percentage of their time that they are working on activities related to the purpose of this FOA but not for time spent on providing services to clients.

This cooperative agreement is a unique opportunity for organizations to increase their capacity to conduct research and evaluation, use data to improve program outcomes, and demonstrate the value of their program to stakeholders and funders. Participating organizations will contribute to the evidence base on interventions serving low-income families with children. ACF expects that some projects funded under this FOA could lead to future, large-scale evaluations of family

self-sufficiency interventions.

C. Project Requirements

Working with TA Provider. Grantees must fully participate in TA and evaluation activities in close partnership with ACF and its third-party TA provider. Specific activities will vary depending on the grantee's needs, but expert consultation and TA will be provided at every step in the process. Grantees must be engaged and responsive to communications from ACF and the TA provider. To that end, grantees will be expected to name a primary point of contact for the TA provider; identifying additional key staff may be appropriate, depending on the size of the grantee's organization and program. The primary point of contact must have the support of their organization's leadership to participate in this funding opportunity. Grantees must actively participate in onsite TA visits from ACF and the TA provider as needed (up to two per year and to be held virtually, if necessary). This includes working with ACF and the TA providers to coordinate logistics and an agenda, as requested, and arrange for participation by necessary grantee staff. If relevant to their activities under the grant, grantees must be willing and able to share data with the TA provider. Grantees will be expected to review and provide feedback on written dissemination materials that the TA provider prepares about their work.

Annual Meeting and Quarterly Calls. At least one key staff from each grantee must plan to participate in the Family Self-Sufficiency Demonstration Development Annual Grantee Meetings. It is expected that one in-person meeting will be held per year in Washington, DC, for approximately 1 ½ days. If in-person meetings are not possible, the meetings will be held virtually. Only one key staff per grantee is required to attend, but applicants may budget for additional key project staff to attend, if desired. Given the anticipated diversity in grantee organizations' structure and staff roles, key staff is not explicitly defined in this FOA. However, key staff designated to attend grantee meetings must be substantively involved in the grant project and have sufficient authority to speak on behalf of the grantee organization as it relates to this project. Key staff should be identified in the grant application and changes should be approved by OPRE. Grantees are encouraged to send two key staff to grantee meetings if appropriate and resources allow. The purpose of these meetings is to facilitate connections and share information and cross-site learning among grantees, ACF, and the TA provider. One or more key staff per grantee must also participate in quarterly calls with ACF and the evaluation TA provider. These calls will provide the opportunity for grantees to communicate the progress of their work, identify any issues or challenges, and receive feedback and TA as needed.

A description of ACF's anticipated substantial involvement under the cooperative agreement award can be found in *Section II. Federal Award Information*.

II. Federal Award Information

Funding Instrument Type:	Cooperative Agreement
Estimated Total Funding:	\$4,000,000
Expected Number of Awards:	20
Award Ceiling:	\$200,000 Per Budget Period
Award Floor:	\$150,000 Per Budget Period
Average Projected Award Amount:	\$175,000 Per Budget Period
Anticipated Project Start Date:	09/30/2021

Length of Project Periods:

Length of Project Period:

24-month project period with two 12-month budget periods

Additional Information on Awards:

Awards made under this announcement are subject to the availability of federal funds.

Applications requesting an award amount that exceeds the *Award Ceiling* per budget period, or per project period, as stated in this section, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for the first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period. Please see *Section III.3. Other, Application Disqualification Factors*.

Note: For those programs that require matching or cost sharing, recipients will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period or by project period for fully funded awards, even if the projected commitment exceeds the required amount of match or cost share. **A recipient's failure to provide the required matching amount may result in the disallowance of federal funds.** See *Section III.2.* of this announcement for information on cost-sharing or matching requirements.

Initial awards will be made for the first 12-month budget period. Non-competing continuation awards for the second 12-month budget period will be subject to the availability of funds, satisfactory progress by the grantee, and a determination that continued funding would be in the interest of the federal government. ACF will determine satisfactory progress for continuation of the federal award by assessing the recipient's semi-annual Performance Progress Report. During the first budget period, applicants will receive instructions on how to submit non-competing continuation applications to request funds for the second budget period.

The 24-month project period must be noted in Item 17 on the Standard Form (SF) 424, the project narrative, and the annual budgets and budget narrative.

Indirect Costs: Indirect costs are included in the Award Ceiling and are taken into consideration under the Award Ceiling disqualification factor.

Description of ACF's Anticipated Substantial Involvement Under the Cooperative Agreement

Grants awarded under this FOA will be funded in the form of cooperative agreements. A cooperative agreement is federal assistance in which substantial federal involvement in project activities is anticipated. By choosing to participate in this cooperative agreement, the grantees agree to participate in a partnership composed of key staff from the grantees, key federal staff with interest in this project, ACF's third-party TA provider, and any other parties identified as relevant by the grantees and ACF. Under the cooperative agreement, substantial federal

involvement is anticipated throughout the duration of the funded project.

1. OPRE will work closely with the grantees and the third-party evaluation technical assistance provider to ensure that the grantees' needs are being met appropriately and progress is being made toward project goals.
2. OPRE will convene and participate in the Family Self-Sufficiency Demonstration Development Annual Grantee meeting each year.
3. OPRE will convene and participate in quarterly conference calls with grantees to provide any necessary TA and to remain informed about project activities and progress.
4. OPRE will organize additional consultations, meetings, briefings, teleconferences, and other forums, as necessary, with grantees to review current and planned activities and to share information among grantees and with other stakeholders.

III. Eligibility Information

III.1. Eligible Applicants

Eligibility under this FOA is defined under section 413 of the Social Security Act, 42 U.S.C. §613. The statutory authority for this funding opportunity does not limit eligible entities to receive this funding.

Faith-based organizations may apply for this award on the same basis as any other organization, as set forth at and, subject to the protections and requirements of this part and 42 U.S.C. 2000bb et seq., the Department will not, in the selection of recipients, discriminate against an organization on the basis of the organization's religious character, affiliation, or exercise.

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement. See *Section III.3. Other, Application Disqualification Factors*.

Faith-based and community organizations that meet the eligibility requirements are eligible to receive awards under this funding opportunity announcement.

See *Section IV.2. Legal Status of Applicant Entity* for documentation required to support eligibility.

III.2. Cost Sharing or Matching

Cost Sharing / Matching Requirement: No

For all federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the criteria listed in 45 CFR § 75.306.

For awards that require matching by statute, recipients will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period, or by project period for fully funded awards, even if the projected commitment exceeds the amount required by the statutory match. **A recipient's**

failure to provide the statutorily required matching amount may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.

For awards that do not require matching or cost sharing by statute, where “cost sharing” refers to any situation in which the recipient voluntarily shares in the costs of a project other than as statutorily required matching, recipients will be held accountable for projected commitments of non-federal resources in their application budgets and budget justifications by budget period, or by project period for fully funded awards. These include situations in which contributions are voluntarily proposed by a recipient or subrecipient and are accepted by ACF. Non-federal cost sharing will be included in the approved project budget so that the recipient will be held accountable for proposed non-federal cost-sharing funds as shown in the Notice of Award (NOA). **A recipient’s failure to provide voluntary cost sharing of non-federal resources that have been accepted by ACF as part of the approved project costs and that have been shown as part of the approved project budget in the NOA, may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

III.3. Other

Application Disqualification Factors

Applications from individuals (including sole proprietorships) and foreign entities are not eligible and will be disqualified from competitive review and from funding under this announcement.

Award Ceiling Disqualification

Applications that request an award amount that exceeds the *Award Ceiling* per budget period or per project period ("per project period" refers only to fully funded awards), as stated in *Section II. Federal Award Information*, will be disqualified from competitive review and from funding under this announcement. This disqualification applies only to the *Award Ceiling* listed for first 12-month budget period for projects with multiple budget periods. If the project and budget period are the same, the disqualification applies to the *Award Ceiling* listed for the project period.

Required Electronic Application Submission

ACF requires electronic submission of applications at www.Grants.gov. **Paper applications received from applicants that have not been approved for an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Applicants that do not have an Internet connection or sufficient computing capacity to upload large documents to the Internet may contact ACF for an exemption that will allow the applicant to submit applications in paper format. Information and the requirements for requesting an

exemption from required electronic application submission are found in "ACF Policy for Requesting an Exemption from Electronic Application Submission" at www.acf.hhs.gov/grants/howto#chapter-6.

Missing the Application Deadline (Late Applications)

The deadline for electronic application submission is 11:59 p.m., ET, on the due date listed in the *Overview* and in *Section IV.4. Submission Dates and Times*. Electronic applications submitted to www.Grants.gov after 11:59 p.m., ET, on the due date, as indicated by a dated and time-stamped email from www.Grants.gov, will be disqualified from competitive review and from funding under this announcement. That is, applications submitted to www.Grants.gov, on or after 12:00 a.m., ET, on the day after the due date will be disqualified from competitive review and from funding under this announcement.

Applications submitted to www.Grants.gov at any time during the open application period, and prior to the due date and time, which fail the www.Grants.gov validation check, will not be received at, or acknowledged by, ACF.

Each time an application is submitted via www.Grants.gov, the submission will generate a new date and time-stamp email notification. Only those applications with on-time date and time stamps that result in a validated application, which is transmitted to ACF, will be acknowledged.

The deadline for receipt of paper applications is 4:30 p.m., ET, on the due date listed in the *Overview* and in *Section IV.4. Submission Dates and Times*. Paper applications received after 4:30 p.m., ET, on the due date will be disqualified from competitive review and from funding under this announcement. **Paper applications received from applicants that have not received approval of an exemption from required electronic submission will be disqualified from competitive review and from funding under this announcement.**

Notification of Application Disqualification

Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this FOA.

IV. Application and Submission Information

IV.1. Address to Request Application Package

Family Self-Sufficiency Demonstration Development Grants
c/o ICF
9300 Lee Highway
Fairfax, VA 22031
Phone: (877) 350-5913
Fax: (703) 934-3740

Email: fssdemogrants@icf.com

Electronic Application Submission:

The electronic application submission package is available in the FOA's listing at www.Grants.gov.

Applications in Paper Format:

For applicants that have received an exemption to submit applications in paper format, Standard Forms, assurances, and certifications are available in the "Select Grant Opportunity Package" available in the FOA's Grants.gov Synopsis under the Package tab at www.Grants.gov. See *Section IV.2. Request an Exemption from Required Electronic Application Submission* if applicants do not have an Internet connection or sufficient computing capacity to upload large documents (files) to www.Grants.gov.

Federal Relay Service:

Hearing-impaired and speech-impaired callers may contact the Federal Relay Service (FedRelay) for assistance at www.gsa.gov/fedrelay.

IV.2. Content and Form of Application Submission

FORMATTING APPLICATION SUBMISSIONS

Each applicant applying electronically via www.Grants.gov is required to upload only two electronic files, excluding Standard Forms and OMB-approved forms. No more than two files will be accepted for the review, and additional files will be removed. Standard Forms and OMB-approved forms will not be considered additional files.

FOR ALL APPLICATIONS:

Authorized Organizational Representative (AOR)

AOR is the designated representative of the applicant/recipient organization with authority to act on the organization's behalf in matters related to the award and administration of grants. In signing a grant application, this individual agrees that the organization will assume the obligations imposed by applicable Federal statutes and regulations and other terms and conditions of the award, including any assurances, if a grant is awarded.

Point of Contact

In addition to the AOR, a point of contact on matters involving the application must also be identified. The point of contact, known as the Project Director or Principal Investigator, should not be identical to the person identified as the AOR. The point of contact must be available to answer any questions pertaining to the application.

Application Checklist

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials.

Accepted Font Style

Applications must be in Times New Roman (TNR), 12-point font, except for footnotes, which may be TNR 10-point font. Pages that contain blurred text, or text that is too small to read comfortably, will be removed.

English Language

Applications must be submitted in the English language and must be in the terms of United States (U.S.) dollars. If applications are submitted using another currency, ACF will convert the foreign currency to U.S. currency using the date of receipt of the application to determine the rate of exchange.

Page Limitations

Applicants must observe the page limitation(s) listed under "PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:". Page limitation(s) do not include SFs and OMB-approved forms.

All applications must be double-spaced. An application that exceeds the cited page limitation for double-spaced pages in the Project Description file or the Appendices file will have extra pages removed and those pages will not be reviewed.

Application Elements Exempted from Double-Spacing Requirements

The following elements of the application submission are exempt from the double-spacing requirements and may be single-spaced: the table of contents, the one-page Project Summary, required Assurances and Certifications, required SFs, required OMB-approved forms, resumes, logic models, proof of legal status/non-profit status, third-party agreements, letters of support, footnotes, tables, the line-item budget and/or the budget justification.

Adherence to FOA Formatting, Font, and Page Limitation Requirements

Applications that fail to adhere to ACF's FOA formatting, font, and page limitation requirements will be adjusted by the removal of page(s) from the application. Pages will be removed before the objective review. The removed page(s) will not be made available to reviewers.

Applications that have more than one scanned page of a document on a single page will have the page(s) removed from the review.

For applicants that submit paper applications, double-sided pages will be counted as two pages. When the maximum allowed number of pages is reached, excess pages will be removed and will not be made available to reviewers.

NOTE: Applicants failing to adhere to ACF's FOA formatting, font, and page limitation requirements will receive a letter from ACF notifying them that their application was amended. The letter will be sent after awards have been issued and will specify the reason(s) for removal of page(s).

Corrections/Updates to Submitted Applications

When applicants make revisions to a previously submitted application, ACF will accept only the

last on-time application for pre-review under the Application Disqualification Factors. The Application Disqualification Factors determine the application's acceptance for competitive review. See *Section III.3. Application Disqualification Factors* and *Section IV.2. Application Submission Options*.

Copies Required

Applicants must submit one complete copy of the application package electronically. Applicants submitting electronic applications need not provide additional copies of their application package.

Applicants submitting applications in paper format must submit one original and two copies of the complete application, including all Standard Forms and OMB-approved forms. The original copy must have original signatures.

Signatures

Applicants submitting electronic applications must follow the registration and application submission instructions provided at www.Grants.gov.

The original of a paper format application must include original signatures of the authorized representatives.

Accepted Application Format

With the exception of the required Standard Forms (SFs) and OMB-approved forms, all application materials must be formatted so that they are 8 ½" x 11" white paper with 1-inch margins all around.

If possible, applicants are encouraged to include page numbers for each page within the application.

ACF generally does not encourage submission of scanned documents as they tend to have reduced clarity and readability. If documents must be scanned, the font size on any scanned documents must be large enough so that it is readable. Documents must be scanned page-for-page, meaning that applicants may not scan more than one page of a document onto a single page. Pages with blurred text will be removed from the application.

PAGE LIMITATIONS AND CONTENT FOR ALL SUBMISSION FORMATS:

With the exception of SFs and OMB-approved forms, the application submission is limited to **75 pages** in its entirety.

The applicant is limited to uploading only two electronic files. See **ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS** for more information.

File 1: The **Project Description** file includes:

1. Table of Contents
2. Project summary
3. Project description narrative, including:

- A. Approach
 - i. Description of Proposed Intervention and Applicant Organization
 - ii. Expected Project Outcomes
 - iii. Key Personnel
- B. Organizational Capacity
 - i. Description of Leadership Support
 - ii. Management Plan
 - iii. Fiscal Controls and Accountability Procedures
 - iv. Compliance with Government Standards
 - v. Biographical sketches
- 4. Annual budget and budget justification for each of the two budget periods.

File 2: The **Appendices** file includes:

- 1. Organizational chart
- 2. Resumes
- 3. Legal status of application entity
- 4. Proof of non-profit status (if applicable)
- 5. Third-party agreements (if applicable)

ELECTRONIC APPLICATION SUBMISSION INSTRUCTIONS

Applicants are required to submit their applications electronically unless they have requested and received an exemption that will allow submission in paper format. See *Section IV.2. Application Submission Options* for information about requesting an exemption.

Electronic applications will only be accepted via www.Grants.gov. **ACF will not accept applications submitted via email or via facsimile.**

Each applicant is required to upload ONLY two electronic files, excluding SFs and OMB-approved forms.

File One: Must contain the entire Project Description, and the Budget and Budget Justification (including a line-item budget and a budget narrative).

File Two: Must contain all documents required in the Appendices.

Adherence to the Two-File Requirement

No more than two files will be accepted for the review. Applications with additional files will be amended and files will be removed from the review. SFs and OMB-approved forms will not be considered additional files.

Application Upload Requirements

ACF strongly recommends that electronic applications be uploaded as Portable Document Files (PDFs). One file must contain the entire Project Description and Budget Justification; the other file must contain all documents required in the Appendices. Details on the content of each of the two files, as well as page limitations, are listed earlier in this section.

To adhere to the two-file requirement, applicants may need to convert and/or merge documents together using a PDF converter software. Many recent versions of Microsoft Office include the ability to save documents to the PDF format without need of additional software. Applicants using the Adobe Acrobat Reader software will be able to merge these documents together. ACF recommends merging documents electronically rather than scanning multiple documents into one document manually, as scanned documents may have reduced clarity and readability.

Applicants must ensure that the version of Adobe Acrobat Reader they are using is compatible with Grants.gov. To verify Adobe software compatibility please go to Grants.gov and click on "Applicants" at the top bar menu and select "Adobe Software Compatibility", which is listed under "Applicant Resources." The Adobe verification process allows applicants to test their version of the software by opening a test Workspace PDF form. Grants.gov also includes guidance on how to download a supported version of Adobe, as well as troubleshooting instructions for use, if an applicant is unable to open the test form.

The Adobe Software Compatibility page located on Grants.gov also provides guidance for applicants on filling out a Workspace PDF form. In addition, it addresses local network and/or computer security settings and the impact this has on use of Adobe software.

Required Standard Forms (SFs) and OMB-approved Forms

Standard Forms (SFs) and OMB-approved forms, such as the SF-424 application and budget forms and the SF-P/PSL (Project/Performance Site Location), are uploaded separately at Grants.gov. These forms are submitted separately from the Project Description and Appendices files. See *Section IV.2. Required Forms, Assurances, and Certifications* for the listing of required Standard Forms, OMB-approved forms, and required assurances and certifications.

Naming Application Submission Files

Carefully observe the file naming conventions required by www.Grants.gov. Limit file names to 50 characters (characters and spaces). Special characters that are allowed under Grants.gov's naming conventions, and are accommodated by ACF's systems, are listed in the instructions available in the "Select Grant Opportunity Package" at Grants.gov. Please also see <https://www.grants.gov/web/grants/applicants/submitting-utf-8-special-characters.html>.

Use only file formats supported by ACF

It is critical that applicants submit applications using only the supported file formats listed here. While ACF supports all of the following file formats, **we strongly recommend that the two application submission files (Project Description and Appendices) are uploaded as PDF documents in order to comply with the two file upload limitation.** Documents in file formats that are not supported by ACF will be removed from the application and will not be used in the competitive review. This may make the application incomplete and ACF will not make any awards based on an incomplete application.

ACF supports the following file formats:

- Adobe PDF – Portable Document Format (.pdf)

- Microsoft Word (.doc or .docx)
- Microsoft Excel (.xls or .xlsx)
- Microsoft PowerPoint (.ppt)
- Image Formats (.JPG, .GIF, .TIFF, or .BMP only)

Do Not Encrypt or Password-Protect the Electronic Application Files

If ACF cannot access submitted electronic files because they are encrypted or password protected, the affected file will be removed from the application and will not be reviewed. This removal may make the application incomplete and ACF will not make awards based on an incomplete application.

FORMATTING FOR PAPER APPLICATION SUBMISSIONS:

The following requirements are only applicable to applications submitted in paper format. Applicants must receive an exemption from ACF in order for a paper format application to be accepted for review. For more information on the exemption, see "*ACF Policy on Requesting an Exemption from Required Electronic Application Submission*" at www.acf.hhs.gov/grants/howto#chapter-6

Format Requirements for Paper Applications

All copies of mailed or hand-delivered paper applications must be submitted in a single package. If an applicant is submitting multiple applications under a single FOA, or multiple applications under separate FOAs, each application submission must be packaged separately. The package(s) must be clearly labeled for the specific FOA it addresses by FOA title and by Funding Opportunity Number (FON).

Applicants using paper format should download the application forms package associated with the FOA's Synopsis on www.Grants.gov under the Package tab.

Because each application will be duplicated, do not use or include separate covers, binders, clips, tabs, plastic inserts, maps, brochures, or any other items that cannot be processed easily on a photocopy machine with an automatic feed. Do not bind, clip, staple, or fasten in any way separate sections of the application. Applicants are advised that the copies of the application submitted, not the original, will be reproduced by the federal government for review. **All application materials must be one-sided for duplication purposes. All pages in the application submission must be sequentially numbered.**

Addresses for Submission of Paper Applications

See *Section IV.7. Other Submission Requirements* for addresses for paper format application submissions.

Required Forms, Assurances, and Certifications

Applicants seeking grant or cooperative agreement awards under this announcement must submit the listed Standard Forms (SFs), assurances, and certifications with the application. All required Standard Forms, assurances, and certifications are available in the Application Package posted for this FOA at www.Grants.gov.

Forms / Assurances / Certifications	Submission Requirement	Notes / Description
Certification Regarding Lobbying (Grants.gov Lobbying Form)	Submission required of all applicants with the application package. If it is not submitted with the application package, it must be submitted prior to the award of a grant.	Submission of the certification is required for all applicants.
SF-424 - Application for Federal Assistance	Submission is required for all applicants by the application due date.	Required for all applications.
SF-424 Key Contact Form	Submission is required for all applicants by the application due date.	Required for all applications.
SF-Project/Performance Site Location(s) (SF-P/PSL)	Submission is required for all applicants by the application due date.	Required for all applications. In the SF-P/PSL, applicants must cite their primary location and up to 29 additional performance sites.
Unique Entity Identifier (DUNS) and Systems for Award Management (SAM) registration.	Required of all applicants. To obtain a DUNS number, go to http://fedgov.dnb.com/webform. Active registration at the SAM website must be maintained throughout the application and project award period. SAM registration is available at http://www.sam.gov.	See <i>Section IV.3. Unique Entity Identifier and System for Award Management (SAM)</i> for more information.
SF-424A - Budget Information - Non-Construction Programs and SF-424B - Assurances - Non- Construction	Submission is required for all applicants when applying for a non-construction project. Standard Forms must be used. Forms must be submitted by the application due date.	Required for all applications when applying for a non-construction project.

Programs	By signing and submitting the SF-424B, applicants are making the appropriate certification of their compliance with all federal statutes relating to nondiscrimination.	
SF-LLL - Disclosure of Lobbying Activities	If submission of this form is applicable, it is due at the time of application. If it is not available at the time of application, it may also be submitted prior to the award of a grant.	If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the applicant shall complete and submit the SF-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
Certificate of Good Standing	Submission is required for all for-profit organizations .	Sole proprietorships are not eligible applicants. The submission of the Certificate of Good Standing, along with the current list of board members, and organizational documents that require the establishment and maintenance of a Board of Directors, provide proof of eligibility for for-profit organizations.

Mandatory Grant Disclosure

All applicants and recipients are required to submit, in writing, to the awarding agency and to the HHS Office of the Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. (Mandatory Disclosures, 45 CFR § 75.113)

Disclosures must be sent in writing to:

The Administration for Children and Families, U.S. Department of Health and Human Services, Office of Grants Management, ATTN: Grants Management Specialist, 330 C Street, SW., Switzer Building, Corridor 3200, Washington, DC 20201

And to:

U.S. Department of Health and Human Services, Office of Inspector General, ATTN:
Mandatory Grant Disclosures, Intake Coordinator, 330 Independence Avenue, SW., Cohen
Building, Room 5527, Washington, DC 20201

Fax: (202) 205-0604 (Include “Mandatory Grant Disclosures” in subject line) or

Email: MandatoryGranteeDisclosures@oig.hhs.gov

Non-Federal Reviewers

Since ACF will be using non-federal reviewers in the review process, applicants have the option of omitting from the application copies (not the original) specific salary rates or amounts for individuals specified in the application budget as well as Social Security Numbers, if otherwise required for individuals. The copies may include summary salary information. If applicants are submitting their application electronically, ACF will omit the same specific salary rate information from copies made for use during the review and selection process.

The Project Description

The Project Description Overview

General Expectations and Instructions

The Project Description provides the majority of information by which an application is evaluated and ranked in competition with other applications for financial assistance. It must address all activities for which federal funds are being requested and all application requirements as stated in this section. The Project Description must explain how the project will meet the purpose of the FOA, as described in *Section I. Program Description*. As a reminder, reviewers will be evaluating this section in accordance with *Section V.I. Criteria*.

The Project Description must be clear, concise, and complete. ACF is particularly interested in Project Descriptions that convey strategies for achieving intended performance. Project Descriptions are evaluated on the basis of substance and measurable outcomes, not length. Cross-referencing should be used rather than repetition. Supporting documents designated as required must be included in the Appendix of the FOA.

Letter of Intent

Applicants are strongly encouraged to notify ACF of their intention to submit an application under this announcement. Please submit a letter of intent by the deadline date listed in *Section IV.4. Submission Dates and Times*. The letter of intent should include the following information: number and title of this announcement; the name and address of the applicant organization; and the name, phone number, fax number and email address of a contact person.

Letter of intent information will be used to determine the number of expert reviewers needed to evaluate applications. **The letter of intent is optional.** Failure to submit a letter of intent **will**

not impact eligibility to submit an application and **will not** disqualify an application from competitive review.

Applicants are encouraged to submit the letter of intent via email to fssdemogrants@icf.com.

Letters of intent may also be submitted via mail to:

Family Self-Sufficiency Development Demonstrations

c/o ICF International
9300 Lee Highway
Fairfax, VA 22031

Table of Contents

List the contents of the application including corresponding page numbers. The table of contents may be single spaced.

Project Summary

Provide a summary of the application project description. It must be clear, accurate, concise, and without cross-references to other parts of the application. The summary must include a brief description of the proposed grant project including the needs to be addressed, the proposed services, and the population group(s) to be served.

Please place the following at the top of the Project Summary:

- Project Title
- Applicant Name
- Address
- Contact Phone Numbers (Voice, Fax, Cell)
- Email Address
- Website Address, if applicable

The Project Summary must be single-spaced, Times New Roman 12-point font, and limited to one page in length. Additional pages will be removed and will not be reviewed.

Legal Status of Applicant Entity

Applicants must provide the following documentation:

Non-profit organizations applying for funding are required to submit proof of their non-profit status. Proof of non-profit status is any one of the following:

- A reference to the applicant organization's listing in the IRS's most recent list of tax-exempt organizations described in the IRS Code.
- A copy of a currently valid IRS tax-exemption certificate.
- A statement from a state taxing body, state attorney general, or other appropriate state official certifying that the applicant organization has non-profit status and that

- none of the net earnings accrue to any private shareholders or individuals.
- A certified copy of the organization's certificate of incorporation or similar document that clearly establishes non-profit status.
- Any of the items in the subparagraphs immediately above for a state or national parent organization and a statement signed by the parent organization that the applicant organization is a local non-profit affiliate

Unless directed otherwise, applicants must include proof of non-profit status in the *Appendices* file of the application submission.

For-Profits and Small Businesses

For-profit organizations (including small businesses) applying for funding must submit the following to provide proof of their legal status: Documentation establishing the power granted to the entity to enter into contractual relationships and/or accept awards (i.e. articles of incorporation, bylaws).

Approach

Outline a plan of action that describes the scope and detail of how the proposed project will be accomplished. Applicants must account for all functions or activities identified in the application.

Cite potential obstacles and challenges to accomplishing project goals and explain strategies that will be used to address these challenges.

I. Description of Proposed Intervention and Applicant Organization

A. Description of applicant organization, including:

- i. A mission statement
- ii. Current work in the area of family self-sufficiency
- iii. Current collaborations with one or more state or local social services agencies that administer or coordinate with TANF-funded services

B. Description of the proposed coordinated, client-centered program or intervention related to supporting low-income families to achieve self-sufficiency that would benefit from support with program improvement and planning for and execution of research and evaluation activities. The description should include:

- i. Target populations and needs addressed by the intervention
- ii. Description of the services or policies that constitute the intervention
- iii. Whether the intervention has been implemented or is still in a planning phase
- iv. Whether the intervention is evidence-based or has been evaluated in other settings
- v. Any research or evaluation activities conducted to date
- vi. Expected outcomes for program participants

II. Expected Project Outcomes

A. What the applicant hopes to achieve, including preliminary ideas for the types of

- evaluation-related activities the applicant might undertake
- B. How the applicant hopes to benefit from working with ACF and the third-party evaluation TA provider
- C. How the proposed intervention would benefit from working with evaluation TA provider
- D. Potential challenges to accomplishing project goals and strategies to address these challenges

III. Key Personnel

- A. Key staff to be involved in the project
- B. Key staff's availability to work on this project and an explanation of whether that availability is adequate for the proposed project activities

Organizational Capacity

Provide the following information on the applicant organization and, if applicable, on any cooperating partners:

- Organizational charts;
- Resumes;
- Biographical Sketches (short narrative description);
- Copy or description of the applicant organization's fiscal control and accountability procedures;
- Information on compliance with federal/state/local government standards;

This section should also include:

- A description of the organizational leadership's level of support for this project; and
- A management plan for supervision of key staff and quality control of project activities and requirements.

The Project Budget and Budget Justification

All applicants are required to submit a project budget and budget justification with their application. The project budget is entered on the Budget Information Standard Form, either SF-424A or SF-424C. Applicants are encouraged to review the form instructions in addition to the guidance in this section. The budget justification consists of a budget narrative and a line-item budget detail that includes detailed calculations for "object class categories" identified on the Budget Information Standard Form. Applicants must indicate the method they are selecting for their indirect cost rate. See Indirect Charges for further information.

Project budget calculations must include estimation methods, quantities, unit costs, and other similar quantitative detail sufficient for the calculation to be duplicated. If matching cost sharing is a requirement, applicants must include a detailed listing of any funding sources identified in Block 18 of the SF-424 (Application for Federal Assistance). See the table in *Section IV.2. Required Forms, Assurances, and Certifications* listing the appropriate budget forms to use in this application.

Special Note: *The Departments of Labor, Health and Human Services, and Education, and*

Related Agencies Appropriations Act, 2021 and Consolidated Appropriations Act, 2021, (Division H, Title II, Sec. 202), limits the salary amount that may be awarded and charged to ACF grants and cooperative agreements. Award funds issued under this announcement may not be used to pay the salary of an individual at a rate in excess of Executive Level II. The Executive Level II salary of the "Rates of Pay for the Executive Schedule" is \$199,300. This amount reflects an individual's base salary exclusive of fringe benefits and any income that an individual may be permitted to earn outside of the duties of the applicant organization. This salary limitation also applies to subawards and subcontracts under an ACF grant or cooperative agreement.

Provide a budget using the SF-424A and/or SF-424C, as applicable, for each year of the proposed project.

Provide a budget justification, which includes a budget narrative and a line-item detail, for each year of the proposed project. The budget narrative should describe how the categorical costs are derived. Discuss the necessity, reasonableness, and allocation of the proposed costs.

Information under project budget and budget justification should be organized in the standard cost categories as indicated on the SF-424 and provide detailed line item calculations for each cost category.

The budget and budget justification must include expenses related to travel for at least one key staff to participate in one annual grantee meeting per year for approximately 1 ½ days in Washington, DC. If such travel is not possible due to national and/or local travel restrictions, at least one key staff must participate in the annual grantee meeting virtually and budget revisions, if necessary, should be discussed with the Federal Project Officer and Grants Management Specialist. Per *Section I. Program Description*, given the anticipated diversity in grantee organizations' structure and staff roles, key staff is not explicitly defined in this FOA. However, key staff designated to attend grantee meetings must be substantively involved in the grant project and have sufficient authority to speak on behalf of the grantee organization as it relates to this project. Key staff should be identified in the grant application and changes should be approved by OPRE.

As noted in prior sections of this FOA, funds must be used to support planning for and execution of evaluation-related activities and may not be used for program services (e.g., cash assistance, support services, etc.). Grant funds may be used to support staff salaries for the percentage of their time that they are working on activities related to the purpose of this FOA but not for time spent on providing services to clients. Grantees do not need to conduct full-scale independent evaluations separate from the work with the evaluation TA provider, and these grant funds are not intended for this purpose.

General

Use the following guidelines for preparing the project budget and budget justification. The budget justification includes a budget narrative and a line-item detail. Applications should only include allowable costs in accordance with 45 CFR Part 75 Subpart E.

Personnel

Description: Costs of employee salaries and wages. See 45 CFR § 75.430 for more information on allowable personnel costs. Do not include the personnel costs of consultants, contractors and

subrecipients under this category.

Justification: For each position, provide: the name of the individual (if known), their title; time commitment to the project in months; time commitment to the project as a percentage or full-time equivalent; annual salary; grant salary; wage rates; etc. Identify the project director or principal investigator, if known at the time of application.

Fringe Benefits

Description: Costs of employee fringe benefits are allowances and services provided by employers to their employees in addition to regular salaries and wages. For more information on Fringe Benefits please refer to 45 CFR § 75.431. Do not include the fringe benefits of consultants, contractors, and subrecipients.

Typically, fringe benefit amounts are determined by applying a calculated rate for a particular class of employee (full-time or part-time) to the salary and wages requested. Fringe rates are often specified in the approved indirect cost rate agreement. Fringe benefits may be treated as a direct cost or indirect cost in accordance with the applicant's accounting practices. Only fringe benefits as a direct cost should be entered under this category.

Justification: Provide a breakdown of the amounts and percentages that comprise fringe benefit costs such as health insurance, Federal Insurance Contributions Act (FICA) taxes, retirement, taxes, etc.

Travel

Description: Costs of project-related travel (i.e., transportation, lodging, subsistence) by employees of the applicant organization who are in travel status on official business. Travel by non-employees such as consultants, contractors or subrecipients should be included under the Contractual line item. Local travel for employees in non-travel status should be listed on the Other line. Travel costs should be developed in accordance with the applicant's travel policies and 45 CFR § 75.474.

Justification: For each trip show: the total number of travelers; travel destination; duration of trip; per diem; mileage allowances, if privately owned vehicles will be used to travel out of town; and other transportation costs and subsistence allowances. If appropriate for this project, travel costs for key project staff to attend ACF-sponsored workshops/conferences/grantee orientations should be detailed in the budget justification.

Equipment

Description: "Equipment" means an article of nonexpendable, tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost that equals or exceeds the lesser of: (a) the capitalization level established by the organization for the financial statement purposes, or (b) \$5,000. (Note: Acquisition cost means the net invoice unit price of an item of equipment, including the cost of any modifications, attachments, accessories, or auxiliary apparatus necessary to make it usable for the purpose for which it is acquired. Ancillary charges, such as taxes, duty, protective in-transit insurance, freight, and installation, shall be included in, or excluded from, acquisition

cost in accordance with the organization's regular written accounting practices.) See 45 CFR § 75.439 for more information.

Justification: For each type of equipment requested provide: a description of the equipment; the cost per unit; the number of units; the total cost; and a plan for use on the project; as well as use and/or disposition of the equipment after the project ends.

Supplies

Description: Costs of all tangible personal property, other than included under the Equipment category. This includes office and other consumable supplies with a per-unit cost of less than \$5,000. See 45 CFR § 75.453 for more information.

Justification: Specify general categories of supplies and their costs. Show computations and provide other information that supports the amount requested.

Contractual

Description: Cost of all contracts and subawards except for those that belong under other categories such as equipment, supplies, construction, etc. Include third-party evaluation contracts, if applicable, and contract or subawards with secondary recipient organizations (with budget detail), including delegate agencies and specific project(s) and/or businesses to be financed by the applicant. Costs related to individual consultants should be listed on the Other line. Recipients are required to use 45 CFR §§ 75.326-.340 procurement procedures, and subawards are subject to the requirements at 45 CFR §§ 75.351-.353.

Justification: Demonstrate that all procurement transactions will be conducted in a manner to provide, to the maximum extent practical, open, and free competition. Applicants must justify any anticipated procurement action that is expected to be awarded without competition and exceeds the simplified acquisition threshold stated in 48 CFR Subpart 2.1. Recipients may be required to make pre-award review and procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., available to ACF.

Indicate whether the proposed agreement qualified as a subaward or contract in accordance with 45 CFR § 75.351. Provide the name of the contractor/subrecipient (if known), a description of anticipated services, a justification for why they are necessary, a breakdown of estimated costs, and an explanation of the selection process. In addition, for subawards, the applicant must provide a detailed budget and budget narrative for each subaward, by entity name, along with the same justifications referred to in these budget and budget justification instructions.

Other

Description: Enter the total of all other costs. Such costs, where applicable and appropriate, may include, but are not limited to: consultant costs, local travel, insurance, food (when allowable), medical and dental costs (non-personnel), professional service costs (including audit charges), space and equipment rentals, printing and publications, computer use, training costs (such as tuition and stipends), staff development costs, and administrative costs. Please note costs must be allowable per 45 CFR Part 75 Subpart E.

Justification: Provide a breakdown of costs, computations, a narrative description, and a justification for each cost under this category.

Indirect Charges

Description: Total amount of indirect costs. This category has one of two methods that an applicant can select. An applicant may only select one.

1. The applicant currently has an indirect cost rate approved by the Department of Health and Human Services (HHS) or another cognizant federal agency.

Justification: An applicant must enclose a copy of the current approved rate agreement. If the applicant is requesting a rate that is less than what is allowed under the program, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed. Choosing to charge a lower rate will not be considered during the objective review or award selection process.

2. Per 45 CFR § 75.414(f) Indirect (F&A) costs, "any non-Federal entity [i.e., applicant] that has never received a negotiated indirect cost rate, ... may elect to charge a *de minimis* rate of 10% of modified total direct costs (MTDC) which may be used indefinitely. As described in Section 75.403, costs must be consistently charged as either indirect or direct costs, but may not be double charged or inconsistently charged as both. If chosen, this methodology once elected must be used consistently for all Federal awards until such time as the non-Federal entity chooses to negotiate for a rate, which the non-Federal entity may apply to do at any time."

Justification: This method only applies to applicants that have never received an approved negotiated indirect cost rate from HHS or another cognizant federal agency. Applicants awaiting approval of their indirect cost proposal may request the 10 percent *de minimis* rate. When the applicant chooses this method, costs included in the indirect cost pool must not be charged as direct costs to the grant.

Commitment of Non-Federal Resources

Description: Amounts of non-federal resources that will be used to support the project as identified in Block 18 of the SF-424. This line should be used to indicate required and/or voluntary committed cost sharing or matching, if applicable.

For all federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the criteria listed in 45 CFR § 75.306.

For awards that require matching or cost sharing by statute, recipients will be held accountable for projected commitments of non-federal resources (at or above the statutory requirement) in their application budgets and budget justifications by budget period, or by project period for fully funded awards. **A recipient's failure to provide the statutorily**

required matching or cost sharing amount (and any voluntary committed amount in excess) may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.

For awards that do not require matching or cost sharing by statute, recipients are not expected to provide cost sharing or matching. However, recipients are allowed to voluntarily propose a commitment of non-federal resources. If an applicant decides to voluntarily contribute non-federal resources towards project costs and the costs are accepted by ACF, the non-federal resources will be included in the approved project budget. The applicant will be held accountable for all proposed non-federal resources as shown in the Notice of Award (NOA). **A recipient's failure to meet the voluntary amount of non-federal resources that was accepted by ACF as part of the approved project costs and that was identified in the approved budget in the NOA, may result in the disallowance of federal funds. Recipients will be required to report these funds in the Federal Financial Reports.**

Justification: If an applicant is relying on cost share or match from a third-party, then a firm commitment of these resources (letter(s) or other documentation) is required to be submitted with the application. Detailed budget information must be provided for every funding source identified in Item 18. "Estimated Funding (\$)" on the SF-424.

Applicants are required to fully identify and document in their applications the specific costs or contributions they propose in order to meet a matching requirement. Applicants are also required to provide documentation in their applications on the sources of funding or contribution(s). In-kind contributions must be accompanied by a justification of how the stated valuation was determined. Matching or cost sharing must be documented by budget period (or by project period for fully funded awards).

Applications that lack the required supporting documentation will not be disqualified from competitive review; however, it may impact an application's scoring under the evaluation criteria in *Section V.I. Criteria* of this announcement.

Paperwork Reduction Act Disclaimer

As required by the Paperwork Reduction Act, 44 U.S.C. §§ 3501-3521, the public reporting burden for the Project Description is estimated to average 60 hours per response, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. The Project Description information collection is approved under OMB control number 0970-0139, which expires 02/28/2022. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Application Submission Options

Electronic Submission via www.Grants.gov

This section provides the application submission and receipt instructions for ACF program applications. Please read the following instructions carefully and completely.

Electronic Delivery

ACF is participating in the Grants.gov initiative to provide the grant community with a single site to find and apply for grant funding opportunities. ACF applicants are required to submit their applications online through Grants.gov.

How to Register and Apply through Grants.gov

Read the following instructions about registering to apply for ACF funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required application submission deadlines.

Organization applicants can find complete instructions here:

<https://www.grants.gov/web/grants/applicants/organization-registration.html>

Obtain a DUNS Number: All entities applying for funding, including renewal funding, must have a Data Universal Numbering System (DUNS) number from Dun & Bradstreet (D&B). Applicants must enter the DUNS number in the data entry field labeled "Organizations DUNS" on the SF-424 form.

For more detailed instructions for obtaining a DUNS number, refer to:

<https://www.grants.gov/web/grants/applicants/organization-registration/step-1-obtain-duns-number.html>

Register with SAM: In addition to having a DUNS number, organizations applying online through Grants.gov must register with the System for Award Management (SAM). All organizations must register with SAM in order to apply online. Failure to register with SAM will prevent your organization from applying through Grants.gov.

For more detailed instructions for registering with SAM, refer to:

<https://www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html>

Create a Grants.gov Account: The next step in the registration process is to create an account with Grants.gov. Applicants must know their organization's DUNS number to complete this process. Completing this process automatically triggers an email request for applicant roles to the organization's E-Business Point of Contact (EBiz POC) for review. The EBiz POC is a representative from your organization who is the contact listed for SAM. To apply for grants on behalf of your organization, you will need the AOR role.

For more detailed instructions about creating a profile on Grants.gov, refer to:

<https://www.grants.gov/web/grants/applicants/registration.html>

Authorize Grants.gov Roles: After creating an account on Grants.gov, the EBiz POC receives an email notifying them of your registration and request for roles. The EBiz POC will then log in to Grants.gov and authorize the appropriate roles, which may include the AOR role, thereby giving you permission to complete and submit applications on behalf of your organization. You will be able to submit your application online any time after you have been approved as an AOR.

For more detailed instructions about creating a profile on Grants.gov, refer to:
<https://www.grants.gov/web/grants/applicants/registration/authorize-roles.html>

Track Role Status: To track your role request, refer to:
<https://www.grants.gov/web/grants/applicants/registration/track-role-status.html>

When applications are submitted through Grants.gov, the name of the organization's AOR that submitted the application is inserted into the signature line of the application, serving as the electronic signature. The EBiz POC must authorize individuals who are able to make legally binding commitment on behalf of the organization as an AOR; this step is often missed and it is crucial for valid and timely submissions.

How to Submit an Application to ACF via Grants.gov

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different webforms within an application. For each FOA, you can create individual instances of a workspace.

The following is an overview of applying via Grants.gov. For access to complete instructions on how to apply for opportunities, refer to: <https://www.grants.gov/web/grants/applicants/apply-for-grants.html>

Create a Workspace: Creating a workspace allows you to complete an application online and route it through your organization for review before submitting.

Complete a Workspace: Add participants to the workspace, complete all the required forms, and check for errors before submission.

Adobe Reader: If you decide not to apply by filling out webforms you can download individual PDF forms in Workspace so that they will appear similar to other Standard or ACF forms. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drive(s), then accessed through Adobe Reader.

NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at:
<https://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>

Mandatory Fields in Forms: In the forms, you will note fields marked with an asterisk

and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.

Complete SF-424 Fields First: The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and DUNS number. To trigger this feature, an applicant must complete the SF-424 information first. Once it is completed, the information will transfer to the other forms.

Submit a Workspace: An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application **at least 24-48 hours prior to the close date** to provide you with time to correct any potential technical issues that may disrupt the application submission.

Track a Workspace: After successfully submitting a workspace package, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the package. The number will be listed on the Confirmation page that is generated after submission.

For additional training resources, including video tutorials, refer to:
<https://www.grants.gov/web/grants/applicants/applicant-training.html>

Grants.gov provides applicants 24/7 support via the toll-free number 1-800-518-4726 and email at support@grants.gov. For questions related to the specific grant opportunity, contact the number listed in the application package of the grant you are applying for.

If you are experiencing difficulties with your submission, it is best to call the Grants.gov Support Center and get a ticket number. The Support Center ticket number will assist ACF with tracking your issue and understanding background information on the issue.

Timely Receipt Requirements and Proof of Timely Submission

All applications must be received by 11:59 p.m., ET, on the due date established for each program. Proof of timely submission is automatically recorded by Grants.gov. An electronic date/time stamp is generated within the system when the application is successfully received by Grants.gov. The applicant AOR will receive an acknowledgement of receipt and a tracking number (GRANTXXXXXXXX) from Grants.gov with the successful transmission of their application. Applicant AORs will also receive the official date/stamp and Grants.gov Tracking number in an email serving as proof of their timely submission.

When ACF successfully retrieves the application from Grants.gov, and acknowledges the download of submission, Grants.gov will provide an electronic acknowledgment of receipt of the application to the email address of the applicant with the AOR role. Again, proof of timely submission shall be the official date and time that Grants.gov receives your application. Applications received by Grants.gov after the established due date for the program will be considered late and will not be considered for funding by ACF.

Applicants with slow internet, such as dial-up connections, should be aware that transmission can take some time before Grants.gov receives your application. Again, Grants.gov will provide

either an error or a successfully received transmission in the form of an email sent to the applicant with the AOR role. The Grants.gov Support Center reports that some applicants end the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application.

Issues with Federal Systems

For any systems issues experienced with Grants.gov or SAM.gov, please refer to ACF's "Policy for Applicants Experiencing Federal Systems Issues" document for complete guidance at www.acf.hhs.gov/sites/default/files/documents/systems_issue_policy_final_0.pdf.

Request an Exemption from Required Electronic Application Submission

To request an exemption from required electronic submission please refer to ACF's "Policy for Requesting an Exemption from Required Electronic Application Submission" document for complete guidance at:

www.acf.hhs.gov/sites/default/files/documents/acf_policy_for_requesting_an_exemption_from_required_electronic_0.pdf

Paper Format Application Submission

An exemption is required for the submission of paper applications. See the preceding section on "*Request an Exemption from Required Electronic Application Submission.*"

Applicants with exemptions that submit their applications in paper format, by mail or delivery, must submit one original and two copies of the complete application with all attachments. The original and each of the two copies must include all required forms, certifications, assurances, and appendices, be signed by the AOR, and be unbound. The original copy of the application must have original signature(s). See *Section IV.7.* of this announcement for address information for paper format application submissions. Applications submitted in paper format must be received by 4:30 p.m., ET, on the due date.

Applicants may refer to *Section VIII. Other Information* for a checklist of application requirements that may be used in developing and organizing application materials. Details concerning acknowledgment of received applications are available in *Section IV.4. Submission Dates and Times* in this announcement.

IV.3. Unique Entity Identifier and System for Award Management (SAM)

All applicants must have a DUNS Number (<http://fedgov.dnb.com/webform>) and an active registration with the System for Award Management (SAM.gov/SAM, <https://www.sam.gov>).

Obtaining a DUNS Number may take 1 to 2 days.

All applicants are required to maintain an active SAM registration until the application process is complete. If a grant is awarded, registration at SAM must be active throughout the life of the award.

Plan ahead. Allow at least 10 business days after you submit your registration for it to become active in SAM and at least an additional 24 hours before that registration information is available in other government systems, i.e. Grants.gov.

This action should allow you time to resolve any issues that may arise. Failure to comply with these requirements may result in your inability to submit your application through Grants.gov or prevent the award of a grant. Applicants should maintain documentation (with dates) of their efforts to register for, or renew a registration, at SAM. User Guides are available under the “Help” tab at <https://www.sam.gov>.

HHS requires all entities that plan to apply for, and ultimately receive, federal grant funds from any HHS Agency, or receive subawards directly from recipients of those grant funds to:

- Be registered in the SAM prior to submitting an application or plan;
- Maintain an active SAM registration with current information at all times during which it has an active award or an application or plan under consideration by an OPDIV; and
- Provide its active DUNS number in each application or plan it submits to the OPDIV.

ACF is prohibited from making an award until an applicant has complied with these requirements. At the time an award is ready to be made, if the intended recipient has not complied with these requirements, ACF:

- May determine that the applicant is not qualified to receive an award; and
- May use that determination as a basis for making an award to another applicant.

IV.4. Submission Dates and Times

Due Date for Letter of Intent

Due Date for Letter of Intent: **06/02/2021**

Due Date for Applications: **07/02/2021**

Explanation of Due Dates

The due date for receipt of applications is listed in the *Overview* section and in this section. See *Section III.3. Other, Application Disqualification Factors*.

Electronic Applications

The deadline for submission of electronic applications via www.Grants.gov is 11:59 p.m., ET, on the due date. Electronic applications submitted at 12:00 a.m., ET, on the day after the due date will be considered late and will be disqualified from competitive review and from funding under this announcement.

Applicants are required to submit their applications electronically via www.Grants.gov unless they received an exemption through the process described in *Section IV.2. Request an*

Exemption from Required Electronic Application Submission.

ACF does not accommodate transmission of applications by email or facsimile.

Instructions for electronic submission via www.Grants.gov are available at:
www.grants.gov/web/grants/applicants/apply-for-grants.html.

Applications submitted to www.Grants.gov at any time during the open application period prior to the due date and time that fail the Grants.gov validation check will not be received at ACF. These applications will not be acknowledged.

Mailed Paper Format Applications

The deadline for receipt of mailed, paper applications is 4:30 p.m., ET, on the due date. Mailed paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

Hand-Delivered Paper Format Applications

Applications that are hand-delivered by applicants, applicant couriers, by overnight/express mail couriers, or other representatives of the applicant must be received on, or before, the due date listed in the *Overview* and in this section. These applications must be delivered between the hours of 8:00 a.m. and 4:30 p.m., ET, Monday through Friday (excluding federal holidays). Applications should be delivered to the address provided in *Section IV.7. Other Submission Requirements*.

Hand-delivered paper applications received after the due date and deadline time will be considered late and will be disqualified from competitive review and from funding under this announcement.

Hand-delivered paper format application submissions will be disqualified if the applicant organization has not received an exemption through the process described in *Section IV.2. Request an Exemption from Required Electronic Application Submission*.

No appeals will be considered for applications classified as late under the following circumstances:

- Applications submitted electronically via www.Grants.gov are considered late when they are dated and time-stamped after the deadline of 11:59 p.m., ET, on the due date.
- Paper format applications received by mail or hand-delivery after 4:30 p.m., ET, on the due date will be classified as late and will be disqualified.
- Paper format applications received from applicant organizations that were not approved for an exemption from required electronic application submission under the process

described in *Section IV.2. Request an Exemption from Required Electronic Submission* will be disqualified.

Emergency Extensions

ACF may extend an application due date when circumstances make it impossible for an applicant to submit their applications on time. Only events such as documented natural disasters (floods, hurricanes, tornados, etc.), or a verifiable widespread disruption of electrical service, or mail service, will be considered. The determination to extend or waive the due date, and/or receipt time, requirements in an emergency situation rests with the Grants Management Officer listed as the Office of Grants Management Contact in *Section VII. HHS Awarding Agency Contact(s)*.

Acknowledgement from www.Grants.gov

Applicants will receive an initial email upon submission of their application to www.Grants.gov. This email will provide a **Grants.gov Tracking Number**. Applicants should refer to this tracking number in all communication with Grants.gov. The email will also provide a **date and time stamp**, which serves as the official record of application's submission. Receipt of this email does not indicate that the application is accepted or that it has passed the validation check.

Applicants will also receive an email acknowledging that the received application is in the **Grants.gov validation process**, after which a third email is sent with the information that the submitted application package has passed, or failed, the series of checks and validations. Applications that are submitted on time that fail the validation check will not be transmitted to ACF and will not be acknowledged by ACF.

Acknowledgement from ACF of an electronic application's submission:

Applicants will be sent additional email(s) from ACF acknowledging that the application has been retrieved from www.Grants.gov by ACF. Receipt of these emails is not an indication that the application is accepted for competition.

Acknowledgement from ACF of receipt of a paper format application:

ACF will not provide acknowledgement of receipt of hard copy application packages submitted via mail or courier services.

IV.5. Intergovernmental Review

This program is not subject to Executive Order (E.O.) 12372, "Intergovernmental Review of Federal Programs," or 45 CFR Part 100, "Intergovernmental Review of Department of Health and Human Services Programs and Activities." No action is required of applicants under this announcement with regard to E.O. 12372.

IV.6. Funding Restrictions

Costs of organized fund raising, including financial campaigns, endowment drives, solicitation of gifts and bequests, and similar expenses incurred to raise capital or obtain contributions are unallowable. Fund raising costs for the purposes of meeting the Federal program objectives are allowable with prior written approval from the Federal awarding agency. (45 CFR §75.442)

Proposal costs are the costs of preparing bids, proposals, or applications on potential Federal and non-Federal awards or projects, including the development of data necessary to support the non-Federal entity's bids or proposals. Proposal costs of the current accounting period of both successful and unsuccessful bids and proposals normally should be treated as indirect (F&A) costs and allocated currently to all activities of the non-Federal entity. No proposal costs of past accounting periods will be allocable to the current period. (45 CFR §75.460)

Grant awards will not allow reimbursement of pre-award costs.

Construction is not an allowable activity or expenditure under this grant award.

Purchase of real property is not an allowable activity or expenditure under this grant award.

Per 42 U.S.C. 613, these funds are intended for evaluation of TANF and related programs. Therefore, funds must be used to support planning for and execution of evaluation-related activities and may not be used for program services. Grant funds may be used to support staff salaries for the percentage of their time that they are working on activities related to the purpose of this FOA but not for time spent on providing services to clients.

IV.7. Other Submission Requirements

Submit paper applications to one of the following addresses. Also see *ACF Policy on Requesting an Exemption from Required Electronic Application Submission* at www.acf.hhs.gov/grants/howto#chapter-6.

Submission By Mail

Family Self-Sufficiency Demonstration Development Grants
c/o ICF
9300 Lee Highway
Fairfax, VA 22031

Hand Delivery

Family Self-Sufficiency Demonstration Development Grants
c/o ICF
9300 Lee Highway
Fairfax, VA 22031

Electronic Submission

See *Section IV.2.* for application requirements and for guidance when submitting applications electronically via www.Grants.gov.

For all submissions, see *Section IV.4. Submission Dates and Times.*

V. Application Review Information

V.1. Criteria

Please note: With the exception of the funding opportunity announcement and relevant statutes and regulations, reviewers will not access, or review, any materials that are not part of the application documents. This includes information accessible on websites via hyperlinks that are referenced, or embedded, in the application. Though an application may include web links, or embedded hyperlinks, reviewers will not review this information as it is not considered to be part of the application documents. Nor will the information on websites be taken into consideration in scoring of evaluation criteria presented in this section. Reviewers will evaluate and score an application based on the documents that are presented in the application and **will not** refer to, or access, external links during the objective review.

Applications competing for financial assistance will be reviewed and evaluated using the criteria described in this section. The corresponding point values indicate the relative importance placed on each review criterion. Points will be allocated based on the extent to which the application proposal addresses each of the criteria listed. Applicants should address these criteria in their application materials, particularly in the project description and budget justification, as they are the basis upon which competing applications will be judged during the objective review. The required elements of the project description and budget justification may be found in *Section IV.2* of this announcement.

Approach	Maximum Points:45
----------	-------------------

- The extent to which the applicant demonstrates a clear understanding of the purpose of the FOA. (10)
- The extent to which the applicant clearly identifies a coordinated, client-centered program or intervention related to supporting low-income families to achieve self-sufficiency that would benefit from support with program improvement and planning for and execution of research and evaluation activities. (5)
- The extent to which the description of the proposed intervention includes the following: the target populations and needs addressed by the intervention; a description of the services or policies that constitute the intervention; whether the intervention has been implemented or is still in a planning phase; whether the intervention is evidence-based or has been evaluated in other settings; any research or evaluation activities conducted to date; and expected outcomes for program participants. (10)
- The extent to which the applicant demonstrates a strong commitment to collaborating closely with ACF and its third-party TA provider. (5)
- The extent to which the applicant describes preliminary ideas for the types of evaluation-related activities the applicant might undertake and how the applicant hopes to benefit from working with ACF and its TA provider. (10)
- The extent to which the applicant identified potential challenges to accomplishing project goals and strategies to address these challenges. (5)

Key Personnel	Maximum Points:15
---------------	-------------------

- The extent to which the applicant clearly identifies the key staff to be involved in the project. (5)
- The extent to which the applicant clearly identifies key staff's availability to work on this project and whether that availability is adequate for the proposed project activities. (10)

Organizational Capacity	Maximum Points:25
-------------------------	-------------------

- The extent to which the applicant demonstrates that the purpose of the applicant organization is at least in part focused on providing services to low-income families with children to achieve self-sufficiency and describes its role in collaborating with one or more state or local social services agencies that administer or coordinate with TANF-funded services. (5)
- The extent to which the applicant clearly describes level of the support of the organizational leadership to participate in the project. (5)
- The extent to which the applicant clearly describes a management plan for supervision of key staff and quality control of project activities and requirements. (5)
- The extent to which the applicant clearly describes the applicant organization's fiscal control and accountability procedures. (5)
- The extent to which the applicant demonstrates the applicant organization's ability and commitment to comply with federal, state, and local government standards. (5)

Budget and Budget Justification	Maximum Points:15
---------------------------------	-------------------

- The extent to which the applicant includes a budget and budget justification that is reasonable and sufficient and resources are appropriately allocated to accomplish the work required under this FOA. (5)
- The extent to which the budget reflects expenses directly related to planning for and execution of evaluation-related activities and the applicant acknowledges the funds may not be used for program services. (5)
- The extent to which the budget includes adequate funds for at least one key staff to participate in one annual grantee meeting per year for approximately 1 ½ days in Washington, DC. If such travel is not possible due to national and/or local travel restrictions, the extent to which the applicant agrees to participate in the annual grantee meeting virtually and discuss budget revisions, if necessary, with the Federal Project Officer and Grants Management Specialist. (5)

V.2. Review and Selection Process

No grant award will be made under this announcement on the basis of an incomplete application. No grant award will be made to an applicant or subrecipient that does not have a DUNS number (<http://fedgov.dnb.com/webform>) and an active registration at SAM

(www.sam.gov). See *Section IV.3. Unique Entity Identifier and System for Award Management (SAM)*.

Initial ACF Screening

Each application will be screened to determine whether it meets any of the disqualification factors described in *Section III.3. Other, Application Disqualification Factors*.

Disqualified applications are considered to be “non-responsive” and are excluded from the competitive review process. Applicants will be notified of a disqualification determination by email or by USPS postal mail within 30 federal business days from the closing date of this FOA.

Objective Review and Results

Applications competing for financial assistance will be reviewed and evaluated by objective review panels using only the criteria described in *Section V.1. Criteria* of this announcement. Each panel is composed of experts with knowledge and experience in the area under review. Generally, review panels include three reviewers and one chairperson.

Results of the competitive objective review are taken into consideration by ACF in the selection of projects for funding; however, objective review scores and rankings are not binding. Scores and rankings are only one element used in the award decision-making process. ACF reserves the right to evaluate applications in the larger context of the overall portfolio by considering geographic distribution of federal funds (e.g., ensuring coverage of states, counties, or service areas) in its pre-award decisions.

ACF may elect not to fund applicants with management or financial problems that would indicate an inability to successfully complete the proposed project. In addition, ACF may elect to not allow a prime recipient to subaward if there is any indication that they are unable to properly monitor and manage subrecipients.

Applications may be funded in whole or in part. Successful applicants may be funded at an amount lower than that requested.

The competitive review will be conducted by a panel of federal and non-federal expert reviewers. Any federal reviewers on the panel will be chosen for their expertise in topics related to family self-sufficiency and evaluation capacity building. Federal reviewers will be from outside of OPRE. Application review panels will assign a score to each application and identify its strengths and weaknesses in relation to the evaluation criteria.

OPRE will conduct an administrative review of the applications and results of the competitive review panels, and will make recommendations for funding to the Deputy Assistant Secretary for Planning, Research, and Evaluation, taking into account the goals of the Family Self-Sufficiency Development Demonstration grants, as listed in *Section I. Program Description*. The Assistant Secretary for ACF is responsible for the final selection.

Applications may be funded in whole or in part depending on the following: (1) the ranked order of applicants resulting from the competitive review; (2) staff review and consultations; (3)

the combination of projects that best meets the goals of the funding opportunity as listed in *Section I. Program Description*; (4) the funds available; and (5) the best interests of the federal government.

Federal Awarding Agency Review of Risk Posed by Applicants

ACF is required to review and consider any information about the applicant that is in the Federal Awardee Performance and Integrity Information System (FAPIIS), www.fapiis.gov/, before making any award in excess of the simplified acquisition threshold over the period of performance. An applicant may review and comment on any information about itself that a federal awarding agency has previously entered into FAPIIS. ACF will consider any comments by the applicant, in addition to other information in FAPIIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in [45 CFR § 75.205\(a\)\(2\)](#) [Federal Awarding Agency Review of Risk Posed by Applicants](#).

Please refer to *Section IV.2.* of this announcement for information on non-federal reviewers in the review process.

Approved but Unfunded Applications

Applications recommended for approval in the objective review process, but not selected for award, may receive funding if additional funds become available in the current Fiscal Year. For those applications determined as “approved but unfunded,” notice will be given of the determination by email.

V.3. Anticipated Announcement and Federal Award Dates

Announcement of awards and the disposition of applications will be provided to applicants at a later date. ACF staff cannot respond to requests for information regarding funding decisions prior to the official applicant notification.

VI. Federal Award Administration Information

VI.1. Federal Award Notices

Successful applicants will be notified through the issuance of a Notice of Award (NoA) that sets forth the amount of funds granted, the terms and conditions of the grant, the effective date of the grant, the budget period for which initial support will be given, the non-federal share to be provided (if applicable), and the total project period for which support is contemplated. The NoA will be signed by the Grants Officer and transmitted via postal mail, email, or by GrantSolutions.gov or the Head Start Enterprise System (HSES), whichever is relevant. Following the finalization of funding decisions, organizations whose applications will not be funded will be notified by letter signed by the cognizant Program Office head. Any other correspondence that announces to a Principal Investigator, or a Project Director, that an application was selected is not an authorization to begin performance.

Information on allowable pre-award costs and the time period under which they may be incurred is available in *Section IV.6. Funding Restrictions*, if applicable. Project costs that are incurred prior to the receipt of the NoA are at the recipient's risk.

Grantees may translate the Federal award and other documents into another language. In the event of inconsistency between any terms and conditions of the Federal award and any translation into another language, the English language meaning will control. Where a significant portion of the grantee's employees who are working on the Federal award are not fluent in English, the grantee must provide the Federal award in English and in the language(s) with which employees are more familiar.

VI.2. Administrative and National Policy Requirements

Awards issued under this announcement are subject to 45 CFR Part 75 - Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards currently in effect or implemented during the period of award, other Department regulations and policies in effect at the time of award, and applicable statutory provisions. The Code of Federal Regulations (CFR) is available at www.ecfr.gov. Unless otherwise noted in this section, administrative and national policy requirements that are applicable to discretionary grants are available at: www.acf.hhs.gov/administrative-and-national-policy-requirements.

An application funded with the release of federal funds through a grant award does not constitute, or imply, compliance with federal regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulations.

Please review all HHS regulatory provisions for Termination at [45 CFR § 75.372](http://www.ecfr.gov/45cfr/75.372).

HHS Grants Policy Statement

The HHS Grants Policy Statement (HHS GPS) is the Department of Health and Human Services' single policy guide for discretionary grants and cooperative agreements. ACF grant awards are subject to the requirements of the HHS GPS, which covers basic grants processes, standard terms and conditions, and points of contact, as well as important agency-specific requirements. The general terms and conditions in the HHS GPS will apply as indicated unless there are statutory, regulatory, or award-specific requirements to the contrary that are specified in the Notice of Award (NOA). The HHS GPS is available at <https://www.acf.hhs.gov/discretionary-post-award-requirements#chapter-1>.

Human Subjects Research

If any research conducted under this award involves human subjects (e.g., focus groups, interviews, surveys, observational data collection, etc.), the grantee must comply with the HHS regulations at 45 CFR part 46 regarding the protection of human research subjects, unless the activities are exempt as specified in the regulation.

Before engaging in ACF-supported human subjects research, a grantee must:

1. hold or obtain a Federalwide Assurance (FWA) approved by the Office of Human Research Protections; and
2. certify to ACF that the research has been reviewed and approved by an Institutional Review Board (IRB) designated in the FWA and will be subject to continuing review by an IRB.

The grantee will be required to confer with ACF and its third-party contractor regarding human subjects protection oversight prior to implementing human subjects research.

For more information, see <http://www.hhs.gov/ohrp/index.html>.

Equal Treatment for Faith-Based Organizations

The grantee must comply with 45 CFR Part 87 “Equal Treatment For Faith-Based Organizations,” including the requirement that all faith-based or religious organizations are eligible, on the same basis as any other organization, to participate in this and any program for which they are otherwise eligible. Thus, when selecting service providers or subrecipients, it may not discriminate for or against any organization on the basis of the organization's religious character or affiliation as indicated in 45 CFR § 87.3(a).

A faith-based organization that participates in this program will retain its independence from the Government and may continue to carry out its mission consistent with religious freedom, nondiscrimination, and conscience protections in Federal law, including the Free Speech and Free Exercise Clauses of the First Amendment of the U.S. Constitution, the Religious Freedom Restoration Act (42 U.S.C. 2000bb et seq.), the Coats-Snowe Amendment (42 U.S.C. 238n), Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e–1(a) and 2000e–2(e)), the Americans with Disabilities Act, 42 U.S.C. 12113(d)(2), section 1553 of the Patient Protection and Affordable Care Act (42 U.S.C. 18113), the Weldon Amendment (e.g., Further Consolidated Appropriations Act, 2020, Public Law 116–94, 133 Stat. 2534, 2607, div. A, sec. 507(d) (Dec. 20, 2019)), or any related or similar Federal laws or regulations. Religious accommodations may also be sought under many of these religious freedom and conscience protection laws.

Consistent with 45 CFR § 87.3(b), a faith-based organization may not use direct financial assistance from the Department to engage in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization). Consistent with 45 CFR 87.3(d), Such an organization also may not, in providing services funded by the Department, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

VI.3. Reporting

Performance Progress Semi-Annually

Reports:

Recipients under this FOA will be required to submit performance progress and financial reports periodically throughout the project period. Information on reporting requirements is available on the ACF website at www.acf.hhs.gov/discretionary-post-award-requirements#chapter-2.

For planning purposes, the frequency of required reporting for awards made under this announcement are as follows:

Financial Reports: Semi-Annually
